AFTERNOON SESSION

Gathering music was led by Ken Medema.

Bishop William W. Hutchinson convened the thirty-eighth session of the Louisiana Annual Conference at 1:45 p.m. with the opening procession.

The Reverends Nicholas and Ester Gitobu, GBGM Missionaries from Cambodia, began the opening service with prayer.

Bishop Hutchinson welcomed the Annual Conference back to Shreveport and Centenary College. He stated that this is a Christian conference and a time in which God is honored and glorified.

Dr. Ken Schwab, President of Centenary College, offered greetings from the college. He stated that Centenary has been a Methodist institution for over 183 years. He also said that the Annual Conference is in partnership with Centenary College in mission. He offered thanks for the support of the conference. He stated that Centenary will prepare the next generation of Christian leaders. Dr. Schwab informed the conference of several improvements that were currently under process at the institution: a new science building, a new endowment for scholarship funds, and building renovations to the Gold Dome and dormitories. Dr. Schwab offered thanks to Benny Vaughn, the courtesy students, and the facilities staff for all their hard work in preparing for this year's session of Conference.

Dr. Pat Day, Pastor at First United Methodist Church in Shreveport, welcomed the annual conference back home to Shreveport. He invited the Service of Ordination and Consecration to return in 2009.

Rev. Doug de Graffenried, Pastor at Asbury United Methodist Church, invited the conference back to Asbury for the 2009 Memorial Service.

Mr. Lynn Austin, the assistant to the Bossier City mayor, brought greetings from the mayor's office and the city of Bossier City. Mr. Rick Seaton, the assistant to the Shreveport mayor, brought greetings from the City of Shreveport.

Bishop Hutchinson announced that Dr. Carl Rhoads was suddenly hospitalized on Saturday evening with heart illness. He offered prayers of concern and deep gratitude for Dr. Rhoads' forty years of dedicated service to the United Methodist Church. The group responded with applause.

Dr. Don Cottrill led the Roll call.

Dr. Ramonalynn Bethley moved that the main floor of the Physical Education Center be designated as the Bar of the Conference for the Laity Session, Monday, June 2, 2008 and that the nave of the Brown Chapel be designated as the Bar of the Conference for the Clergy Session, Monday, June 2, 2008 and that beginning Monday afternoon, June 2, 2008 the main floor of the Physical Education Center of Centenary College be designated as the Bar of the Conference.

She also moved that Tuesday's order of the day be set at 10:00 A.M. for the retirees to address the Conference and that the printed program be the agenda for the Annual Conference Session and that the Bishop be empowered to make changes in the agenda necessary to complete the business of the Conference. She moved that the printed material that is to be distributed to the Annual Conference session be cleared through the secretary prior to distribution.

Rev. Kem Alexander stated that the theme of this year's session is "Sanctifying Grace" from 1 Thessalonians 5:23-24. He stated that the Worship Committee has been planning this year's session since July of 2007. He recognized the committee members and offered thanks for their hard work. He also thanked Mrs. Kathryn Moore for designing the altar. He invited everyone to attend the evening worship service with music by Ken Medema. Mr. Medema will be asking for personal testimonies of how God's grace has affected your life as part of his performance.

Bishop Hutchinson presented his Episcopal Address

"I Love Thy Kingdom, Lord"

*"I love thy kingdom, Lord,
the house of thine abode,
the church our blest Redeemer saved
with his own precious blood."*

The Conference year 2007-2008 has been quite a year! It was filled with moments of victory and triumph on the one hand, and moments of great sadness and distress on the other. We have experienced the revival of some of our devastated churches and we have experienced the closure of others. We have known honors for several of our clergy, and have suffered sorrow for others. We've experienced yet another General Conference and we are anticipating another Jurisdictional Conference. And here we are in the beginning of our Annual Conference! It is a year for Conferencing!

And it has been a year for continued recovery efforts from the hurricanes of 2005. As in the previous two Conference years, the majority of our efforts at the administrative level have been focused on storm recovery. Every time we consider a new ministry of any description, the discussion always ends up in the backwaters of Katrina and Rita. It is simply a reality with which we live and will live for some years to come.

So, let me begin there in this address to you.

HURRICANE RECOVERY

In this past year we have been working steadily under “The Manure Plan”. You recall that plan I am sure. But, just for reminders let me call your attention to Luke’s gospel, chapter 13: 6-9.

“And he told this parable: ‘A man had a fig tree planted in his vineyard: and he came seeking fruit on it and found none. And he said to the vinedresser, ‘Lo, these three years I have come seeking fruit on this fig tree, and I find none. Cut it down; why should it use up the ground?’ And he answered him, ‘Let it alone, sir, this year also, till I dig about it and put on manure. And if it bears fruit next year, well and good; but if not, you can cut it down.’”

The Master’s manure plan was actually for one year. And that actual year for us will begin just as soon as I rap the gavel ending this Annual Conference session. We have already spent the three years in which we have come seeking the fruit. We have applied the manure generously. And this next year will be the crucial year for the production of fruit; enough fruit to make all the work to sustain the tree justifiable.

All churches in the Mission Zone are working diligently, applying the manure and praying that their efforts will bring forth the necessary fruit. As one fellowship put it when we had the last mid-year review of their work, “We are a fig tree in blossom.” We are grateful for the blossoming trees and pray they will mature to fruitfulness. We are now entering into the harvest season for all our efforts and we will remain true to the harvest.

Some, in working toward their own fruitfulness have been grafted onto other trees so that the new hybrid tree will be able to produce. In this past Conference year we have experienced Brooks United Methodist and Shaw Temple United Methodist merging their strengths to become Brooks Shaw United Methodist Church. We also have experienced First United Methodist and Grace United Methodist coming together to become First Grace United Methodist Church.

Sadly, others have made the decision that they can no longer function as a church and have voluntarily closed their doors for ministry. Those are Jefferson United Methodist and Ninde Chapel United Methodist. There are others in the Conference who have had to make the same decision, though for reasons other than hurricane devastation. They are St. Paul United Methodist in New Roads and Melville United Methodist; College Avenue United Methodist in Natchitoches; Washington Chapel United Methodist and Bethel United Methodist, both in the Monroe District.

Now, for the positive news about our hurricane recovery efforts. We have come far enough that we feel we can eliminate the office of Mission Zone Director. Dr. Martha Orphe has done an exceptional work in leading us for these past two years through some

very difficult terrain! She has been strong in her vision and in her administration. We are grateful to Martha for her wonderful service! She will be going to the Conference Office as the Executive Director of Multicultural Ministries and Mission Coordinator. We are grateful we will continue to experience her visionary leadership.

The new District Superintendent of the New Orleans District, Dr. Ramonalynn Bethley will assume the responsibilities of the Mission Zone Director. This is a huge step that says we have come a long way!

Our recovery efforts were a focal point at the General Conference earlier this spring. We were accorded some key time on the agenda to thank the connection for all their support and prayers over these three years and to encourage them to continue that support into the future. One of the things we specifically asked that they would do was to take one more Katrina Relief offering on the Sunday nearest the anniversary date of Katrina. To date, these special offerings have netted almost \$4 million and Louisiana has received the lion's share of those offerings. We have been the recipients of \$2.5 million to be used for salary support and building restoration!

This session's altar is made from pieces of glass and stone found along the storm recovery areas.

When the 2008 books are closed for the Louisiana Conference, I fully expect to see that EVERY church in Louisiana contributed to this special offering, including those churches who are the recipients of the generosity!

This past year we have spent some \$ 2,022,357 in salary support for our churches in the Mission Zone – which includes those in the New Orleans District and the Lake Charles District that were so heavily damaged and decimated. This is the amount AFTER the churches sent what they could. Churches were able to send some \$237,574 back to the Conference to help with their salaries. For the coming year we will need \$1,383,377 for salary support alone! And that is with every church but two helping to pay some of their salaries. Fortunately, we have the bulk of this money in hand, or we know where we can get it. The remainder we are trusting will come from the Katrina Relief offering.

This will undoubtedly be the final year we can expect to have that kind of money to spend on such support, and the churches in the Mission Zone know they must produce the monies for their own salaries beginning in the 2009-2010 Conference year. That is why the fruit must be plentiful in this conference year and will clearly mark how successful the Manure Plan has been! It could lead us to great rejoicing, or to some very difficult decisions about the continued existence of some of our churches.

NEW CHURCH STARTS

This past Conference year we have experienced three new church starts! Rev. Trey Harris, Dr. Jack O'Dell and Rev. Leslie Stephens are serving as the founding pastors of these new fellowships, all located in the Baton Rouge District. I had the joy of

worshipping with NewSong United Methodist Church on their official "Launch Sunday." It was a great day of celebration with a full house of those who will be members and those who were there for support.

I also had the joy of sharing an evening of worship with the Worship team of The Well United Methodist Church. First United Methodist in Hammond hosted us all for a Holy Week service. This church has located a beautiful piece of property clearly visible from Interstate 12 and just east of Hammond in Tangipahoa parish. They have yet to launch officially.

I have been unable to participate in any of the preview services of Faith Crossing United Methodist Church, now forming in Livingston parish. They also have not yet launched officially.

The future of our Church lies in many factors. But one of the main factors is how many new churches can we start in the immediate future. I encourage all of us to pray for the success of these new ventures for Christ. With the able guidance of Rev. Steve Stephens, Director of Church Extension and Transformation, we will be approaching more new church starts in the near future.

INSTITUTIONAL EXPANSION

In addition to the new church starts, we have experienced great growth in our institutions as well. In February we celebrated the move of The Methodist Home for Children in New Orleans to their new home in Mandeville. The old property in New Orleans will eventually be sold in order to provide funds to pay off all indebtedness and provide operating capital for the Mandeville location. With this move The Louisiana Methodist Children's Home, which up until now has operated only the home in Ruston, has become the official parent organization to all of our children's work in Louisiana. This is a great accomplishment!

While the home in Mandeville is getting established, the plans for a third location of The Louisiana Methodist Children's Home in Sulphur are progressing on schedule. A beautiful piece of property has been secured and plans are now being finalized for the construction of a new facility in the southwest corner of our state. This is going to allow United Methodism to have strong ministry to the children and families all across Louisiana.

While the Children's Home ministry is expanding, we also are experiencing expansion of the facilities at the Wesley Center in Woodworth. A new pavilion is nearing completion and ground has been broken for a new meeting facility that will be built between the two lodges on the main campus. Major trails are being laid out and surfaced for those who want to hike in the beautiful surroundings. All this has been made possible through private donations. At this time we need about \$150,000 more to completely cover the costs of these new additions.

And we have dedicated new facilities at the Outdoor Wilderness Learning Center in Ruston, at North Rampart Community Center in New Orleans and at Dulac Community Center in Dulac. Ground has been broken for a new dormitory in Slidell that will house disaster relief workers and teams.

Yes, United Methodism is alive and well in Louisiana!

DIFFICULT DAYS

Difficulties entered our state in the form of allegations of racial injustice in the community of Jena, Louisiana. We became the focus of national attention when it was alleged that six young men in Jena were the victims of racist politics. Accompanied by other judicatory leaders across our state, by the chairperson of our own Black Methodists for Church Renewal, and the Alexandria District Superintendent, I met on two separate occasions with Rev. Lyndle Bullard, pastor of Nolley Memorial United Methodist Church in Jena and some of the civic and church leaders of the community. Our conversations were very helpful and instructional. A major lesson we learned and supported was that the churches in Jena were aligned with each other and were the sensitized heralds of racial justice for the city.

When the major march in Jena occurred in the fall of 2007, the people of The United Methodist Church and other Christian churches met thousands of marchers with radical hospitality. Church buildings were opened for parking, refreshments, bathroom facilities and a place to rest. The peaceful demonstration was helped to remain such because of the hospitality of the Christian community in Jena.

Efforts on the part of the churches and the citizenry continue to bring reconciling conversation and understanding in this small community in central Louisiana.

HOLY LAND PILGRIMAGE

One of the most memorable events of the 2007-2008 conference year was the pilgrimage to the Holy Land experienced by almost 200 persons, including nineteen of our Ordinands. As we traveled this beautiful area of our planet and as we walked with reverence and wonder in the areas where our Savior lived, taught, preached and died, each of us had our own personal pilgrimage. To be able to share this with those who have been ordained to “preach the Word, administer the Holy Sacraments, and to serve all God’s people” was indeed sacred and very special.

It is my fervent hope and full intent that such opportunity will continue to be given to the Ordinands of our conference on a regular basis. I know any one of those who made this pilgrimage this year will testify to the life-changing impact this visit had on them. All pilgrims, lay and clergy alike, have been permanently changed. The ordained will become better preachers, more informed teachers, and better pastors as a result. And as these ordained servants of God are strengthened, along with the laity of our conference, the churches will flourish in the words and deeds of the Master.

ONE HUNDRED PERCENT (100%) APPORTIONMENT PAYOUT!!!

And now the drum-roll, if you please, for the final great accomplishment of 2007! The churches of Louisiana, for the first time in recent history, paid your apportionments in full! Not only did you pay the general church apportionments, but all the jurisdictional and annual conference apportionments as well at 100%. That is an incredible accomplishment! Congratulations to you! Why not stand and congratulate yourselves!

Does this mean EVERY church was able or chose to send in 100% of their askings? No. Some were unable or chose not to. But other sister churches dug deeper in their pockets to say, "We can send more than we were asked to send. Please apply our extra giving to those churches that are unable to pay. We don't necessarily want credit for extra payment. We simply want the Conference to be able to celebrate the 100%!" Now that is sacrificial giving! And God and the church are honored. Bless you, bless you, bless you!

*"I love thy church, O God!
Her walls before thee stand
Dear as the apple of thine eye,
And graven on thy hand.*

*For her my tears shall fall,
For her my prayers ascend,
To her my cares and toils be given,
till toils and cares shall end."*

We've had a look at the immediate past. Now let's consider the immediate future.

The past few weeks since General Conference have been very emotional ones for Kay and me. We've been trying to make one of the most important decisions in our entire lives. The decision was precipitated by the action of the General Conference on Monday evening, April 28. In the waning hours of the plenary session that night, legislation was introduced that would increase the age restriction at which retirement would become mandatory for bishops. In the midst of the consideration of this legislation, an amendment was made that would make it effective immediately. Without discussion and with an overwhelming majority, the legislation passed. And, just like that, our personal future was changed.

Three bishops in the United States and one in the Philippines were immediately affected. Bishop Jane Middleton of Central Pennsylvania, Bishop Lawrence McCleskey of Western North Carolina, Bishop Solito Toquero of the Manila Area, and myself. All four of us were now younger than the required age for retirement! Now this is a way to become younger instantly! We could now voluntarily retire, or we could continue to serve for another four years.

Needless to say, our plans for retirement are at an advanced stage. Our home is built and ready for occupancy. I have been in conversation with two different Foundations about part time work I would do with them. We've done everything we know to do to prepare ourselves emotionally, spiritually and financially. And we have pointed toward August 2008 for a long time!

The encouragement began immediately by fellow bishops, delegates to General Conference, and from friends around the connection that we should stay in active service. We met and talked with our delegates from Louisiana, and in particular with Dr. Bob Burgess, Chair of the Episcopacy Committee and with Buzzy Anding, Conference Lay Leader.

To shorten this long, involved and roller-coaster story, we feel led to continue to serve for an additional four years and we will do that only if it can be in Louisiana. Much work here is still not accomplished and we feel we can continue to be of help with recovery efforts and the return to a "normal" Conference life.

(The conference affirmed this decision with a lengthy and profound standing ovation!)

That being said, the question becomes, "What do I see for the next four years in Louisiana?"

The General Conference heard and adopted four foci as the main areas of collaboration in which the local church, the annual conference, the general boards and agencies, the Connectional Table and the Council of Bishops would collaborate. The simple listing of these four is:

- **Developing Principled Christian Leaders**
- **Creating new places for new people by starting new congregations and renewing existing ones**
- **Engaging in ministries with the poor**
- **Improving global health, especially attacking the killer diseases of poverty**

In the coming four years I see us giving major attention to these four areas of collaboration.

DEVELOPING PRINCIPLED CHRISTIAN LEADERS:

What the development of leaders might look like will be the responsibility of our Conference Ministry Team that will be given new emphasis beginning with this conference year. I envision we will be concerned about clergy leadership and laity leadership; about youth leaders and older adult leaders; and about spiritual leaders as well as administrative leaders.

I envision we will continue to strengthen our Discerner's Academy as we identify, recruit and enlist persons who are the brightest and best Louisiana has to offer for the Ordained ministry. It is a distressing fact to know that clergy under the age of 35 have become so scarce. They are even scarce enough to have engendered a new society in the church – the Spotted Owl Society, whose purpose is to help raise-up younger clergy leadership. Actually, we in Louisiana are doing fairly well in this category, but we surely can improve.

We also will need to continue to identify, recruit and enlist Local Pastors and those who want to serve as Part Time Local Pastors. We have experienced a shortage of these pastoral leaders the past two years and we need to increase our supply line. Without the Local Pastors our Conference would be very short of clergy. We give thanks to our Local Pastors.

And we will work even harder to bring to a higher level our leadership training efforts for both clergy and laity. The retreats we have experienced will continue and I hope to see them increase in effectiveness and attendance.

This is where I believe we can revive our Continuing Education Task Force and have them help us know where we need to be focusing and then coordinate all entities that provide Continuing Education in our conference to focus together on the need.

I'm excited about the development of leaders. It is crucial to our growth as an Annual Conference and to the growth of our beloved church.

CREATING NEW PLACES FOR NEW PEOPLE BY STARTING NEW CONGREGATIONS AND RENEWING EXISTING ONES:

The focus of new church development and transformation is something we have begun to concentrate on in Louisiana through the establishment of the office by the same name. While we have been struggling to recover from the hurricanes, Rev. Steve Stephens has been leading this area of focus with strength and vision. However, now is the time for us to intensify this focus.

With the New Orleans area coming out of the devastation they have faced, and having applied our all-out efforts to the reestablishment of what churches we can, it is time to consider with greater intensity where we need to focus on new church development. Our four anchor churches, First Street PW, First Grace, St. Luke's and Bethany are doing fairly well. Some are recovering more quickly than others. We will continue to focus our energies, resources and evaluations on these specific churches. However, it may be that the redevelopment of the city calls for locations in other spots. We must be at those places when the development is ready to happen!

You have already heard me announce the closure of a number of churches this past year. This is the continuation of a downward trend in the number of churches for us as a conference. However, there are growth areas in Louisiana and we must take advantage of

those and plant churches and fellowships there in order to provide places of worship and community in strategic spots.

At the same time, there are those congregations who want to be transformed and are willing to pay the price to be so. Did you hear me say, "Willing to pay the price?" I said that intentionally. A church is not transformed and will not be transformed without paying the price. Many say they want transformation, but most are not willing to do what they need to do in order to get there. We want to focus on those who are willing!

And this is not all focused in the cities of our state. There is a new Rural Church Initiative being designed and waiting for funding right now. It will be the intent of this initiative to give the rural churches of Louisiana strong leadership, consistent leadership, and longer tenured leadership in order to help our rural communities and churches become again the bellwether churches they have been historically before the great move to the cities began some years ago.

ENGAGING IN MINISTRIES WITH THE POOR:

This is an area in which we seem to have the least understanding and equipping knowledge of how to do it. We traditionally have been effective in being in ministry to the poor, but not effective enough in ministry with the poor.

This will be another challenge for our Conference Ministry Team. I envision that we will have to develop some trusting partners with the poor among us and have them help us know how we can be in ministry with them. Obviously, we have those congregations among us who embrace the poor of our society and who are made up of the poor. We will do our very best to bring them into consultation and planning so that we can make a difference in this area.

I don't have a "grand scheme" in my head on this one. All I can offer is a place at the table for those of the least economic and social means, and welcome them to be a planner alongside me to address the most crucial issues they face.

IMPROVING GLOBAL HEALTH, ESPECIALLY ATTACKING THE KILLER DISEASES OF POVERTY:

The killer diseases of poverty are primarily malaria, AIDS, and tuberculosis. Those with the economic means usually avoid these diseases, or they at least know how to avoid them. Those in poverty do not always have the knowledge or the resources to avoid them.

I see our role here as educational and economical. These diseases are almost fully under control in the United States. This is where our outreach to the people of the world will be made fully tangible. We can assist in world organizations that educate people in these areas and we can provide funding to make the most essential materials available to those who are most affected by these diseases.

We began that journey last year when we as a Conference raised some \$129,000 for the Global AIDS Fund. This year we are seeking to do the same for “Nothing but Nets”, an international effort for providing chemically treated mosquito nets to the people who live in mosquito infested areas so that their lives will be protected. It’s almost too simple – but we are told that \$10.00 provides a net and that net will save a life. Now how simple and how do-able is that! Very do-able!

Beyond these four foci, or areas of collaboration, there are a few other needs we must address as a Conference in the coming quadrennium. I only want to mention them now and will be laying out specific ways to address them in the coming months.

1. Property and Casualty Insurance

As all of us know, we have been working diligently to find a way to make our churches insurable at a lower premium cost. Many churches are finding their property insurance doubling and tripling as a result of the hurricanes of 2005. Many churches are simply uninsured because they can’t afford the premiums. That is totally unacceptable. One of the things that got us into such deep trouble in the New Orleans area was inadequate or non-existent insurance on church property.

We thought we would be ready at this session of Annual Conference to present a proposal that would help answer this dilemma. It has been presented and discussed in District Meetings, it has been discussed in Pre-Conference meetings, and there will be some discussion here at this session of Annual Conference. However, because of the slowness of response, or the refusal of response on the part of several of our churches to the survey to gather the needed information to put a premium price on property and casualty insurance we do not have the necessary figures to put before you so you can make an informed decision.

Because this whole matter is critical to the insurability of all our churches, we are not going to call for a decision at this session. However, we will call for a special session of the Annual Conference at a date to be announced later at which we will consider the matter of property and casualty insurance and insurance as it relates to Safe Sanctuaries, which is as critical a matter, maybe even more so, than the property insurance.

2. Coordination of our Mission Outreach

I have said this many times and want to emphasize it once more. The Louisiana Annual Conference is one of the most generous and mission-minded conferences I know. We do an exceptional amount of mission outreach ministry. And I believe we can strengthen that ministry through some basic coordination of our efforts and our focus.

Do you realize we support mission work in a major way in Russia, Cambodia, Bulgaria, Senegal, Cuba, South Africa, Honduras and Mexico? We have a partner agreement with West Angola, and here we will vote on a proposal to build a dormitory at Africa University in Zimbabwe! There are probably more – but that makes my case that you

area a mission minded people! We need the coordination to see just where all we are and how we can strengthen our work.

Dr. Martha Orphe has been appointed to serve in the capacity of Mission Coordinator in addition to her work as Director of Multicultural Ministries. I believe this will be the link that will strengthen our chains of love around the world. She has not begun her work as yet, but will be producing a plan, which I will review and to which I will give my approval that will begin to move us forward even more. As that plan is finalized we will be unrolling it for the Annual Conference to use.

3. Strengthening the Black Church

Let me quote to you my words in a report to the Jurisdictional Episcopacy Committee when I thought I would be retiring. "My deepest level of concern is with the visible decline of the African American churches in Louisiana. Of course, Katrina and Rita had something to do with that, but the African American church throughout our Conference is declining in strength and numbers at an alarming rate. Major attention needs to be given to this area in the immediate future."

I propose to "ramp up" the Strengthening the Black Church Task Force for the express purpose of evaluating what is happening in this area and working diligently to stop the hemorrhaging. We will expand the Task Force to include the expertise we need to address this major issue and will make every effort to turn this tide.

4. Study of the Funding for the Annual Conference

As we face the future, we cannot continue to do business as usual. We are a very generous people. But even the most generous well can run dry. We need to assess our resources seriously and spend accordingly. Thank God we live in the mindset of abundance – not a mindset of scarcity – and I fully expect we will continue to do so, that is simply who we are. But financial prudence is incumbent upon us.

I hope to enter into a serious dialogue with our newly constituted Council on Finance and Administration and determine the best way to review all our resources and all our expenditures and how we can best use the generous gifts of God's people for the greatest good. It may be that we will appoint a "Blue Ribbon Committee" to undertake this task. It may be that the CF&A will want to do that themselves with some invited help. However it is to be done, it will be done! Not to reduce spending! But to channel our generosity to it's greatest good.

All of this is a huge agenda that lies in front of us. But, with God's help, we will be able to address it all and even add more. As Mr. Wesley said when he was coming to the end of his life, "Best of all, God is with us!" And so may it ever be that we travel this road together knowing, best of all, God is with us. And to God belongs the glory!

*"Beyond my highest joy
I prize her heavenly ways,
Her sweet communion, solemn vows,
Her hymns of love and praise.*

*Sure as thy truth shall last,
To Zion shall be given
The brightest glories earth can yield,
And brighter bliss of heaven."*
-Timothy Dwight

Amen and Amen

Again, the Annual Conference affirmed Bishop Hutchinson with a standing ovation.

The report of the Episcopacy Committee was given by Dr. Bob Burgess. He stated that the report was erroneously omitted from the PreConference Report Book. He recognized the members of the committee. Dr. Burgess then reflected on fond memories and experiences of the past eight years with Bishop and Mrs. Hutchinson since their Episcopal appointment to Louisiana in 2000. Mr. Fred Loy escorted Mrs. Kay Hutchinson to the platform and Mrs. Carolyn Dove presented her with a corsage. Mrs. Hutchinson offered her love, thanks and praise to Louisiana for all their support. The conference responded with a standing ovation. Bishop Hutchinson's son, John, was recognized. Dr. Burgess presented a pair of fleur-de-lis cuff links to match a fleur-de-lis lapel pin that was given to his wife, Kay, four years ago, as an appreciation gift. Dr. Burgess offered a resolution to the Jurisdictional Conference affirming the conference's wishes to have Bishop Hutchinson remain as the conference's Episcopal Leader for the next four years. The annual conference approved this resolution.

RESOLUTION

WHEREAS, since his election as Bishop and assignment to the Louisiana Annual Conference in 2000, Bishop William W. Hutchinson has served our conference as its Episcopal leader with the highest measure of distinction, devotion, and pastoral care, even through one of the greatest natural disasters in our nation's history; and

WHEREAS, legislation enacted at the 2008 General Conference of the United Methodist Church has extended the mandatory retirement age of Bishops, allowing Bishop Hutchinson the option of postponing his retirement and continuing to serve as Bishop for one additional quadrennium; and

WHEREAS, after a period of prayerful deliberation and discernment, Bishop Hutchinson has expressed his desire to remain as Louisiana's Episcopal leader for four more years to both continue the work of hurricane recovery, and to restore the missional and evangelical programs and efforts which were hindered by the calamitous storms through which he has led us with grace, equanimity and effectiveness; and

WHEREAS, the Louisiana Annual Conference wishes to formally express our great joy at the prospect of the retention of our beloved Bishop Hutchinson and his lovely wife and partner in ministry, Kay, as well as our unqualified and enthusiastic support of their decision to continue their service, ministry and leadership in the Episcopal area which has become their church and family home:

THEREFORE, BE IT RESOLVED by the Louisiana Annual Conference of the United Methodist Church, that the Conference Committee on the Episcopacy be, and it is hereby, directed to notify the Jurisdictional Committee on the Episcopacy of the South Central Jurisdiction that it is sincerely urged and requested to take such action as necessary to effect and ensure the continued service of Bishop William W. Hutchinson as an Episcopal leader, as well as his reassignment to the Louisiana Annual Conference for the additional four years that he may serve in that capacity.

The session took a short recess.

After the short recess the session resumed with the Conference Ministry Team making a video presentation for youth and Christian education.

Dr. Pat Day presented the CFA report. A plaque from GCFA honoring our 100% apportionment payout was presented to Bishop Hutchinson. He addressed page 1 of the pre-conference report. The Good Samaritan Offering was terminated. The two Children's Home Offerings will continue from the recommendation of Dr. Terrell DeVille. Rev. Mike McLaurin offered an amendment to Number 8 on page 2 raising the recommended moving expense amount to \$6,000 from \$4,000, effective 1/1/2009. On page 5 the recommended mileage rate for conference meetings was increased from 20 cents per mile to 25 cents. The report was received by motion and seconded. The motion passed.

Dr. Don Cottrill presented the report of the statistician. Three changes were noted on Table I page 10 of the report under Property and Land Assets: the value of church land, buildings and equipment for 2007 should be \$590,556,373; the value of church-owned parsonages and furniture for 2007 should be \$40,601,667; and the value of other assets for 2007 should be, \$97,213,437. The report was approved.

Dr. Cottrill also presented the nominations report. He asked that any corrections be written down and given to the secretary's office. The corrected report will be presented in Nominations Report #2.

Rev. John Deschner presented Petitions and Resolutions #1. No resolutions were submitted on time this year. The Committee on Petitions welcomes petitions received in a timely manner.

Mr. Ray Sutton gave the Commission on Equitable Compensation Report. There was one Equitable Compensation Grant for the period of January through June of 2008. Only one applicant requested equitable compensation this June through December 2008 term.

He thanked the Bishop and Cabinet for their hard work on keeping clergy compensations at equitable rates.

Mr. Gordan Dillahunty presented the report of the publishing house. He offered greetings from the Cokesbury Publishing House. Mr. Dillahunty invited everyone to visit their booths in the fitness center. A check in the amount of \$8,735.08 was presented to Bishop Hutchinson that will go to the Central Conferences Pension Initiative.

Mr. James Goins presented the report of the Wesley Center, board of trustees. Mr. Goins thanked the board for their hard work. He also thanked retired director Richard Bushnell, interim director Tony Lawrence and the entire staff for their work. Roseanne Gillespie will take over as director of the Wesley Center. A slide show was presented showing the status of the projects underway at the center. Mr. Goins offered continued support of the Wesley Center.

Mr. Rob Fairly presented the report from the LA UM Foundation.

A video was presented on Mt. Sequoyah, the South Central Jurisdiction retreat center.

Mr. John Altland presented the report from Mt. Sequoyah. Mr. Altland thanked the conference for our continued support of the retreat center. He addressed two initiatives: supporting the troops and supporting the disaster recovery volunteers.

Ms. Irene Howard came to present the UMPACT material. She was asked to update us on the questions regarding UMPACT. In August 2005 the Bishop and other leaders met with UMPACT. The conference office moved their property and liability insurance to UMPACT. Meetings were held throughout the conference. Approximately 280 churches have submitted the survey necessary to present a quote for possible coverage. She thanked the Bishop and our churches for submitting their surveys.

Rev. Tom Dolph presented a report on Safe Sanctuaries. He brought attention to a hand out on a resolution for safe sanctuaries. The resolution was brought before the conference for a vote. Rev. John Cannon motioned that the vote be tabled for further study. That motion was defeated. Rev. Steve Stephens motioned that the question be resolved. The resolution was received by motion and seconded. The resolution was approved. A copy of the resolution is included in the CMT report.

Dr. Cottrill offered announcements.

Rev. Freddie Henderson introduced Tatenda Mujeni who spoke about the Black College Fund.

Rev. Terry Love closed the session in prayer.

A DVD presentation by CMT was shown.

Jan Holloway, representing the Committee on the Journal, reported that she had reviewed the minutes for the Sessions of Annual Conference up to this point and they seemed to be in order. She made a motion that they be accepted as they stand. The motion was seconded and it carried.

The Bible Study was led by Rev. Grace Imathiu.

The opening prayer was given by Rev. Dr. Ellen Blue.

The Laity Address and General Conference Report was presented by Conference Lay Leader, George “Buzzy” Anding.

LAITY ADDRESS AND REPORT ON GENERAL CONFERENCE

Bishop Hutchinson, Provost Cottrill, Secretary Rhoads, Members, Guests and Friends of the Louisiana Annual Conference, and my brothers and sisters in Christ:

On this occasion of the last Annual Conference in the quadrennium, a General Conference year in which it was the turn of the first-elected lay delegate to head the delegation, it is my honor to bring to you both the traditional laity address and a report on General Conference. Due to time constraints and the great deal of information to be shared, this will be somewhat more of the latter than the former.

The Board of Laity’s report to you can be found beginning at page 64 of the Pre-conference Report, and includes reports of the laity-led ministries that are sponsored and supported by the Board. These reports contain highlights and important information about the work and ministry of the laity in response to the mission of the Annual Conference to raise up and equip spiritual leaders, and to make disciples of Jesus Christ. I commend them to your reading, if you have not already done so.

Many of the officers and at-large members of the Board of Laity are completing their terms of service this year. As was announced at the laity session yesterday, donations have been made to the 1000 Club and the Daughenbaugh-Matheny Scholarship Fund in their honor, and in recognition of their service on the board. However, I would like to take this opportunity to ask all of the outgoing, continuing and new officers and members of the Board of Laity to stand, so that the Annual Conference may recognize your leadership and service.

The theme of this year's Annual Conference is "Sanctifying Grace," what John Wesley also called "Christian perfection" -- the process of spiritual transformation by which we are "filled with the fullness of God," to the end that God's "humble, gentle, patient love...(rules) our tempers, words and actions," and our lives are fully dedicated to Him. We as United Methodists recognize that this process of transformation is not just for our personal sanctification and salvation, but also empowers, enables and equips us to "walk as Christ walked"--to love, reach out and witness and minister to our neighbors and to all of God's children, so that they may also be able to know and to experience God's saving and transforming grace.

The transforming element and power of sanctifying grace were recognized by General Conference this year when it approved the addition of language to the Book of Discipline, which now describes the mission of the church as making "disciples of Jesus Christ for the transformation of the world." The role of the laity in that transformation process was recognized and affirmed at General Conference by the addition of a new paragraph to the Book of Discipline, entitled "The Ministry of the Laity." Listen to its words:

"The ministry of the laity flows from a commitment to Christ's outreaching love. Lay members of the United Methodist Church are, by history and calling, active advocates of the Gospel of Jesus Christ. Every lay person is called to carry out the General Commission...; every lay person is called to be missional. The witness of the laity, their Christ-like examples of everyday living as well as the sharing of their own faith experiences of the Gospel, is the primary evangelistic ministry through which all people will come to know Christ and the United Methodist Church will fulfill its mission."

Those missional and evangelistic responsibilities of the laity were additionally accentuated when the General Conference voted to add "witness" to the liturgy of membership vows used when one makes a profession of membership, so that a new member will now make the pledge to support the church through "prayers, presence, witness, gifts, and service."

Unfortunately, despite such a powerful and eloquent description of what we as laity are or should be about in our communities and in the world, the results have not been reflective of those representations. Poverty and strife continue to plague our hurting world, while our United Methodist Church is aging, and its numbers in the U.S. and Europe are declining.

The extent of the **decline** was detailed in the State of the Church Report published by the Connectional Table of our denomination in the spring of 2007, which revealed the following:

- The average United Methodist is now 57 years old.
- In some countries, notably the United States, we are not effectively reaching youth and young adults; United Methodists under age 18 account for just 4.6 percent of church membership worldwide.
- The number of ordained and commissioned elders under age 35 in the United States totals a mere 850.

- Membership globally is increasing, but U.S. membership has slipped below 8 million people for the first time since the 1930's, even as non-white and immigrant populations in the U.S. are experiencing rapid growth.
- While total giving in the United States has increased, the number of givers has decreased.

Recognizing such discouraging statistics, North Georgia Conference Lay Leader Lyn Powell, in her laity address to General Conference, confronted us with the notion that "something has happened to the laity in the last 40 years. Somehow, too many of us have disengaged from the idea of having a ministry of any kind, much less a transforming one. And I submit to you," she continued, "that it is no coincidence that when the laity disengaged from the ministry the denomination began to decline."

Ms. Powell reminded us that "it is *not* the calling of the laity to sit back and receive the ministry from the clergy. It is the calling of the laity...to be equipped by the clergy to go out and do the ministry."

What, then, can we do to reverse this trend of decline? What can we do to more faithfully and effectively respond to Christ's calling? In his insightful and challenging presentation to us at the Bishop's Laity Retreat in March, Dr. Lovett Weems led many of our conference laity, and even some of our clergy, in an exploration of his work for the Council of Bishops which resulted in his publication entitled "Ten Provocative Questions for the United Methodist Church." During the course of his weekend with us, Dr. Weems asked all of us to consider whether our ministries may have lost focus upon their original goals, and on our calling as Christians. We had occasion to briefly consider his insights during our laity session yesterday. As Dr. Weems invited us to consider, do we need to add a "so that" to everything we plan and do in ministry, to remind us that we do all of these "church" things "so that" God's love and gospel may be shared, "so that" His children may be nurtured and protected from harm, "so that" disciples may be made, and "so that" lives --- and the world --- may be transformed?

Those of us who were honored and privileged to represent you at General Conference in April were encouraged to learn, though, that while our denomination certainly has its challenges, the news is not all bad, and that United Methodism and the Gospel of Christ are not in decline everywhere. Between 1995 and 2004, while professing membership in the United States and Europe was diminishing, thousands of new spiritual seekers in Africa and Southeast Asia were flocking to United Methodist churches every day for spiritual nurture. During that same decade, the number of professing members across Africa and Southeast Asia increased by more than 200 per cent. In one of several inspiring messages delivered by Bishops to the gathered body at General Conference, Bishop Machado of Mozambique emotionally shared with us that he was a product of the United Methodist Church's missionary and evangelistic efforts in the 1950's, 1960's and 1970's. Bishop Machado said that just as much of Africa has been transformed by decades of faithful work by United Methodists, so can the rest of the world be transformed.

But it won't be by "just disciples," he added. "We need true disciples. To transform the world," he said, "we must be transformed ourselves. ...The church is blessed with men and women, lay and clergy, with tremendous gifts and vitality. We (just) need to do what we say."

In the effort to respond to this challenge; to redirect our focus; and to transform ourselves and our discipleship, so that we in turn can more faithfully and effectively make disciples for the transformation of the world; the Council of Bishops in consultation with other denominational leaders has developed four areas of major focus to guide the future work of our denomination. They consist of the following:

1. Developing principled Christian leaders for the church and the world.
2. Creating new places for new people by starting new congregations and renewing existing ones.
3. Engaging in ministry with the poor.
4. Stamping out killer diseases by improving global health.

As we delegates learned, these four areas of focus are already guiding the work of our denomination's general agencies, and they offer the promise of changing our denominational focus from divisive social and doctrinal issues to positive opportunities for mission and ministry; from the specter of schism and separation, back to our true calling of discipleship and transformation. Equally as important, their emphasis on practical, working, inviting discipleship rather than on doctrinal division and exclusivity offers the prospect of reminding us how to begin to regain and restore -- to our denomination and to our local churches -- the spiritual and evangelical fervor that were the hallmarks of John Wesley's ministry and teachings, the legacy of early Methodism, and the powerful model of Christian discipleship that we as United Methodists have somehow misplaced -- and that has even been co-opted by non-denominational community churches which utilize Wesleyan methods to experience remarkable growth, while our own churches continue to languish.

These four areas of focus were mentioned frequently in the reports of general agencies that delegates heard, and in the debates in which delegates participated, with a renewed and intentional emphasis on mutual respect, civility and "Holy Conferencing." All of the approximately 1000 delegates also received a copy of Bishop Reuben Job's book entitled *Three Simple Rules that Will Change Your World: A Wesleyan Way of Living*, containing John Wesley's three simple, general rules for God's church and His disciples: Do no harm; do good; and stay in love with God. These simple, powerful rules were also mentioned frequently during General Conference, and, at least from my observation, the stress given to the 4 areas of focus, the 3 Simple Rules and civility in debate elevated the atmosphere of deliberations substantially closer to the goal of "Holy Conferencing" than the confrontation that characterized much of the debate in previous General Conferences.

The transforming power of God's sanctifying grace was also recognized in the theme of this year's General Conference, which was "A Future with Hope – Making Disciples for Jesus Christ for the Transformation of the World." Certainly the worldwide nature of God's church and our denomination was apparent in much of the conference's

deliberations and decisions. In the time remaining to me, let me touch upon a few highlights of what was accomplished:

A \$642 million denominational budget was approved for the next quadrennium, which represents only a 1.2 per cent annual increase for a total increase of only 4.8 percent over the next four years. Our own Don Avery and the rest of the GCFA worked diligently throughout conference to rein in additional spending requests, shift resources and negotiate with other general church agencies and the Connectional Table, with the almost unbelievable result that, despite the passage of legislation calling for the expenditure of some \$3.7 million in unbudgeted funds, GCFA was able to accommodate those requests and not add one penny to the \$642 million bottom line.

In response to proposals from a task force studying the increasingly global nature of our denomination, approximately \$600,000 of this new budget is pledged to the work of a committee which will make recommendations to the 2012 General Conference on how to change from a United States-centric structure to a more uniform, global structure. 23 constitutional amendments were passed which make it possible for this change to occur, assuming ratification by a 2/3 vote of the aggregate total of annual conferences and eventual approval of the recommended restructuring legislation.

In other legislative action related to worldwide United Methodism, Cote d'Ivoire in Africa, the newest and largest regional conference of the denomination with almost 700,000 members, received its full rights and responsibilities, which could result in greater representation of this West African country in future general conferences. Delegates also approved \$20 million for Africa University in Zimbabwe, and \$2 million to help United Methodist theological schools in Africa train additional pastors.

Bill Gates, Sr., father of the Microsoft founder and co-chair of the Bill & Melinda Gates Foundation, addressed the conference and thanked our denomination for being a partner in the Nothing But Nets campaign to eliminate malaria in Africa. He reported that more than \$20 million has been raised since the campaign began in 2006. We also celebrated the award of \$5 million from the Gates Foundation and the United Nations Foundation, in recognition of the strength and effectiveness of our denomination's world-wide connection, to support a fund-raising and educational campaign to help prevent deaths related to malaria, HIV/AIDS and tuberculosis. In another remarkable addition to this great mission effort, some creative fundraising involving the auction and sale of basketballs autographed by the Council of Bishops resulted in the raising of an additional \$429,000 during conference for the Nothing but Nets Campaign.

The work of United Methodism to fight disease, end poverty, and promote peace worldwide was positively reinforced in the address to General Conference by Ellen Johnson Sirleaf, a fellow Methodist, former political prisoner and now President of the African nation of Liberia, who noted that she was the "first African leader and the first female president" to address the General Conference. In a message of thanks and hope, President Sirleaf celebrated the positive advances made in her country and other parts of Africa, and encouraged our church to continue its efforts to give meaning to the work of

Almighty God by bringing dignity, hope, stability, and security to the people of Africa and to the world.

In the area of social principles, the church's stance on issues pertaining to sexuality remains essentially unchanged. The major discussion was on the statement in paragraph 161G of the Discipline, which states that the United Methodist Church does not condone the practice of homosexuality and considers this practice incompatible with Christian teaching. Legislation seeking to substitute that statement with one declaring that "faithful, thoughtful people who have grappled with this issue deeply disagree with one another, yet all seek a faithful witness" passed through committee and was lengthily debated on the floor, but a minority report ultimately prevailed. The minority report, which passed by a final vote of 501-417, retained and refined the essential language of the 2004 Discipline, and added the phrase that sexual relations are affirmed only within the covenant of monogamous, heterosexual marriage.

Once this major debate was concluded, additional related legislation passed without extensive debate. This included the prohibition of the ordination and appointment of self-avowed practicing homosexuals, and the prohibition of ministers to perform same-sex unions or marriages.

The new Social Creed proposed by the Board of Church and Society was approved, not as a new social creed but as a companion litany of poetic expression for the former Social Creed, which will remain.

A number of proposed resolutions calling for the divestment of church investment in companies that do business with Israel and which in doing so were said to "cause harm to Palestinians" were rolled into one petition that was overwhelmingly defeated. A much publicized resolution that had called for divestment from the Caterpillar Corporation had been withdrawn before the conference began. Instead, the conference called upon both Israelis and Palestinians to uphold U.N. resolutions and International Court of Justice rulings, and to come together to negotiate a peaceful solution to the Mid-East Crisis.

One divestment petition did pass, however, which called on United Methodists to cease investment in companies which support the government of Sudan, as a denominational statement against the genocide occurring in that area.

Concerned about finances, the conference approved a plan that will result in one less bishop in four of the five U.S. jurisdictions, beginning in 2012. The savings will be used to fund new Episcopal areas elsewhere in the world.

The conference voted to continue a Study on the Ministry authorized by the 2004 General Conference. This study group continues to address the ordering of ministry, the separation of ordination and conference membership, and the streamlining of the ordained ministry candidacy process. Some petitions in this area were passed, however, including legislation that would allow deacons to serve communion under certain circumstances, and a proposed constitutional amendment which, if later ratified, would

grant deacons, associate members, provisional members and certain Local Pastors the right to vote on General Conference delegates.

Other proposed constitutional amendments which passed, but must still receive Annual Conference ratification, include the following:

- One that reduces from two to one the number of years a person must be a professing member of a local church before being eligible to be a member of an annual conference;
- One that provides for newly created conferences to be represented at general, jurisdictional or regional conferences on a non-proportional basis;
- One that would require local churches and all groups within them to adopt ethics and conflict of interest policies, as well as a written financial policy to be implemented by local church finance committees; and
- One that would make it clear that all persons shall be eligible to attend United Methodist worship services and, upon taking vows, become church members.

While General Conference did not do away with the guaranteed appointment system for pastors, the Discipline was amended to give bishops procedures for terminating an ineffective pastor's appointment. Pastors will be expected to be available for an appointment, participate in a review process annually, show evidence of continuing effectiveness in ministry, and show professional growth.

Delegates approved the creation of a hymnal revision committee and authorized it to bring a proposed hymnal to the 2012 General Conference. An additional group will investigate the possibility of an African hymnal that would incorporate music and liturgy from Africa, as well as Caribbean, African-American and other traditions with African roots.

A number of milestones were celebrated this year. In the first quadrennial Young People's Address to General Conference, six young people with different backgrounds and perspectives shared their thoughts and opinions on important issues facing our denomination, and expressed a sense of hope for the well-being of the church, but also voiced concern for its inclusiveness and acceptance.

A full communion agreement with the Evangelical Lutheran Church in America was approved by our denomination, under which each denomination would recognize the other's ministry and mission, the authenticity of the other's baptism and Eucharist, and the interchangeability of ordained ministers. The Evangelical Lutheran Church will consider and act upon the agreement when it meets in 2009.

The 40th anniversary of the founding of United Methodism was celebrated, which also marked the 40th anniversary of the dissolution of the racially based Central Jurisdiction, and the formation of the Commission on Religion and Race. Additionally recognized were the 60th anniversary of the Advance, and the 100th anniversary of ministry to Methodist men, the Social Creed, and the Board of Pension and Health Benefits.

In news of particular interest to Louisiana, Bishop Hutchinson, supported by our Louisiana delegation, all clad in our disaster recovery ministry shirts, participated in a “Katrina Report”, in which it was noted with gratitude that church members have raised \$3 million to restore churches damaged by Hurricane Katrina; and that more than \$60 million has been given through UMCOR for humanitarian aid along the Gulf Coast. At the same time, delegates were also cautioned that Katrina fatigue is real; that unrepaired devastation is still in evidence; and that much, much more still remains to be accomplished.

In a very special treat for our delegation and for the entire assembly, our own Bishop Hutchinson was one of the select few Bishops asked to preach to General Conference. In his address, he challenged all of us to reflect upon our baptism, and to question whether we have been renewed from above as well as below, whether we have been moved by both the water and the spirit, and, quoting one of his district superintendents whom he did not identify, but who sounded suspiciously like Rev. Roger Lathan, whether we have been moved yet from the “My, my, my” state of Baptism to the “Yes indeed” state of Baptism. I can perhaps be accused of bias, but I think I can safely say that his address was the best and most well received during all of General Conference.

Finally, the retirement age of ordained clergy was extended from 70 to 72, and, in a very important piece of legislation for us as Louisiana United Methodists, the retirement age of bishops was increased from 66 to 68, effective immediately. This was important because Bishop Hutchinson was one of 3 United States bishops affected by this new rule, and thereby received the option to postpone his retirement plans and remain an Episcopal leader for 4 more years. It was with great joy that we learned that, after prayerful deliberation and discernment, he and Kay have decided to postpone retirement and continue their active ministry, and that Bishop Hutchinson will remain an active bishop for 4 more years. Our Conference Committee on the Episcopacy is already in the process of taking all possible steps to ensure his reassignment to Louisiana by the Jurisdictional Conference in July.

The exemplary leadership of Bishop Hutchinson was recognized one final time, through his selection to serve as chair during the critical last afternoon and evening of General Conference, to guide the body through the very substantial number of petitions through which we needed to wade in order to complete our work. In his usual graceful and encouraging fashion, Bishop Hutchinson gently prodded a very tired and reluctant group of delegates on, and by the grace of God and the patient diligence of his direction conference delegates were able to complete consideration and action on every single one of the total 1,564 petitions, a goal that has not always been reached in past General Conferences.

This summary has touched on really just a few of the highlights of our time in Fort Worth. For those of you who are interested in learning more about these and other accomplishments of General Conference, or issues of special interest to you, there are links on our conference web site, La-umc.org, to archived news items about conference as well as to the web site for General Conference.

As you know – because you elected them – you were represented by a group of clergy and lay people who took their duties and responsibilities as delegates very seriously; who read and studied petitions until their eyes crossed; who met together several times before General Conference to study, discuss, interview Episcopal candidates and strengthen their bonds to each other and to God’s church; and who diligently served you and our denomination through 10 long, long days and short, short evenings with very little rest. I would like to ask my fellow sleep-deprived delegates and alternates, and those additional folks who served in support and administrative capacities at conference, to stand and remain standing so that you may recognize them. Please hold your response until I have named them all: Lay delegates and alternates in addition to myself who participated at General Conference were: Anita Crump, Sarah Kreutziger, Carolyn Dove, Terrel Deville, Rachel Scott, Lane Cotton Winn and Jared Williams. Clergy delegates and alternates who participated were: Bob Burgess, Andy Goff, Chris Andrews, Ellen Alston, Bernadine Johnson, Callie Crawford, Pat Day, Don Avery, and Danny Gleason. Participating in support and administrative capacities were: Dick and Francey Hooten, Frank and Mary Poole, Lottie Palazzo, Clifton Conrad, Donnie Wilkinson, and Darryl Tate. Please let them know how much their efforts on behalf of you and our church are appreciated.

Well, that’s about a wrap on another year, another quadrennium, and another General Conference. As a point of personal privilege, I want to express my heartfelt thanks to all of you for your trust in me and your patience as I have endeavored to serve you these last three years. I also want to thank my dear friends and colleagues on the Board of Laity, who have been so supportive of me and who are the real lay leaders of this conference. Finally, I want to thank my wife, Carol, my children, my sisters and my extended family for their love, their patience and their support as so many times my responsibilities diminished the time I had available to and with them.

On your tables there are three “show and tell” pieces. One is a brochure entitled “Ministry of the Laity” which explains in more detail the nature of our calling. The second is a Lay Ministry Equipping Resources Catalogue for 2008, which gives you access to helpful ministry aids. The last is a fortune cookie, which, if you haven’t already opened it, is a “tasteful” reminder of John Wesley’s three simple rules for all disciples: Do no harm, Do good, Stay in love with God.

Let these serve as reminders to us all that, as Lyn Powell warned us at conference, we cannot afford to sit idly by and wait for clergy to do the ministry of God’s church. There is simply no reason why anyone should ever believe any talk of sanctifying grace and God’s transforming power, unless they can see that transformation taking place in us – and through us, in the world.

As was formally affirmed at conference, it is our witness, our Christ-like examples of everyday living, our sharing of our own faith experiences of the Gospel, that are the primary, practical tools through which people will come to know Christ. As Barbara Brown Taylor puts it, “(o)ur lives are God’s sign language in a sin-sick world, and God

has promised us the (sanctifying) grace,” the transforming grace, that “we need to point the way home.”

Brothers and Sisters: Do no harm. Do good. Stay in love with God. And through His sanctifying grace, be transformed so that you, we, can transform others. So let it be. Amen.

Anita Crump recognized Buzzy for his work as Lay Leader. Sarah Kreutziger, Lay Leader elect, spoke on how appreciative they were for all of his hard work. He was presented with a plaque for his service.

The report of the Board of Ordained Ministry was given by Van Stinson. The report can be found in the LA Now, with biographical sketches, and an order of service entitled, the “Passing of the Mantle”.

Rev. Stinson, Chair of the Committee on Conference Relations, introduced the retirees. Three retirees were present. The retirees are Lawrence K. Benson, Jr., Burton F. Blair, Alonzo J. Campbell, G. Larry Maxwell, Carl E. Rhoads III, Paul E. Sabin, John H. Sewell, Brunetta A. Shamlin, Robert E. Townsend, Carolyn P. Volentine, and Regina L. Wren.

In the Service of the Passing of the Mantle, the mantle was passed from Rev. Paul E. Sabin representing the retiring class to Rev. Shannon DeLaurel representing the ordinands.

Bishop Hutchinson welcomed special guest Mrs. Ruth Handy, surviving spouse of Bishop W.T. Handy, and welcomed her home to the Louisiana Annual Conference.

Rev. Bob Burgess recognized Kathy Moore, Rhonda Whitley, Belinda Denicola, Patti Perkins and Brian Shoup for all their work at Annual Conference.

AFTERNOON SESSION

The Conference gathered to the beautiful and inspirational music of Mr. Ken Medema.

Rev. Kevin Kanouse, Evangelical Lutheran Church of Northern Texas and Northern Louisiana Synod, opened the afternoon session with prayer.

Dr. Terrel DeVille gave the report of the Children's Home. He announced that Bishop Hutchinson was given a life membership on the Board for the Home. He referred the assembly to the Pre-Conference Report book and a new brochure entitled "Pathways" developed for the home. He said the secret of the success of the Children's Home is introducing the children to Jesus Christ. He stated that the Children's Home now has three sites: Mandeville, Sulphur and Ruston. He also said that the outreach services provided by the home will reach more children and families than the 3 different sites combined. All this is possible because the devastation of Hurricanes Katrina and Rita increased the need of displaced children and families, therefore bringing more attention to the home. The support of the conference and its leadership has been crucial to the program. Other United Methodist Children's Homes and Children's Homes of other denominations throughout the country have been supportive. A new program has been developed that will transition young adults aging out of the home to prepare them for adult life. Author, Al Simmons, who wrote the book, I Paul, has offered the proceeds of his book to the home. Dr. Deville presented a \$1200 offering from the children of Reeves Memorial United Methodist Church to support the home. He offered thanks and invited everyone to visit one of the sites.

The report number 2 of the Board of Ordained Ministry was given by Rev. John Williams. He explained that the Board consists of three divisions: the Division of Elders,

the Division of Deacons, and the Division of Associate Members and Local Pastors. He recognized the board members.

Rev. Joe Connelly then presented seventeen people who have completed the License to Preach School: Phillip Dietrail Bates, Ivory C. Bell, Jr., Gladier Dabon Dalton, Reid Gregory Day, Betty Carolyn Fletcher, Felton Wayne Franklin, Jr., Jason Klay Harrison, Stephen Andrew Hebert, Anna Morris Jackson, Katina Yvette Lane, Samuel Lynn Neal, Marshall Andrew Sevier, William Edward Smith, Ronald James Southall, David William Stewart, Patrick Deon Wiggins, and John Henry Wilkins.

Rev. Ricky Willis recognized those receiving their first appointment are: Albert Warren Clifton, II, Reid Gregory Day, Sandra Robbins DeFatta, Isaac Leon Hammond, Jr., Jason Klay Harrison, Marshall Andrew Sevier, Jessica Ward (previously licensed), John Henry Wilkins, and Caroline Marie Wilkinson. Those receiving crosses for the first time since last annual conference are: Ossie Davis Clark, Junius Egby, Jr., Stephen Andrew Hebert, Jason Hunter Sheppard, Kaseem Nabajia Short, William Edward Smith, and Charles Edward Washington.

Rev. Ricky Willis recognized six people who completed the Course of Study: Lawrence Kern Benson, Jr., Richard Wayne Davis, William Hartley McLain, Doris Riley Sheppard, William Madison Turner, Sr., and William Vise Turner.

Rev. Bernadine Johnson recognized the four people who received certification: Jan Cooke, Christian Education; Cheri Johnson, Spiritual Formation; Melanie Mellville, Music; and Shannon Sandifer, Spiritual Formation.

Rev. Juliet Spencer then recognized the candidates being commissioned into probationary membership: Deacon: Laralee Wiggins DeHart and Valerie Olson Robideaux; Elders: Eddie Carpenter, Joseph August Robideaux, Lane Cotton Winn and Gloria Lynne Youngblood.

Rev. Bernadine Johnson recognized the three candidates to be ordained Deacon and brought into full connection: Sarah Williams Shoup, Ann Mangham Trousdale, and Dawn Buchanan Young.

Rev. Juliet Spencer introduced the eleven candidates to be ordained Elder and brought into full connection: Bruce Lenal Brown, Sr. (full connection certificate only), Elaine Melissa Burleigh, Eunice Ncube Chigumira, Simon Chigumira, Elenora Mackey Cushenberry, Shannon Casey DeLaurel, Joseph Zhong Guo, Juan Carlos Huertas, Jerry Lee Johnson, Anice Nichols Moses and Jimmy Lee Owens, Jr.

Rev. Roger Templeton thanked the churches encouraging youth and young adults to pursue their call to ministry. He announced that the 2008 Discerning the Call Retreat will be held on October 18-19 at the Wesley Center in Woodworth. He also offered a few words regarding Ministry Sunday.

Rev. John Williams thanked the Louisiana United Methodist Foundation for its support with the seminary grants and the churches for paying their MEF apportionment. He stated that there are 44 students in seminary process to be ordained. He closed the report with prayer.

Bishop Hutchinson offered a short recess.

After the break, Dr. Ramonalynn Bethley asked for a moment of personal privilege to bring greetings to Carl and Ann Rhoads.

The conference viewed a video of the Volunteers in Mission ministry. Highlights of the past year's mission trips were shown and requests were made for support.

Dr. Socorro deAnda, President of the Lydia Patterson Institute, brought greetings on behalf of the school. She announced over 90% of their students go on to attend college. There has been over \$1.3 million in scholarship funds donated from United Methodist organizations throughout the denomination. The Lay Ministry program at the institute educates students to help develop spiritual leaders. Their institution also helps the children of families that lived in the United States but then have been deported back to Mexico. She offered appreciation and thanks for the conference's support.

Mr. David Malloy, the General Board of Global Ministries, spoke on the general advance specials of the denomination. He gave thanks to Rev. Doug Milliron and Kathleen Conrad for their work on the Conference Board of Global Ministries. There has been over 60 years of giving through the general advance. He spoke of the Katrina/Rita Hurricanes advance and stated that over 17,000 families have been served by this project. There has been over \$1 billion given toward advance specials over the last decade. Since the administrative costs of the general board comes from the World Service apportionment, 100% of each advance special goes toward that giving. Mr. Malloy showed a short DVD on how advance specials help missionaries around the world. There has been over \$37 million dollars given in the last year to help their ministry.

Rev. Tim Smith spoke of the proposal to bring the Annual Conference session to New Orleans in 2009. He stated that the session would bring much needed funds into the tourism industry for the City of New Orleans. The task force discovered that the costs would be significantly increased over the costs of Shreveport. The Pontchartrain Center in Kenner, Jefferson Parish, would be the most cost effective center to hold the event. He proposed that the 2nd morning of the session could be dedicated to a Disaster response project in which the entire group could participate. He stated that this event would also raise United Methodist awareness in New Orleans. Reverend Smith moved to hold the 2009 Session of the Louisiana Annual Conference at the Pontchartrain Center in New Orleans, Louisiana during the first week in June. Reverend John Winn seconded the motion. Speeches were made for and against the motion. Event costs were some of the biggest concerns. There was also concern regarding holding the Service of Commissioning and Ordination in a United Methodist Church. The question was called and approved. The report was approved.

Dr. Robert Potter gave the report of the Retired Minister's Homes Board. He made reference to the PreConference report with special attention to the Special Sunday Offering held on September 14, 2008.

Dr. Bill Lawrence, Dean of Perkins School of Theology and Dr. David Trickett, President of Iliff School of Theology, brought greetings from their respective institutions. Each highlighted important aspects of the colleges.

Dr. Pat Day offered the Leadership and Effective Management report. He made reference to a brochure and encouraged participation.

Dr. Donald Cottrill made several announcements. He announced that \$4,564 was given toward the Friendship Plaza at Mt. Sequoyah at the Worship Service on Monday evening.

ADONA JEANETTE PFOST CAIN MAY 10, 1922 - NOVEMBER 29, 2007

Adona Jeanette Pfoست Cain passed away on November 29, 2007, at the age of 85. She was born in West Helena, Arkansas on May 10, 1922 to the Rev. Howard E. and Lucy Norton Pfoست. She graduated Summa Cum Laude in 1943 from LSU in Baton Rouge where she was very active, serving as president of the Wesley Foundation, and earning a teaching degree.

After college graduation, she married Rev. Wesley Ralph Cain and began her role as a minister's wife, serving with her husband at Memorial Methodist Church in Monroe, Springhill United Methodist Church in Springhill, and Mangum Memorial Methodist Church in Shreveport. She lived in Ruston, Louisiana from 1969 to 1973 while Rev. Cain was District Superintendent. When he became Area Provost for the Louisiana Conference they resided in New Orleans.

Adona Cain taught speech at Tioga High School in Tioga, Louisiana and at Midway Junior High School in Shreveport, Louisiana. While in Springhill, Louisiana she worked as a substitute teacher.

Adona Cain was an active member of PEO. She loved to volunteer for her church and community where needed. Following the death of her husband in 1975, she settled down in Ruston, Louisiana. There she served in many capacities for the United Methodist Women of Trinity United Methodist Church. She was a loyal member of Trinity's church choir. She enjoyed participating in the Cosmos Club of Ruston. She volunteered at Lincoln General Hospital. She tutored those needing help with reading, as reading was something she liked to do in her spare time. She was an avid Lady Techsters fan and loved going to games with friends or watching the team on TV. She was known for her baking, giving loaves of freshly-baked bread and rolls to friends and those in need. A special hobby of hers was knitting and then giving away the resulting dishcloths, sweaters, and afghans to family and friends. Most of all she loved spending time with her family.

Adona Cain is survived by her four sons: Noel Cain of Minden, Louisiana, Bruce Cain and wife Sue of West Monroe, Louisiana, Richard Cain and wife Carolyn of Gilbert, Arizona, and Paul Cain and wife Lynda of Kingwood, Texas, as well as eight grandchildren and four great grandchildren with whom she loved to spend time. FINAS PLEASANT CORIE **AUGUST 14, 1917 – FEBRUARY 23, 2008**

Finas Pleasant Corie, born August 14, 1917 in west Louisiana, departed this life on February 23, 2008 in Jena at the age of 90. Burial followed on February 25 in Jena.

Finas served his Lord Jesus Christ faithfully as a pastor in Methodist churches from the early 1950's until the time of his retirement in 1983. Congregations in Dry Prong, Pineville, West Monroe, Harrisonburg, Bienville, Hall Summit, Ball, Quitman, Marion, Cotton Valley, Lafayette, Mer Rouge, and Lake Charles knew him as their pastor, Brother Corie. Additionally, he served other churches in LaSalle Parish and the surrounding area after he retired from the itinerant ministry.

He was preceded in death by Lois Strozier Corie, his dear wife of nearly 64 years at the time of her death in August 2002, and a son, John Marvin Corie in 1939. He leaves behind a son, Harley, and wife, Pat, recently of St. Francisville, Louisiana; a son, Michael and wife, Joy, of Ruston, Louisiana; a daughter, Betty Wilson and husband Ardis, of Conroe, Texas; a son, Martin and wife, Sarah, of Baton Rouge, Louisiana. He leaves also eighteen grandchildren (*including spouses*), 19 great-grandchildren and a number of nieces and nephews. He will be missed by special friends and loved ones who faithfully ministered to him in his last years.

Finas enjoyed an active life until the past several months when ill health robbed him of his time lovingly spent gardening. He was always fond of the myriad of fruit trees, vines, and bushes that he cultivated on his property. At each parsonage along the history of his appointments by the church, he always found a spot for a garden and added plantings to make the place to his own liking. Perhaps the only thing Finas enjoyed more than gardening was reading, talking and preaching the Good News of Jesus Christ, whose triumphant return he eagerly anticipated. Finas was ready for that blessed event and he earnestly prayed that all he met would likewise look forward and "look up" as the Day approaches.

HEATON B. CRAMMER **APRIL 21, 1916 – FEBRUARY 25, 2008**

Reverend Heaton Busby Crammer was born April 21, 1916 in Jersey Shore, Pennsylvania, the second child of Howard Sanders and Adra Anna Busby Crammer. His life was filled with sixty-five years of ministry, comfort and hope as the note found in his

Bible conveys! "Courage doesn't always roar; sometimes it is a quiet voice at the end of the day saying 'I will try again tomorrow.'" And the scripture "The Lord is my portion, saith my soul; therefore will I hope in him". Lamentations 3:24.

Heaton passed away February 25, 2008.

He attended Asbury College in Kentucky where he majored in Theology, Literature and Music. Upon graduation, he was ordained as the fifth generational Methodist minister in his family.

While at Asbury, he put himself through school doing carpentry, electrical, and general maintenance for the school.

While cleaning wax from candles off the floor, a result of a big party, Earlena stumbled over him; she was on a music scholarship at Asbury and played the violin. Her "fall" for Heaton later got a proposal of marriage. He didn't get an answer until the third time he asked her. Since he'd already accepted an appointment at Pointe a La Hache, Louisiana, their honeymoon would be going to Louisiana. Earlena was from Indiana.

Heaton pastored churches throughout the Louisiana Methodist Conference for over sixty-five years. Serving smaller congregations, often several to a charge, he was known to have preached as many as four services in a Sunday, and played the piano and led the singing.

Earlena got her preacher's license and would alternate church services so all churches would have a service every Sunday and would not have afternoon services or one every other week. They worked as a team.

As parents they volunteered as chaperons often with youth church groups, scouts, FHA, 4H, and school activities with their children, supporting them in all of their endeavors.

He loved playing dominoes and played many a game with fellow colleagues, friends and family. He really looked forward to the games everyday at Canterbury House where he had been a resident for the past five years.

Heaton belonged to the W. D. Fisher Masonic Lodge #161 and H. C. & M. E. Duncan chapter of the Eastern Star. His hobbies included hunting, fishing, crabbing, bee keeping and music. At 91 years of age he was an avid reader and LSU sports fan. He was looking forward to his 92nd birthday on April 21st.

Heaton had requested his body be donated to the Bureau of Anatomical Services. Memorial services were held on March 1, 2008 at First United Methodist Church in Pineville, Louisiana where he had been a member for the last seven years.

He was preceded in death by his wife of 64 years, Earlena Esther Crammer; one brother, Howard Paul Crammer; a sister, Patricia Anna Crammer; and one grandson, Keith Sanson.

The surviving immediate family includes three children: Esther Sanson Weatherford and husband, Charlie of Deville; Robert Heaton Crammer and wife, Jane of Crestwood, Kentucky; Carol Lawrence and Ron Champagne of Mayflower, Arkansas.

Nine grandchildren: Melinda Rosier; Teresa Fairchild and husband, Donald; Kevin Sanson; Karl Sanson and wife, Johanna of Deville; Tim Crammer and wife, Ellen of Kettering, Ohio; Lisa Crammer of Clarksville, Indiana; Jennifer VanEcko and husband, Randy of Little Rock, Arkansas; and Lindsey Crace and husband, Jimmy of North Little Rock, Arkansas.

Fourteen great-grandchildren: Jon and Laurin Fairchild; Luke and James Rosier; Cappel, Brendan and Emily VanEcko; Kasey and Kash Sanson; Shelby Sanson; Joseph and Jackson Crace; and Nathan and Tyler Crammer.

Extended family: Dona Kay Weatherford Johnsey; Jon Champagne; Anthony Weatherford and wife, Amanda; Aaron Gibson; Corrin, Charlie and Conner Weatherford.

JIMMIE LOU CROTWELL **JANUARY 13, 1929 – JANUARY 8, 2008**

Funeral services for Mrs. Jimmie Crotwell were January 11, 2008, in the chapel of Kilpatrick's Funeral Home in Ruston with the Rev. Wayne Evans presiding, with interment at Johnston Chapel UMC, January 12, 2008.

Jimmie Lou Brown was born on January 13, 1929, in Coahoma, Texas. Her mother was Modena Hull and her father was Jim Brown. Her father moved his family to McComb, Mississippi shortly after her birth. She met and married a "country boy," Claude Crotwell in 1946. He worked on the L&M train line as a telegraph operator. They were married for thirty-three years before the Lord called him into eternal rest.

Jimmie's calling in life was as "homemaker," and she pursued that calling with great dedication and love. She made her home a sanctuary for her husband and the six children she produced and reared. Her family was her life. She was a very talented seamstress, and actually made two of her daughters' wedding dresses. She also enjoyed reading and gardening.

She was married to the late Reverend Claude M. Crotwell, a minister in the United Methodist Church. Their ministry began in Mississippi where he served churches in

Bogue Chitto, Laurel, Waynesboro, Pelahatchie and Silver City. In Louisiana, Rev. Crotwell served as pastor to Calhoun, Beulah, Indian Village, Mangham, Columbia-Hebert, Pine Grove-Walker and Bernice United Methodist Churches.

After the death of her husband, Mrs. Crotwell decided to go to Nursing School and earned her Registered Nursing Degree from Louisiana Tech in Ruston. Her family helped her when they could; but she mostly needed our prayers. Since Rev. Crotwell passed away at an early age, there was one child still at home. She did graduate from Nursing School and went on to enjoy nursing for over 20 years. She was Director of Nursing at Alpine Nursing Home. She also worked in Lincoln General Hospital in Ruston in the Intensive Care Unit and she worked as an Emergency Room nurse at Glenwood Hospital in West Monroe, Louisiana.

She has been a member of Grace United Methodist Church of Ruston and the Holly Sunday School Class for 28 years. She was a member of the United Methodist Women and the Women of Grace and the Nettie White Circle.

Mrs. Crotwell moved from Ruston to Allen, Texas to be closer to her daughters in September. She suffered a heart attack in June, but was in otherwise good health. On December 30, 2007, she suffered a fall striking her head on the floor. She was taken to the hospital where she underwent emergency brain surgery. She did not recover from her surgery and passed away on January 8, 2008, surrounded by her family.

Mrs. Crotwell is preceded in death by her husband, Rev. Claude M. Crotwell and son Michael, her parents, Mr. and Mrs. Jim Brown of McComb, Mississippi; sister Louise Allen and brother Marcus Brown.

Mrs. Crotwell is survived by her five children and their spouses: James Crotwell and wife Denise, of Union, Mississippi; Ronald Crotwell and wife Gracie of Pelahatchie, Mississippi; daughters Shelia Ross and husband Denny of Allen, Texas; Celeste Crotwell of Marshall, Texas; Bridgette Pullis and husband Robert of Missouri City, Texas. She is also survived by eight grandchildren Tony Crotwell and Claudia Bowman of Pelahatchie, Mississippi; Michael Ross of Yukon, Oklahoma; Mandy Brotherton of West Des Moines, Iowa; Bret Lynn of Longview, Texas; Stephanie Lynn of Hallsville, Texas; Sandy Lynn of Kilgore, Texas; and Beth Crotwell of Flowood, Mississippi. She also has eight great-grandchildren, Jacob and Isaac Ross, Maggie and Caitlin Bowman, Eric Crotwell, Hayden Fredenburg, and Brody Crum. She is also survived by her brother Woodie Brown of Monticello, Mississippi.

She was loved very much by her family and she will be terribly missed.

She held many jobs in the Methodist Church such as Women's Society and did them well. She loved being a preacher's wife and getting to know so many people from all walks of life during their ministry in Mississippi and Louisiana Conferences. Martha was a supportive element behind the scenes of George's ministry that would not have been complete nor as effective without her gracious guidance. She enjoyed visiting with friends and family for coffee and ice cream. She loved getting to know all her family's children and grandchildren through the years.

BOYD HOOD

FEBRUARY 18, 1920 – JANUARY 31, 2008

In Micah, it states "He has showed you, O Man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your god?"

After working for the State Police, Ethyl Corporation, owning his own service station, and selling cars, he was called into the ministry. He served the churches of Carpenter's Chapel UMC at Galvez, and then moved to Tangipahoa UMC with charges at Pine Hill and Pine Ridge. JOHN B. KOELEMAY
DECEMBER 5, 1919 – DECEMBER 5, 2007

Louisiana United Methodism was blessed for 88 years with the lively personality, passionate voice, and purposeful life of John Koelemay. John grew up in Nederland, Texas, son of Lawrence and Myra Cooke Koelemay. He attended Lamar University and graduated from Centenary College in 1940.

After graduation, John was playing the cello in a string quartet at First United Methodist Church in Shreveport. He met a Shreveport girl named Helen Chadock at First Church, and they were married in December of 1940. This joyful union was blessed with four children: Kathryn Koelemay Dicharry, John Douglas Koelemay, and twins, Maurice Koelemay and Maurine Koelemay Creed and 14 grandchildren and 4 great-grandchildren.

John served numerous appointments in Texas and Louisiana during his ministry career. Among them were Marble Falls UMC, Baton Rouge First UMC, Gilbert UMC, North Highland UMC, Many UMC, and Gentilly UMC. John also was the Chaplain at Pendleton Memorial Methodist Hospital in New Orleans. John enjoyed an active retirement beginning in 1983. John took the lead in helping reform the apportionment system in the Louisiana Conference to make it more equitable for all churches in the Conference.

John and Helen enjoyed numerous family gatherings and vacations. A favorite destination was Santa Rosa Island on the Florida gulf coast. John was an accomplished musician, and he played cello, violin, and the timpani in the beginning formation of the Shreveport Symphony.

Helen said, "I believe God had his hand on John's shoulder from a very young age. He was dedicated to the church, loved the ministry, and loved people. It was a joy to serve with him."

On his headstone is engraved one of John's favorite verses of scripture, Micah 6:8; "What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God." We remember and celebrate one who lived out this biblical truth in so many ways.

MARY EVELYN UNDERWOOD MAYO **JULY 6, 1919 -- APRIL 7, 2008**

Evelyn Underwood Mayo was born July 6, 1919 in Watson, Louisiana, the fifth of nine children born to Laura Curtis and William Underwood. She was preceded in death by her parents, and siblings Woodrow Underwood, Eloise Underwood Jones, Martha Underwood Robinson, Ray Underwood and Faye Underwood Gunter. She is survived by her husband of sixty-five years, Rev. William Francis Mayo of Shreveport, Louisiana, and daughters Frances Mayo Sistrunk of Salisbury, Maryland, Susan Mayo Cooper and Pat Cooper of New Orleans, Louisiana and Carolyn Ann Mayo of Houston, Texas. Grandchildren include William Nathan and Linda Sistrunk of Belpre, Ohio, Jennifer Lynn Sistrunk of Fredricksburg, Virginia, Brooke Pickett and David Bruser of Toronto, Canada and Kelly Lane Pickett of New Orleans, Louisiana. Great grandchildren include

Cray, Danielle and Sara Sistrunk all of Belpre, Ohio. Surviving siblings include Hugh Page Underwood, Fulton Underwood, Malcolm Underwood, all living in the Watson and Baton Rouge area.

Evelyn grew up attending Live Oak Methodist Church with her family. At the age of 16, Evelyn was the valedictorian of her high school class at Live Oak High School, but also was known to play basketball, as well as to tie for first place in the Livingston Parish beauty contest. She was awarded a scholarship to Louisiana State University, but didn't attend college at that time since her father was ill. She became a long distance operator in Baton Rouge, later moving to Gulf States Utilities where she was a secretary and a war-time draftsperson. It was during this time she met and married a young Southern Methodist University seminary student, William F. Mayo.

Louisiana conference appointments took her to Baker, Alexandria, Tallulah, Jennings, New Orleans, Springhill and finally in retirement, Shreveport. She was the consummate minister's wife, serving in every capacity of church life, from bible school to United Methodist Women. She attended classes at Southern Methodist University, Magnolia State University and Louisiana Tech University. Evelyn also taught school, developed remedial reading courses for high school students and was a secretary at Methodist Home Hospital in New Orleans.

Evelyn loved and excelled at many things. She was artistic and painted, sewed, arranged flowers and mastered ceramics. She loved laughing, a trait that started early in her life, as she was known as the social butterfly in the family. She loved color – in her home, closet and garden. Upon retirement, she got the very first home of her own rather than a parsonage and she delighted in filling it with color. Evelyn's closet and wardrobe reflected that love of color: the brighter the better. Finally, she adored color in her garden which was decked out for every season of the year.

She loved to shop, to talk politics and to cook for friends and family, for which she was known far and wide. Evelyn loved to travel with family road trips a highlight. Recently those family vacations were reinstated, with trips to Charleston, Santa Fe, Texas, Arkansas and finally New Orleans this past Christmas to celebrate Bill and Evelyn's 65th wedding anniversary.

EVELYN GAY MERRILL

JANUARY 20, 1914 – MAY 31, 2007

In early January of 1914, a young couple in Alda, Oklahoma, Amber and Viola Gay were excitedly waiting for the birth of their first child. On January 20 a little girl was born, all healthy and with the necessary number of fingers, toes, and other appendages. Amber and Viola named their little girl Evelyn, and a happy family life was begun. After a short time Amber was offered a new job, and the little family moved to Oklahoma City. There Evelyn grew up and developed into a very bright and lovely young lady. She went through her high school years and then enrolled in Oklahoma Wesleyan to pursue her undergraduate courses.

As Evelyn had grown up, she was surrounded by every possible constructive influence, including her spiritual life. In Oklahoma Wesleyan, a Methodist College, she became aware of a growing desire to serve God with her life. To pursue that goal she later enrolled in Scarrett College in Nashville, Tennessee where she achieved full certification in Christian Education.

Completing her work and with highest recommendation from Scarrett College, she was chosen to work with Dr. Clovis Chapel in the Galloway Memorial Methodist Church in Jackson, Mississippi. An outstanding preacher in his day, Dr. Chapel was much in demand and chose to publish his sermons rather than be away from his own pulpit so frequently. Once again, Evelyn Gay had made her mark and was invited to be Dr. Chapel's personal assistant. In this capacity, she was instrumental in the publication of many of his books of sermons. When he was later appointed to serve the First Methodist Church in Wichita Falls, Texas, he persuaded Evelyn to move with him. As they were settling in the new work, a young man from Nebraska graduated from The Theological School at SMU in Dallas. He, Merlin Merrill, was appointed to be the Associate Pastor in First Methodist Church in Wichita Falls, Texas. The Chairman of the Board was introducing the new staff member around and came to Evelyn and Merlin. After identifying each of them to the other, he said with a wry smile, "I suggest that you two young people learn to cooperate." They did, and a year later they were married and served God together for the next fifty-five years. Now, that is cooperation!

In January 1947, the Merrills transferred to the Louisiana Conference and were appointed to Cotton Valley. In the next four years, their "cooperation" continued and resulted in church and family growth, with the birth of their son, Lynn Walter Merrill. In 1951 they were appointed to serve the Canal Street Church in New Orleans and from there to First Church in Mansfield, First Church in Minden, University Church in Lake Charles, Lafayette District Superintendent and Trinity in Ruston. In each case, Evelyn carried her share of responsibility in the Church, District or parsonage. When Merlin was away on mission work in Alaska, Brazil or Peru, Evelyn cared for the congregation at home and saw that Church business was executed properly and promptly. On other occasions she accompanied Merlin to a World Methodist Conference in Honolulu and on a five-week pulpit swap with a British Methodist minister in Abingdon, England.

Two of the highlights of her life were Merlin's election to the Board of Trustees of Centenary College and his subsequent honor with a Doctor of Divinity degree from Centenary College, and the point when her son achieved his PhD degree in the School of Business of Louisiana Tech University. Her own thirst for knowledge and experience of growth continued into the last days of her life. After Merlin's death her failing health indicated a need to be in an assisted living environment, and she chose to follow that need. Even there she continued to lead groups of her neighbors in discussions, book reviews and Bible study. When one would go to visit her, there would almost always be a stack of three or four books on her bed which no doubt she intended to read every one. Her warm smile and infectious laugh blessed all who came into her presence.

On May 31, 2007, Evelyn rejoined Merlin before God, and we can be certain of the Father's deep joy is seeing two of His most faithful children together again at home with Him. God bless you, my dear friends.

MARY E. "MARJORIE" MARSHALL MESSER
DECEMBER 24, 1920 – APRIL 12, 2008

Born on Christmas Eve in San Francisco, California to Eunice Cooley and Robert James Marshall, my mother was named Mary Eugenia Marshall. She once told me that was the only time she was called Mary because of a popular song at the time, "Margie". I was 22 before I heard someone laughing about something. "Well, Mary Eugenia, what are we going to do about that?" I walked in and asked, "Who is Mary?" and Margie replied, "That is my birth name, but everyone called me Margie or Marjorie." If I had not heard that part of the conversation I don't think I would ever have known her name was not Marjorie!

Promoted to the second grade after 3 weeks in the first, this bright and sensitive girl learned early to care for others and to become a nurturing person for her younger sister, Dolores. Margie was eleven when her father moved back to Mississippi after her parents divorced, and she was not in contact until she was twenty-seven, after my brother was born in 1947.

Her unusual and uniquely beautiful soprano voice caught the attention of several musicians from Balboa High in San Francisco. Asked to sing with them during a live show at a local radio station one night, her voice received such recognition from listeners and the owner of the station, at 18 she was offered a full time singing opportunity with the station, but she turned it down to finish high school. Eunice, my grandmother, an impulsive individual, decided to move back to Mississippi two days before Margie graduated. They were on the train to McComb two hours after Margie received her diploma. In Baton Rouge, Eunice called a relative and asked if she and the girls could stay there for a few days to rest before going on to Mississippi. A month later, Margie found a job working at a moving and storage business where a young man named Glendon R. Messer worked. He told his two brothers he found the woman he would marry and in November of 1940, he and Margie went to Woodville, Mississippi, and started a marriage that lasted 49 years and 10 months. Michael Glynn was born in 1947 and I arrived in 1948.

Glendon had 4 churches while completing his degree at LSU and while at Perkins School of Theology at SMU. In New Orleans, his first appointment at Elysian Fields UMC, congregations were fortunate to be transported, soothed and calmed by the music my mother started to develop into her ministry. After New Orleans, was Amite UMC, Lake Arthur UMC, St. Paul's UMC in Baton Rouge, Winnsboro UMC, Simpson UMC in Lake

Charles, Istrouma UMC in Baton Rouge, Friendship UMC and Corbin UMC in Walker. Her voice graced the choir in Hammond UMC, where they retired.

My mother was twice rewarded for her dedication to serving others in her quiet and dignified manner, by receiving lifetime status from the Methodist Women's Society of Christian Service in two churches they served. She was a mentor to grammar school children for more than four years after the age of 72, continued to exercise with senior aerobics, and walk in local Breast Cancer *Race for the Cure*, until she was 75.

At 87, after 3 years of living with a failing heart, on Saturday morning, April 12, 2008, Michael and I were each holding one of her hands as she completed the final phase of transition from the Earthly life in San Antonio, Texas, where we've lived for 6 years. She walked gently through life, touching every person she encountered with joy during days of sunlight and with comfort during the times of darkness, never putting herself first, but as by the example of our living Lord, always putting others in that place. As my father once said, "I do the preaching and she does the practicing". She did. Michael and I know we are better people from having her influence in our lives with her unconditional love and support. My father told me that he really got lucky by having Margie to set the mood for his sermons. Her voice gave such a calming effect that he thought it enhanced his message. When I was 13, I told him I thought most people came to hear her sing and then just stuck around for his message.

It is with much sadness and the most loving of memories that we bid our dear mother not goodbye, but we will join you soon in heaven.

She was preceded in death by her parents, her husband, her sister and brother-in-law. She leaves behind two loving children, two sisters-in-law, many nieces, nephews, great nieces, nephews and all their off spring!

From loving memories of our loving mother, Mary Eugenia Marjorie Marshall Messer, Michael and I thank God for sending us to her.

ROY ENOCH MOUSER

MAY 31, 1920 – AUGUST 9, 2007

Reverend Roy Enoch Mouser was born May 31, 1920 in Ansley, Louisiana. He died peacefully in his sleep the morning of Thursday, August 9, 2007. He was 87 years old. He is survived by his wife, La Verne Davis Mouser; eldest son, Clinton Roy Mouser; daughter Sherry La Verne Mouser; son, Jon Craig Mouser; four grandchildren: Shawn, Vinson, Christopher and Christina and two great-grandchildren: Tanek and Kala.

In the late 1930's, while Roy was studying to be a lawyer at LSU Baton Rouge, he was walking across campus one day, thinking about what he saw as painful inequities and injustice in the world and wishing "somebody would do something about it." Suddenly

he felt the presence of God and a strong sense that he was being called to do something about it himself, not as an attorney but as a minister like his father and grandfather before him. He knelt down beside a fire hydrant and “answered God’s calling.” He then transferred to Centenary College where he began his studies to become a Methodist Minister. There he met and fell in love with a lovely young lady named La Verne Davis who was also the daughter and granddaughter of Methodist ministers and shared his commitment to serve in the church. They married in 1941 and moved to Dallas, Texas after Roy obtained his undergraduate degree from Centenary. He attended SMU in Dallas, managed the Oakcliff YMCA, and served as the Texas Methodist Youth Camp Counselor until entering the Army where he was an assistant chaplain during WWII.

After serving in the military, Roy completed his Master’s degree in Theology from SMU, was ordained, and entered the Louisiana Methodist Conference in 1948. His first church appointment was Blackwater Methodist just outside Baton Rouge. During his 45 years as minister he also served Cedar Grove Methodist Church Shreveport, North Baton Rouge Methodist Church, Simpson UMC Lake Charles, Elizabeth Sullivan Memorial UMC Bogalusa, Mangum Memorial UMC Shreveport, First UMC New Iberia, First UMC West Monroe, Pharr UMC Morgan City, St. Stephens UMC Bossier City (now part of Asbury UMC). At one point he served on the Methodist Board of Pensions. Rev. Mouser “retired” after serving at First UMC in Denham Springs. However, his idea of retirement was to take on 3 small churches at Pleasant Hill, Converse, and Pelican, preaching a 3-sermon circuit on Sunday mornings. He retired a second time in 1993 and lived for a while with his beloved wife in their private home in Shreveport until they settled in together at Live Oak Retirement Community.

Rev. Mouser’s sermon style was to connect current events, books, magazines, newspapers, and personal anecdotes with the teachings of the Bible, helping to make God’s Word relevant to today. He was by no means a “better-than-thou, fire and brimstone” minister. He shared his humanness, with faults and shortcomings as well as positive attributes. He was loving, compassionate and non-judgmental, believing “Let he who is without sin cast the first stone.” He counseled people from the point-of-view that although there is a right and a wrong, no person or religion has all the answers. He believed that only God knows the whole truth, and we have to go to God for those answers. He was known as an exceptional counselor for discussing individual spiritual pursuit. In the pulpit he preached the Methodist doctrine. He believed in and loved the Methodist church, his congregations and people in general.

Rev. Mouser had a very active evangelical period during the 60’s, traveling and organizing revivals regularly. He visited other countries providing missionary work. He organized and led trips to the Holy Land for parishioners interested in walking where Jesus walked and seeing where Christianity began. During that time, Oral Roberts asked him to teach English at the Oral Roberts University in Oklahoma, saying that he wanted “spirit filled” teachers on his staff. Rev. Mouser turned down the request because he knew he had been called to be a Methodist pastor and to preach from the pulpit.

Rev. Mouser was known for the courageous stands he took during the McCarthy era, Civil Rights movement, and Viet Nam War. During each period he risked going against the grain of mass public opinion expressing insights that have since become the majority consensus. In the mid fifties, after he had delivered a particularly courageous sermon addressing racism, his six-year-old child asked him "Daddy, what does 'integration' mean?" His answer was "It's about people being together, Honey, and we're for it."

Reverend Mouser was an avid speed-reader. The family remembers one 14-day vacation when although he fully participated with the family, he also read a dozen books. He had a brilliant sense of humor that cannot be overlooked when describing him. He was also well appreciated by sports enthusiasts, as he was sure to end the Sunday service on time with awareness of the days' impending game. Truth-be-told, he was a "diehard" Cowboys fan.

Roy Mouser—husband, father, brother, son, uncle, minister, friend, "Big Daddy" to his grandchildren and great grandchildren, shining example and hero to many, especially to all of his family—will be missed and well remembered. He touched thousands of lives and fulfilled his calling to "do something about it." The world is a better place because of him. And, if there is an even better place after this earthly life, which he did believe, then he is there. He has earned his reward.

Sherry Mouser

ROBERT W. PETERSON **OCTOBER 31, 1922 – DECEMBER 23, 2007**

Rev. Robert (Bob) W. Peterson was born on October 31, 1922 in Duluth, Minnesota. He was preceded in death by his parents, Corinne Hanson Vizay and Hans Jalmer Peterson. He was an only child. Bob entered Heaven on Sunday morning, December 23, 2007 in time to celebrate Christmas with his Savior. Bob was also preceded in death by his first wife, Betty Fontenot Peterson. Rev. Peterson is survived by his wife Robbie S. Parker Peterson of Shreveport, Louisiana; son, Rick Peterson and daughters, Renee Peterson Bolin of Lafayette, Louisiana, Terri Parker Marshall and Debra Parker Bolton of Shreveport, Louisiana. Bob is also survived by, as he referred to them, four beautiful granddaughters and four handsome grandsons.

Rev. Peterson faithfully served his Lord in the United Methodist ministry serving many churches in the New Mexico, Texas and Louisiana Conferences. Because of his age, he met retirement in June 1993 while serving First United Methodist Church in Kenner, Louisiana. After retirement Bob continued to serve the Louisiana conference by pastoring Ebenezer and Branch UMC's as well as preaching at United Methodist churches from New Orleans to Greenwood, Louisiana whenever he was requested to fill-in for other preachers. He retired again in November 1996 to visit the Holy Land with

Robbie. Later, he was privileged to host a last group to the Holy Land which he had done several times before.

Up until two months before his death, Bob continued to serve the Louisiana United Methodist Cursillo. He attended Cursillo No. 13 held at Tall Timbers Baptist Encampment. This was prior to the establishment of the Wesley Center in Woodworth, Louisiana. He believed strongly in the United Methodist Cursillo movement. He supported it with his prayers, presence, gifts and tithes. The Cursillo movement in Louisiana was special to Bob for what it means to hundreds of other people in Louisiana who have attended. He served as a Spiritual Director at many of the over 100 Cursillo weekend retreats held since he first attended. Bob preplanned his entire Service of Remembrance. He requested by name fellow preacher cursillistas to lead his funeral service in Shreveport and his graveside service at the Indian Bayou United Methodist Cemetery, Rayne, Louisiana. He also requested a very special cursillista pianist by name to play and a choir composed of fellow cursillistas to sing Cursillo songs at his Service of Remembrance.

Music was always a big part of Bob's life. The "Big Band" hymns were a part of his musical background. Out of Jefferson High School in Duluth, Minnesota he was a singer for several years with different Big Bands touring the Upper Mid-West; Minneapolis, Chicago, Kansas City and Omaha. After following different occupational ventures Bob felt a strong call into the ministry while he was living in Lake Charles, Louisiana. He quit all other ventures in his life and entered into the ministry in 1966 with his wife and two children. He attended Perkins Seminary at SMU, Dallas Texas.

Bob carried his desire and love of music into the ministry and would often break into a complimenting song during his messages. Combining gospel music and "popular" music all played an important part of his life (even up to the last Saturday night of his life on earth, December 22, 2007, he listened and sang along with the Lawrence Welk band on the TV in his hospital room). Bob always enjoyed singing and, he prayed that this Memorial Service, his own, will make you want to sing- so, Sing with all your Heart.

LLOYD EDWARDS SCOTT **JUNE 26, 1936 – JULY 16, 2007**

Lloyd Scott was born in Washington, D.C. on June 26, 1936. He was 4 years old when his family moved to Decatur, Georgia, where he went to school and grew up before marrying Diana Meyer in August of 1956. He was working for Abbott Laboratories during that time. They have six children, Mit, Patty, Steve, David, John and Christy. Lloyd changed jobs to sell ladies sportswear then moved his family to Ruston, Louisiana. He was very active in Trinity United Methodist Church and with the youth for many years. He KNEW God was calling him to something deeper. Lloyd said, "I KNOW that God wants me to grow and become strong in His love and truth, and that I may witness to this and share His love and truth with those whom He leads me to serve. I have come to believe that God has a plan for my life. I know that He is calling me to a deeper service. I want to be obedient to the will of God in my life. I know, deep down in my heart, He wants me to put Him first and serve Him in a new way."

Wanting to be obedient to the will of God, Lloyd went into the ministry of the United Methodist Church, being a Methodist all of his life. Lloyd went to License to Preach School and then to SMU in Dallas and then to Emory University for his Course of Study.

Lloyd served the Simsboro (now Memorial), Salem, and Antioch Charge; Bernice, Summerfield and Beech Grove Charge; Centenary and Indian Bayou Charge; Golden Meadow and Grand Isle. Lloyd then retired because of his health, but was asked if he

could serve Epps UMC. He served Epps for two years and felt he was not well enough to stay longer and retired a Georgian. After three years of retirement, he was asked if he would serve the Bartholomew/Beekman Charge which he did until his death.

Lloyd is survived by his wife, Diana, of just three weeks shy of 51 years, 6 children and 14 grandchildren.

BYRD LEE TERRY, JR.
JULY 10, 1929 – JUNE 10, 2007

I first met Byrd when he and I were students at Centenary College back in the 1950's. That friendship lasted until his death.

Byrd and I had some real vision for our ministry, some of which were dreams. We thought as young Methodist Evangelists that we would become little "Billy Grahams" and the churches we served would be required to put chairs in the aisles to accommodate the crowds.

It didn't take long for realism to take control. Being interested in the work of evangelism and associating with people such as the great Harry Denman gave us a heart for ministry through the years. We attended the many conferences on evangelism sponsored by our church. Neither of us would have ever dreamed I would become his District Superintendent. His last year of service after retirement was at the Wesley Chapel Church in Ruston. His eyesight became so poor he would bring his notes and scripture by the District Office and use our copy machine to enlarge the print so he could see them in the pulpit.

Byrd was loved and appreciated in all the churches he served. He was truly a servant of God to the people of God.

Byrd Lee Terry, Jr. was born July 10, 1929 in Mt. Lebanon in Beinville Parish to Byrd Terry and Myrtle Jones Terry. His father died when Byrd was young and he grew up living with his mother, grandmother and grandfather. Myrtle was a talented church musician as well as a teacher at Gibsland High where Byrd went to school and graduated. He grew up in a Christian home where he learned the value of the individual, an education and a sense of humor.

Byrd entered Louisiana Tech as an engineering student. It was during this time that he surrendered his life to the ministry. He entered Centenary College and graduated in 1958. During this time as a part-time student, he was appointed pastor of the Hilly and Salem Methodist Churches in Lincoln Parish. He spent much time driving from Shreveport to his parish, but the enthusiasm, vision, and joy with which God blessed him,

he shared with the congregation. On Saturday mornings he gathered the young boys of the community and they played ball and on Sunday led and worked with the youth of the churches. It was during these years that he married the former Janice Nobles.

Byrd graduated with a Master of Divinity from Chandler School of Theology of Emory University in Atlanta, Georgia in June of 1961. While in school there he served as an associate pastor of Mary Branhan United Methodist Church in Atlanta.

St. Francisville was Byrd's first appointment as elder in The Louisiana Methodist Conference. Later he served churches in Bernice, DeQuincy, Vivian, Monroe, Haynesville and Winnfield. After a year of retirement, he served two churches in the Ruston District.

John Bradford Terry was born while the family was in St. Francisville and Lee Gregory Terry's first home was in Bernice. Byrd and Janice moved to Ruston in 1997 and were near both their sons, their wives and four grandchildren.

Byrd will be remembered as a faithful servant and minister. His dedication to his heavenly father enabled him to meet difficult situations with grace and love. He enjoyed Bible study, travel, golf, and spending time with friends and family.

Byrd went to his heavenly home, June 10, 2007. The service of celebration was held in Trinity United Methodist Church in Ruston conducted by Rev. Fred Wideman, Rev. Rolly Walker, and Rev. Jimmie Pyles.

DEBORAH MARIE COLE VINING JANUARY 9, 1953 – JUNE 22, 2007

A Memorial Service of Celebration was held on Wednesday, June 27, 2007 at the Abbeville United Methodist Church celebrating the life of Deborah Marie Cole Vining, 54, who passed away Friday, June 22, 2007.

Deborah is survived by her husband, Rev. John L. Vining of Abbeville, two sons, Ryan Vining and his wife Karrie of Carlyss, Louisiana; and Andrew Vining of Abbeville; two grandchildren, Alyssa Tesh Vining of Carlyss, Louisiana and John Tyler LaCas of Monroe, Louisiana; and numerous nieces and nephews.

Deborah and John celebrated their 34th wedding anniversary on June 2nd just prior to her death. Words cannot begin to express the tremendous love and care that she gave as a wife, mother and grandmother, especially as a grandmother, for the light of her life was her granddaughter. They have a spiritual bond that simply cannot be explained other than

it is a God-thing. One thing that Deborah prayed for consistently was a reconciliation and reunion for Tyler with the family. That prayer was answered at Thanksgiving 2007.

Deborah was a teacher, having graduated from Northeast Louisiana University with a degree in Elementary Education. During her teaching career she taught at Caldwell Parish Junior High in Columbia, Louisiana; Oak Park Middle School in Lake Charles, Louisiana; Erath Middle School in Erath, Louisiana; and in the Masonic Lodge Dyslexia Program in Abbeville, Louisiana.

Most importantly she had a God-given gift and ability to teach. She could present matters of faith in a very practical, understandable and applicable way. She was instrumental in forming the Renegade Angels Sunday School class at the Abbeville United Methodist Church and taught the class for almost six years until the onset of cancer. She was a woman of great faith, deep prayer and immense devotion, wisdom and insight to the Scriptures.

At the time of her death she was working as a case manager for the Abbeville United Methodist Disaster Recovery Station. Her ministry in this work was to help clients recover and rebuild following Hurricane Rita. She had a natural love and compassion for the people in need and was able to translate that into tangible aid for them.

The support of so many covenant brothers and sisters in the ministry and from the Abbeville and Pecan Island churches for me and my family has been a blessing from God for which we are extremely grateful. The PPR evaluation even noted how the church had grown in doing and understanding of its ministry through her death as they reached out to us and took care of many of the regular ministerial duties. Even in and through her death, Deborah was still teaching.

SAMUEL WEAVER WALKER **OCTOBER 19, 1919 – MARCH 18, 2008**

Samuel Weaver Walker was born to Mary Robinson and Reverend James S Weaver on October 19, 1919, in New Orleans, Louisiana. Adopted at an early age, he was blessed to know and to be loved by Reverend Manassah R. Walker and Mrs. Lucy D. Walker as his parents. He grew up in the church parsonage and began his Christian journey early at Grace United Methodist Church.

He was educated in the public schools of New Orleans where he graduated from McDonogh 35 High School. After voluntarily serving in the U.S. Army from 1942 to 1944 in England and Germany, he completed his undergraduate work at Dillard University and later earned a Masters of Divinity degree from Gammon Theological

Seminary in Atlanta. Still later, he received an honorary Doctorate of Divinity from Gammon.

Reverend Walker met the former Gwendolyn Lawson while at Dillard. He found her to be a beautiful bride on August 20, 1952. Together, they lovingly raised three sons.

Reverend Walker was licensed to preach the Gospel of Jesus Christ three years after the Methodist Episcopal Church, The Methodist Episcopal Church, South, and The Methodist Protestant Church united to become the Methodist Church in 1939. The setting was Grace United Methodist Church, the occasion was the New Orleans District Conference, and the date was July 24, 1942. The late Reverend T.R. Albert was the presiding District Superintendent, Reverend T.R. Harris was the host pastor, and M. Black was secretary of the conference.

During his career in ministry, Reverend Walker led a number of Methodist churches in New Orleans, including Hartzell, Peoples, Mount Zion, Brooks, Bethany and Napoleon. He also served as pastor at Mount Olive in Bastrop, Newman in Alexandria, Wesley in Pineville, and Camphor Memorial and Neely, both in Baton Rouge.

To God's glory, Pastor Walker won many souls to Jesus Christ. Under his leadership churches grew and were able to purchase properties and to liquidate mortgages, to establish mission funds and building funds, and to plan for the future.

He helped to organize the Heritage Corporation in Baton Rouge. The group secured Federal funds to build an 82 unit Gold Medallion apartment complex for moderate income families at a cost of \$1,211,885.00.

In 1978, Dr. Walker became president of the Board of Directors of Lafon Nursing Home at a critical time in its 100+ year history. Under his leadership, Federal funds were again secured to build a new facility. At a cost of \$1,502,406, the new Lafon Nursing Home facility was completed in 1984.

Reverend Walker departed this life on March 18, 2008, following a brief hospital stay. Both he and his wife lived in Madison, Mississippi, following the Hurricane Katrina disaster. While there, he made a host of new friends who will miss him. He was dearly loved by family and friends. He would always grace social gatherings with a hearty appetite, a laugh or smile, and words of encouragement for any who needed them. He was preceded in death by his parents, Manassah Walker and Lucy D. Walker, and by his sister, Ara Mae Parker.

He will be missed by his wife, Gwendolyn Lawson Walker. Other survivors include sons, Robert N. Walker (Norma Jean) of Marysville, Washington, Samuel W Walker, Jr., (Vernadette) of Madison, Mississippi, Kenneth C Walker of Marysville, Washington; grandchildren, Avianca Walker of Pasadena, California, Samonne Walker Montgomery (Marcus) of Piscataway, New Jersey, Carissa Walker of Marysville, Washington, Elan Walker Patterson (Eddie Jerome) of Austin, Texas, and Samuel W. Walker III; sisters-in-

law, Shirley Edwards and Gloria Lawson of Detroit, Michigan, and Lucyjane Walton (John) of Baton Rouge, Louisiana; nieces, Marilyn Parker-Brooks (Leonard) of Los Angeles, California, and Kelly Walton of New Orleans, Louisiana; nephews, Candice Edwards of Detroit, Michigan, and Stanley Edwards (Pat) of Detroit, Michigan; and a host of grand nephews and nieces.

If you wish further explanation of the Conference Budget or any specific apportionment within it, please call or write the Treasurer's office. Our financial resources not only make possible ministry locally but also help make possible the broader ministry of Christ as we connect with all our United Methodist brothers and sisters to fulfill His Great Commission!

2. The Council reminds all congregations of the importance of STEWARDSHIP in the life of all Christians. Christ calls His disciples to give as an act of worship of God. We are called to be stewards of all that God has given to us. Paragraph 629.5e of the 2004 Discipline lists among the responsibilities in the area of Stewardship of the Conference Board of Discipleship "To educate the local church that tithing is the minimum goal of giving in the United Methodist Church. CFA calls upon the Conference Ministry Team, the Conference Board of Discipleship, and the District Ministry Teams to consider methods of assisting our congregations in developing a process of education in a theology of stewardship. The intent of this request is to enhance the ministry of our local congregations, our members, and our Conference and world ministries.

3. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference specials. All churches are to pay in full their designated apportionments before appropriating funds for second-mile projects.
4. Each pastoral charge is asked to continue support of Mt. Sequoyah, the South Central Jurisdiction Conference and Retreat Center, with a goal of \$35 per pastoral charge. Each district is to raise the amount based on the total number of charges in the district and mail it to the Conference Treasurer.
5. It is recommended that the Hancock Bank, Whitney National Bank, and Chase be designated as the principal depositories for funds of the Louisiana Annual Conference. Other financial institutions across the state are to be used for interest-bearing accounts. Authority to open accounts is given to the Conference Executive Director of Administrative Services/Treasurer and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Executive Director of Administrative Services/Treasurer, designated representative(s) of the CFA, and the Senior Pastor of First UMC, Baton Rouge.
6. The Council has contracted with William E. DeLoach, Certified Public Accountant of Baton Rouge, to audit the books of the Executive Director of Administrative Services/Treasurer. The auditor's report for the year ending December 31, 2007, is included in the Treasurer's Report found in this report.
7. We recommend that the pastoral charge consider a vouchered amount of \$7,200 for Pastor's Travel/Professional Expense and an amount of \$7,200 for Utilities/Housing expense for each clergy.
8. We recommend that the local churches pay on the moving expenses of incoming clergy an amount up to \$4,000. Churches are asked to budget this amount each year. Money not used for moving should be placed in an escrow account to assure such funds as needed. When the recommended amount is exceeded by the incoming clergy, that clergy should pay the additional costs.
9. We recommend that the Pastoral Charge pay the Travel, Housing and Meal expenses of its Annual Conference Members (Lay and Clergy) to attend the Annual Conference Session.
10. We remind the clergy of the Annual Conference who will move to another charge that they are to accept salary and expense only through the end of the conference year (May 31) from the charge they are presently serving except for Annual Conference expenses. The salary benefits and expenses paid at the new charge begin June 1.
11. The Council recommends that all clergy under appointment be compensated semi-monthly.
12. In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Conference Directors' residences and the district parsonages be considered a part of their cash compensation as "Housing Allowance."

- The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the Conference to send a "paid student" to the institutions.
- The Executive Director of Administrative Services/Treasurer is authorized to pay \$20,000 from the District Superintendents' Fund for expenses of Cabinet Meetings and up to \$1,000 for telephone calls involving appointments. The Executive Director of Administrative Services/Treasurer of the Conference is authorized to pay from the District Superintendent's Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pension requirement.

5. We recommend that each district provide at least three-fourth time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Executive Director of Administrative Services/Treasurer for the Council not later than April 15 following the previous fiscal year.
6. The compensation of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel expense, utilities allowance, housing allowance, professional expenses, and the Conference health insurance premium shall be paid by the Annual Conference. We recommend the following income be paid to the District Superintendents from the District Superintendents' Fund: Base Compensation for 2009, \$80,916 (see Conference Rules for the rule concerning salary); utilities/furnishings - \$7,200; an amount not to exceed \$3,600 to be drawn by voucher and used for professional expenses to cover the expense of Ministers' Week, Bishops' Week, Annual Conference, Continuing Education and other expenses that the District Superintendent incurs in carrying out the responsibilities of the office. 7. Each Council, Board, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body.

The Finance Officer shall receive all vouchers from members and shall approve and submit them to the Executive Director of Administrative Services/Treasurer. Vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Executive Director of Administrative Services/Treasurer within three weeks. In order to assist the Executive Director of Administrative Services/Treasurer to close the books and set up books for a new fiscal year, all Finance Officers shall submit final vouchers of said board and agency by December 12, 2008.

OFFICIAL VOUCHER POLICY FOR CONFERENCE BOARDS AND AGENCIES:

- **Travel** – Within the State of Louisiana – Travel Expense for Conference Boards and Agencies is set at a maximum of 20 cents per mile. When three or more members are traveling together, a maximum of 25 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 20 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used with this new provision: That an amount of \$500 per year be the normal limit for reimbursable travel expense for members of Louisiana councils, boards, commissions and committees who reside outside the state boundaries to attend regular meetings of their conference agency. This limit applies to funds that come from conference line item budgets. A Conference agency may vote to increase this amount if the members choose to make

an exception due to the specific need of participation by a particular member. This limit applies only to travel and not to per diem lodging and meal costs. Air travel must be supported by the air ticket stub.

- **Lodging and Meals** – Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations are suggested. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by receipts. The maximum per diem for lodging and meals will be \$80. Exceptions to the policy may be made only by the agency chairperson and Finance Officer.
8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Conference Rules for Rule on Annual Audits.)
 9. A balance at the close of the year in the Conference Benevolence Budget of any conference board or agency will be placed in the Conference Benevolences Reserve for the next year. The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different conference boards and agencies. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of conference funds. The Executive Director of Administrative Services/Treasurer and the President of the Conference Council on Finance and Administration shall continue to serve on the Investment Committee of the Louisiana United Methodist Foundation. Local churches and conference institutions shall consider using the Foundation for the investment of their funds.
 10. We recommend that the Louisiana Annual Conference Wesley Foundations be given basic support by a decimal item to be apportioned to the churches of the Conference. Amounts of the funds to be given to each Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry. With approval of the appropriate District Superintendents and District Councils on Finance and Administration, local Wesley Foundations may solicit additional funding from churches within the District(s) nearest their geographic location. Should a local church give additional funds to the Wesley Foundation, they should not be accepted until it is verified that the church has paid 100% to the Wesley Foundation apportionment the previous year. Otherwise, the Wesley Foundation must give those funds to the Conference Board of Higher Education and Campus Ministry as payment toward that church's apportionment. The Conference Treasurer will send to the campus ministers at the beginning of each New Year data showing each local church's financial record in their district for the previous year. A report must be made by the Wesley Foundation to the District Superintendent and the District Council on Finance and Administration of any churches giving such funds so as to assure 100% payment of the Wesley Foundation apportionments of the local church.
 11. The Conference Council on Finance and Administration recommends the following procedure for selecting and continuing with a Conference insurance broker:
Brokers selection is to be based on accessibility, reputation, selection of carriers, cost of product and knowledge of product including United Methodist General Church

Insurance. An Advisory/Search Committee of the Council on Finance and Administration will publicize through the *Louisiana NOW* when new opportunities or bidding on Conference insurance are available.

After a broker is selected, the broker will normally be retained for a minimum of three years. This term is considered beneficial because of the multi-faceted types of coverage necessary for a variety of persons, property and equipment. If the selected insurance broker's services are considered unsatisfactory or rates are considered excessive during a three-year cycle, the relationship may be terminated and the broker replaced.

The new selection procedure became effective January 1, 1995. This selection is to be utilized for each three-year cycle thereafter. The Advisory/Search Committee members will be the President of CFA; the Executive Director of Administrative Services/Treasurer, the Cabinet liaison to CFA; a representative of Conference Board of Trustees; and one other selected by the President of CFA.

12. The Council on Finance and Administration reminds all persons, clergy and lay, handling funds in local churches to adhere to Paragraph 259.4(e) of the 2004 *The Book of Discipline* which states:

"Contributions designated for specific causes and objects shall be promptly forwarded according to the intent of the donor and shall not be used for any other purpose."

This reminder is made by CFA although local churches and institutions are presently and have always been responsible for the proper use of funds.

13. The Council reports the following special grants were approved for 2007 from the General Contingency Fund:

Conference Administration Reserve	\$15,000
Episcopal Residence	\$15,000
Episcopal Retirement Gift	\$2,000

Independent Auditor's Report

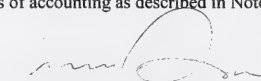

To the Conference Council on Finance and Administration
Louisiana Annual Conference
United Methodist Church
Baton Rouge, Louisiana

I have audited the accompanying statement of assets and net assets - cash basis of the Louisiana Annual Conference of the United Methodist Church as of December 31, 2007, and the related statement of revenues, expenses, and changes in net assets - cash basis for the year then ended. These financial statements are the responsibility of the Conference's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 2 to the financial statements, the Louisiana Annual Conference prepares its financial statements on the cash basis of accounting. This is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Louisiana Annual Conference as of December 31, 2007, and the changes in net assets for the year then ended in conformity with the basis of accounting as described in Note 2.

LOUISIANA ANNUAL CONFERENCE
UNITED METHODIST CHURCH

Notes to Financial Statements

For the year ended December 31, 2007

NOTE 1. Organization and Purpose

The Louisiana Annual Conference is an unincorporated organization of five hundred fifteen United Methodist churches located in Louisiana, and is one of sixty-three Annual Conferences of The United Methodist Church in the United States. The Conference elects a Council on Finance and Administration whose purpose is to "develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Conference. The Conference and therefore the Council, cannot financially obligate any organizational unit of the United Methodist Church except the Annual Conference itself".

NOTE 2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared on the cash basis of accounting. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles. Under the cash basis method of accounting, revenues are recognized when actually received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. The financial statements are a summary of the cash and investment activity of the organization.

Source of Revenue & Recognition

Churches in the Louisiana Conference are required to remit their apportionments to the Conference to support the programs of the United Methodist Church. The apportionments are then allocated to the categories as required by the General Council on Finance and Administration and in turn remitted to the General Council on Finance and Administration. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Financial Statement Presentation

The Conference has adopted Statement of Financial Accounting Standards No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Conference is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Income Taxes

The Conference is an organization of the United Methodist Church which is exempt from federal and state income tax and is not a private foundation.

NOTE 2. Property, Plant, and Equipment

The Conference's policy is to expense property, plant, and equipment at the date of acquisition which is a departure from generally accepted accounting principles. The property, plant, and equipment acquired by the Conference have not been capitalized and are not presented as a part of these financial statements.

Off Balance Sheet Assets

Non-cash gifts received such as estates and trusts are not recorded as assets until converted into cash.

Cash, Marketable Securities and Other Investments

Investments in marketable securities and other investments are recognized at current market value as determined by the financial markets as of year end. Investments include high grade corporate securities and U.S. Treasury securities with minimal risk and are not held for trading purposes. Investment income, investment expenses, realized and unrealized gains and losses are recorded as a component of current revenues and expenses and are not separately reported. The organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Contributed Services

The Conference does not recognize any support, revenue or expense from services contributed by volunteers.

NOTE 3. Pension Plan

The Conference contributes to a defined benefit plan for clergy with service prior to 1982. The plan is administered by the General Board of Pensions. Total fair value of pension assets was \$3,036,197. Total benefits paid was \$2,850,019.

The Conference also contributes to a defined contribution pension plan administered by the General Board of Pensions. The contributions for 2007 were as follows:

UNITED METHODIST CHURCH

Notes to Financial Statements

For the year ended December 31, 2007

(Continued)

NOTE 5. Concentration Risk

The Conference depends on support generated by the churches in the Louisiana Conference. Changing economic conditions that affect contributions from church memberships could impact the programs and operations supported by the Conference.

The Conference maintains account balances in excess of FDIC insurance limits in the following accounts:

Hancock Bank	\$398,439
Hancock Bank	1,834,911
Chase Bank	<u>129,212</u>
Total	\$2,362,562

The amount in excess of insurance limits is \$1,362,562.

NOTE 6. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 7. Storm Relief

Funds were raised by the Bishop's Appeal to temporarily support ministers and their families after their ministries were interrupted by the hurricanes. Funds were also raised to support the expense of clergy appointed to specific churches in the New Orleans metropolitan area that could not otherwise afford clergy staff.

BOARD OF PENSIONS**REPORT I****I. MINISTERS RESERVE PENSION FUND (MRPF)**

We recommend:

- A. That the funded annuity rate for 2009 be \$586.00 per service year. Benefits to surviving spouses of clergy shall be 75% of the annuity rate.
- B. That \$450,000 be apportioned to the charges of the Louisiana Annual Conference.
- C. The Conference Board of Pensions recommends that the "Past Service Rate for years prior to 1982 be maintained at no less than 1% of the "Denominational Average Compensation" or "Conference Average Compensation" whichever is greater.
- D. Payments made to the pension apportionment shall be exactly proportional to the amount paid on the clergy salary or salaries of a given charge, i.e. if the church does not pay the pension apportionment in full, neither should pastor's salary be paid in full. See Paragraph 621, *The Book of Discipline*.

II. CLERGY RETIREMENT SECURITY PLAN (CRSP)

We recommend:

- A. That Participants shall be all Clergy members of the Louisiana Annual Conference including Deacons and Local Pastors under Episcopal appointment to a charge. The Conference Board of Pensions includes in the Louisiana Conference plan Deacons as a definite and integral segment of the program. All local churches and United Methodist agencies who employ Deacons shall pay for the Retirement Plan in addition to salary.
- B. That Participants' Plan Compensation is the sum of: (1) cash salary (including tax deferred annuities and professional expense allowances) received from church-related sources; (2) utilities; and (3) housing allowance, or when a parsonage is provided, 25% of the Plan Compensation as the approximate value of that parsonage.
- C. That the church's contribution base be set as a percentage of plan compensation according to the following schedule: when plan compensation is \$1 - \$34,935, 12%; \$34,936 - \$61,000, 13.4%; \$61,001 - \$68,000, 12.4%; \$68,001 - \$75,000, 11.4%; \$75,001 - \$84,000, 10.4%; \$84,001 - \$96,000, 9.4%; \$96,001 - \$111,000, 8.4%; \$111,001 - \$128,000, 7.4%; \$128,001 - \$152,000, 6.4%; \$152,001 - \$180,000, 5.4%; \$180,001 and up, 4.4%.
- D. Contributions for each participant shall be paid directly by the paying unit to the Louisiana Annual Conference, 527 North Blvd., Baton Rouge, LA 70802-5720.
- E. Participants may contribute to the UMPIP with remittances made directly to the General Board of Pension, P.O. Box 4609, Chicago, IL 60680-4609. Clergy shall have his/her employer make direct deposit into a pre-tax or after-tax account, in accordance with federal government regulations. Further information concerning the United Methodist Personal Investment Plan may be obtained from the General Board of Pension, 1201 Davis Street, Evanston, IL 60201 (1-800-851-2201).

III. THE COMPREHENSIVE PROTECTION PLAN (CPP)

We recommend:

- A. That participants shall be all clergy in full connection, probationary, associate members or full-time local pastors under Episcopal appointment, who have a plan compensation of not less than 60% of the DAC or CAC whichever is the lesser.
- B. That the churches contribute, on behalf of each participant, an amount equal to 3% of the Plan Compensation as defined in II.B. up to a maximum of 200% of the DAC. Remittances are made directly to the Louisiana Annual Conference in conjunction with CRSP payments.
- C. Based on the Denominational Average 2009 Compensation (DAC) of \$58,226:
 1. Minimum Surviving Spouse Annuity Benefits - The surviving spouse of an active participant is eligible to receive a minimum pension of 20% of the DAC. The CPP will supplement pension payments as needed to assure the required 20% minimum benefit.*
 2. Surviving Child Benefits - Children under the age 18: 10% of the DAC* annually. Children between the ages of 18-25: 10% of the DAC* annually for up to four years, if enrolled in school full time.
 3. Death Benefits - Payable upon the death of an active participant: \$50,000. At retirement, the benefit becomes 30% of the DAC (\$17,468 for 2009). Payable upon the death of the spouse of a participant: 20% of DAC. Payable upon the death of a surviving spouse of a deceased participant: 15% of DAC. Payable upon the death of a child: 10% of DAC.
 4. Incapacity Benefits - 70% of Plan Compensation capped at 200% of the DAC, reduced, dollar by dollar, by disability benefits received from the Social Security Administration. Minimum benefit is 40% of the DAC.

*The amounts are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.

- D. The Conference Board of Pension and Health Benefits is recommending one of the options available to Conferences through the Comprehensive Protection Plan. Article 111, Section 3.02 (a) states that persons "appointed to less than full-time service" not participate in the CPP unless special arrangements are made. Special arrangements for such cases may be found in the "Plan" at Article 111, Section 3.03 (a).

The Conference Board can offer the CPP on an elective basis which allows the individual at less than full-time service (50% or more) to elect to participate. In such a case the individual participant would pay the 4.4% of compensation for which they would receive the death and incapacity benefit.

IV. THE BASIC PROTECTION PLAN (BPP)*

- A. The Louisiana Conference Board of Pension participates in the Basic Protection Plan, a supplement Death Benefit Program of the General Board of Pension. In

addition to the Comprehensive Protection Plan benefits, the designated beneficiaries will receive:

1. Upon the death of an Active Clergy a sum of \$10,000
 2. Upon the death of a Retired Clergy a sum of \$5,000
 3. Upon the death of the spouse of an Active Clergy a sum of \$5,000
- B. A person shall be a Participant in BPP if employed by a BPP plan sponsor and if he/she meets one of the following:
1. A clergy member (full, probationary or associate) of a Conference under full-time Episcopal appointment serving at 3/4 time;
 2. A full-time local pastor under Episcopal appointment;
 3. A clergyperson of another denomination serving 3/4 time;
 4. A clergyperson who has been granted Conference incapacity leave;
 5. Retired clergy who have been enrolled in BPP for five years prior as an active employee and who have retired according to the provisions of ¶359.1 (mandatory retirement), or ¶359.2a (with 20 years of service), or ¶359.2b (with 35 years of service or at age 62), or ¶359.2c (with 40 years of service or at age 65) of *The Book of Discipline* and retired full-time local pastors who have retired according to the provisions of ¶320.5 of *The Book of Discipline*.

V. OTHER DEATH BENEFITS PROGRAMS PROVIDED BY THE CONFERENCE BOARD OF PENSIONS*

The Louisiana Conference Board of Pensions also provides a Death Benefit under the following circumstances:

- A. That upon their death the designated beneficiaries of all active clergy with total compensation (base plus housing) of less than \$10,000 and all clergy with 10 years or more of service who are not eligible for a death benefit under any other death benefit plan be entitled to a \$5,000 benefit through the Conference Board of Pensions. This includes the beneficiaries of clergy with conference relationships of Part-time Local Pastor, Other Denomination, Non-conference, Full-time Local Pastors and Associate Members.
- B. That clergy eligible for the Conference Death Benefit of \$5,000 be notified of that policy by letter and that a time period of one year following the death be allowed for a claim to be filed.

*The Death Benefit Programs that are a supplement to the Comprehensive Protection Plan are an additional financial obligation of the Louisiana Conference Board of Pensions. The Board has been able to increase these benefits and continue raising the per service year rate as a result of favorable earnings from Pension reserves and without increases in the local church apportionments.

For further information concerning pension benefits and payments contact the Conference Office of Administrative Services at (225) 346-1646.

THE LOUISIANA CONFERENCE (THE "CONFERENCE") ADOPTS THE FOLLOWING:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, Pensions or other amounts paid to active, retired, and incapacitated Clergypersons are considered to be deferred compensation and are paid to active, retired, and incapacitated Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for retired and incapacitated Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or incapacity payments received from plans authorized under *The Book of Discipline of the United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the year 2008 by each retired or incapacitated Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT, the pension or incapacity payments to which this rental/housing allowance applies will be any pension or incapacity payments from plans, annuities, or funds authorized under the *Discipline* including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that a retired or incapacitated Clergyperson of this Conference rendered to any local church, annual conference of the church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or incapacitated Clergyperson’s pension or incapacity as part of his or her compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolution) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such

year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Time used for Continuing Education, as defined by *The Book of Discipline* of the United Methodist Church and according to the rules set by the Conference Board of Ordained Ministry, shall not be considered as vacation time or used in lieu of vacation time. Vacation time is on a conference year basis. Vacation time not used in one year cannot be carried over into the next year.

Days Off Policy:

The Annual Conference's policy is that each local church's Pastor-Parish Relations Committee establish a days off policy with the pastor(s) of the charge. The minimum standard for days off is as follows: 2 days per week and 2 nights per week. Additional time should be set aside each week for prayer and study for the pastor's use.

Churches should encourage their pastor(s) to participate in physical exercise programs, good nutrition programs, and to get regular checkups with their doctors.

This policy is to be printed each year in the Journal of the Louisiana Annual Conference. The Cabinet of the Louisiana Annual Conference will send a copy of this policy to the Chairperson of the Pastor-Parish Relations Committee in each District.

REPORT VI

LOUISIANA ANNUAL CONFERENCE FUNDING PLAN

FOR SUPPLEMENT ONE TO THE CLERGY RETIREMENT SECURITY PLAN

AS OF JANUARY 1, 2008

The 2008 Past Service Rate (PSR) for the Louisiana Annual Conference is \$566 or 1.0% of Denomination Average Compensation (DAC). The conference intends to maintain the PSR at or above 1.0% of CAC. For the past ten years, ignoring the one-time compensation corrections, the CAC has increased by an average of 3.5% each year and we expect that pattern to remain rather stable. Therefore we expect future PSR's to increase by an average of 3.5%.

The General Board of Pension and Health Benefits has determined that the portion of the pre-82 plan liability attributable to the Louisiana Annual Conference is \$34,049,053 with a 3.5% PSR increase assumption, based on a 2008 PSR of \$566. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$42,022537 as of January 1, 2006.

The difference between the total plan liability and current plan funding is 7,973,484. This represents an over-funded plan asset.

The funding plan as of January 1, 2008, for the 2008 funding plan is summarized below: Supplement One Liability Assuming

A PSR Increase of 3.5%.....	\$(34,049,053)
Current Plan Funding	<u>42,022,537</u>

CONFERENCE MINISTRY TEAM

The Louisiana Conference has continued to share the love of Christ Jesus to our world through word and deed. The boards, commissions and committees of the Conference Ministry Team are actively engaged in ministries in Louisiana and beyond that are offering hope, faith and renewal to God's children, our brothers and sisters.

Among the many accomplishments included in the following reports are these:

- Three new church starts in the Baton Rouge District. The new church starts are meeting and exceeding the benchmarks leading to their launches.
- Christian Education efforts have been expanded through the leadership of our new part-time Conference Director.
- Senior adult, young adult and single adult ministries have continued to develop plans and begin programming for Conference churches and members.
- The Safe Sanctuaries resolution presented at the 2007 Conference Session has been re-designed, and will be included in the recommendation for the United Methodist Property and Casualty & Trust program at the 2008 Conference Session. (Please see Resolution at end of this report.)
- Disaster Response and Disaster Preparedness efforts continue as an important part of our Conference Ministry begun following the 2005 Hurricanes, Katrina and Rita. Over 47,000 volunteers have come thus far to assist the Louisiana Gulf Coast. We anticipate our ministry to continue thru 2010, perhaps longer.
- Strengthening the Black Church and Hispanic/Latino ministries are on-going opportunities that we are expanding through leadership and programming efforts.

These are only a few of the many signs of our faithfulness through mission and ministry. Please read the reports, remembering the many people who have been touched by God's love and grace.

We are grateful for the benefits of our leaders and staff represented on our programming boards. We give thanks to those who rotate off this ministry group, those who continue, and those who will be added in the new quadrennium.

Finally, we offer thanks for the support of our local churches through the 100% payment of the General Church and Conference apportionment. This response provides the funds necessary to translate dreams into reality.

**RESOLUTION ON SAFE SANCTUARIES/RISK REDUCTION POLICIES IN
THE AREA OF PREVENTING ABUSE**

WHEREAS Jesus' call to all who believe stated in part that "whoever welcomes (a) child ... welcomes me" (Matthew 18:6) thus acknowledging the importance of children and youth in God's Kingdom; and

WHEREAS the physical and emotional safety, as well as the spiritual growth of all God's children and youth, is a priority of the Louisiana Annual Conference; and

WHEREAS the Louisiana Annual Conference is committed to the holistic well being of each child, youth, and adult entrusted to us through its organization and individual congregations; and

WHEREAS these congregations, districts, and agencies in ministry are often entrusted with children and youth by their families; and

WHEREAS the resolution Reducing the Risk of Child Sexual Abuse in the Church was adopted in 1996 and reaffirmed in 2000 and 2004 by the General Conference of The United Methodist Church, thus becoming the impetus for all Annual Conferences and congregations to implement abuse prevention policies;

THEREFORE, BE IT RESOLVED THAT:

- 1) By their regularly scheduled Audit 2009 every church/charge in the Louisiana Annual Conference of the UMC will have adopted a written *Safe Sanctuaries* policy for the reduction of the risk of abuse that will include the minimum standards set forth in the Louisiana Annual Conference Policy Manual for the Reduction of the Risk of Abuse and reflect a critical engagement of risks unique to each Congregation's setting. Thereafter, a copy of the policy, and proof of compliance (via form provided) shall be submitted annually to the District Superintendent at Annual Audit. New churches constituted after January 2009 will have one calendar year from the date of constitution to comply with this policy.
- 2) By January 15th, 2009, every UM related ministry within the bounds of the Louisiana Annual Conference not covered by a local church policy that has a regular or significant ministry to or with children and/or teens (Including but not limited to: Camps & Retreat Centers, Campus Ministries, Children's homes, Centenary, Dillard, CCYM, DCYMs, etc) will have adopted a written *Safe Sanctuaries* policy for the reduction of the risk of abuse. Copies of these policies, and proof of compliance (via form provided), shall be maintained in the local ministries as well as the Conference Office of Connectional Ministries. Such policy will include the minimum standards set forth in the Louisiana Annual Conference's Policy Manual on the Reduction of the Risk of Abuse and reflect a critical engagement of risks unique to each ministry's setting. New ministries/entities beginning operation after January 2009, shall have their policy written before operation begins.
- 3) Churches/Ministries in non-compliance face one or more of the following consequences at the discretion of the Bishop and Cabinet:
 - a. No assignment of pastoral leadership or immediate replacement of current pastoral leadership or assignment of (at the church's/ministry's expense) additional leadership (to be assigned by the Bishop & Cabinet) charged with the responsibility of bringing the church/ministry into compliance and/or ...

- b. The withholding of other Conference sponsored support. (Including but not limited to: conference/district funds, equitable compensation grants, SAM grants, services of any Conference board or agency, YSF grants, etc) and/or ...
 - c. Other consequences as may be deemed appropriate by the Bishop and Cabinet.
- 4) The Conference Ministry Team (or successor/designate) will hold a training event for each district by December 2008 and then at least once quadrennially thereafter. Such event will cover, minimally, the information contained in the Louisiana Annual Conference Policy Manual for the Reduction of the Risk of Abuse and a process for ministries "personalizing" their policies.
 - 5) The CMT shall appoint a task force to oversee all details of training, maintenance, and Policy Manual content of an ongoing, conference-wide risk reduction policy.

Implementation Notes:

These notes represent our task force's understanding of, and recommendations for, the implementation of the attached Resolution on Safe Sanctuaries/Risk Reduction policies in the area of Preventing Abuse. We see these items as crucial to the effective implementation of this resolution even though we choose to include them as an addendum to the Resolution itself. We hope it will provide clarity and understanding.

I) It is our intention that prior to the training sessions required by # 4 our task force will meet with, and train, the cabinet in regard to the general expectations of the policy manual and specifically, the Compliance Reporting Form. Our vision is for each Superintendent to add one person to their district's audit team who will be specifically responsible for collecting the Compliance Forms. It is our hope that these persons will be chosen from the ongoing Sexual Ethics Task Force that will be determined by the CMT. If compliance auditors are chosen from other than task force members, the task force would train such person to recognize compliance issues that should be brought to the DS's attention. These compliance forms and policy copies will be maintained in the District Office for a minimum of 3 years then archived appropriately according to Conference Policy.

II) It is our belief that when pushed, churches will move into compliance. #3 A. is seen as an effort of last resort. Obviously, change in, or lack of, pastoral appointment is an extreme measure. It is reasonable, however, for the Bishop and Cabinet to appoint a member of the task force, or some other knowledgeable person, to work with a local church in writing their policy. We envision this to be a concentrated effort where the "consultant" would work on location with the local church over the course of a week or two to write the policy. Expenses such as room & board and possibly a small honorarium would be paid by the local church.

III) Any concerns raised by the annual compliance form will be:

- Shared immediately with the person submitting the compliance form.

- Reported by the auditor (on a form provided) to the District Superintendent by the end of the audit day.
- Reported by the auditor (on a form provided) to the Director of Connectional Ministries within a week of the close of the audit.

The District Superintendent will contact the churches/pastors in noncompliance within 30 days of the audit to ascertain how the church plans to move into total compliance. The church will have 30 days from the District Superintendent's contact to show the District Superintendent that the church has moved into compliance. Failure to do so will result in the District Superintendent reporting the church to the Bishop and Cabinet for appropriate action.

BOARD OF CHURCH AND SOCIETY REPORT

Sub-Chairs, and I, are pleased to submit a report to our Louisiana Annual Conference for 2007 – 2008. In last year's report we submitted our four (4) goals for the ensuing year: 1) To encourage each local church in our Conference to lift the World AIDS Day special offering December 1, 2007, or where possible; 2) Encourage more of our local United Methodist churches across the Conference to lift the "Peace With Justice" offering; 3) We ask more, or if possible, all of our local United Methodist churches to study the "Social Principles" of the United Methodist Church; and 4) Fourth and finally, for our local churches with ministerial and lay-leadership to help eradicate racism and poverty in Louisiana. What happened? With the assistance of the Holy Spirit and trust in God, we accomplished things that had not happened before.

Accomplishments:

The Louisiana Conference exceeded our Global AIDS offering by giving more than \$129,028 to fight the AIDS problem in Africa, United States and other countries.

More of our local United Methodist Churches in Louisiana lifted the "Peace With Justice" special church-wide offering enabling our Conference to raise more than ever before in Louisiana. This meant the General Board of Church and Society and our Conference could award more grants in Louisiana and across the United Methodist Church to help meaningful ministries continue in local churches and communities.

There was significant number or increase in local churches studying our Social Principles of the United Methodist Church. We submit, this number should increase and we should not be satisfied until all of our churches are involved in this important study.

The Reverend Lyndle Bullard, our United Methodist minister in Jena, Louisiana at Nolly United Methodist Church, addressed our Board relative to racism and the problem in Jena. He shared with our Board how the churches in Jena are addressing racism there and solicited our prayers.

Our Board will still conduct racial dialogue on racism in Jena, New Orleans and from whatever District in our Conference that invites us to do so.

Hunger and Poverty

God is moving in our time to liberate millions of people from poverty and hunger. The world is making progress in the fight to end extreme poverty. Worldwide the number of people living on less than \$1 a day is 980 million. This is the first time since 1981 the number of people living in extreme poverty had dropped below 1 billion. STILL, 854 million people worldwide do not have enough to eat.

The number of children under five who die each year has dropped below 10 million for the first time since 1960. STILL 28,000 children under five die every day from preventable causes, more than half of them hunger-related.

Two million people are receiving antiretroviral medications to treat HICV and AIDS, increasing their ability to lead productive lives and care for their children. STILL approximately 33 million people are living with HIV/AIDS in the world; 68 percent live in sub-Saharan Africa. (Facts from BREAD FOR THE WORLD).

Pray for the world's people to have enough food, good health and the means to lift themselves out of poverty. Pray for our elected officials to stand up for people struggling with hunger and poverty. Call or write your representative or senators.

Living Faith – Seeking Justice

Four persons from Louisiana attended the General Board of Church and Society national Conference, November 1-4, in Fort Worth, Texas. Inspiring speakers, moving worship services, and practical workshops made it a fruitful conference.

Jena 6

Through reports from Reverend Lyndle Bullard, the Board has been following the events in Jena, Louisiana, drawing international attention. The church and leaders have helped draw people together to overcome the barriers of racism and walls of fear. Reverend Bullard asks for our continued prayers and visits.

Peace With Justice Grants

Our thanks are extended to all of the churches which received the Peace With Justice Offering in 2007. One half of the funds that we raise will remain in Louisiana for ministries in Louisiana. The date for this special offering in 2008 has been set for May 18, 2008. You made it possible for us to have to distribute to date the amount of \$9608.46. In 2006-2007, we made the following grants: 1) Reveille U.M.C. Monroe, La,

Community Playground \$2000; 2) Asbury U.M.C. Natchitoches, La, Asbury Roots Genealogy Project, \$2000; 3) "Ministry in Motion" Wesley Foundation at Grambling State University, \$1000; 4) Dillard University was granted a \$1000 grant to help finance a study of the possible toxic effects flood waters from Hurricane Katrina had on New Orleans.

Application deadlines are May 16, 2008 and September 1, 2008. Application forms can be received from Reverend James Graham at P.O. Box 288, Natchitoches, La 71457. Priority consideration will be given to churches that support this ministry.

Concerns

As we close this report, we are deeply concerned about the many issues that confront our United Methodist Church and Society. In addition to hunger and poverty, there is still a critical need in healthcare, housing, gambling, Alcoholism, drugs, etc.

In conclusion, let me say it has been a joy to serve Jesus Christ, the United Methodist Church and so many persons through our efforts as Board Chair these past few years. I shall be in continued prayer for the new Chair, new Board Members and the entire Board of Church and Society and United Methodist Church in the years to come. I encourage the Ministerial and lay-leaders and entire Louisiana Conference to read and re-read Micah 6:8; Matthew 25:35; James 2:14-17 and I Corinthians 13.

BOARD OF DISCIPLESHIP

The purpose of the Conference Board of Discipleship is to foster and promote a holistic approach to the development of Christian disciples. Many of the areas of ministry fall under other areas in our Conference, but your Board of Discipleship is here to help strengthen ministry in Louisiana in any way possible.

In the fall of 2007, the Board of Discipleship facilitated two workshops on the book This Holy Mystery. Many thanks to Asbury UMC and Jonesboro UMC for serving as our hosts. Provost Don Cottrill and Rev. Juan Heurtas did an excellent job of leadership. The Board of Discipleship would also like to thank Ms. Rhonda Whitley for her amazing work toward this endeavor.

Several ideas are being discussed for workshops in 2008.

Each year the Board presents to two persons the Harry Denman Evangelism Award. These awards honor one clergy person and one lay person who are reaching others effectively for Christ. In 2007 our recipients were Rev. Joshua Milliron and Ms. Sarah Marsalis. Congratulations to them for their outstanding efforts in evangelism.

The Board of Discipleship has made contributions to the scouting ministry of the Annual Conference as well as to Gulfside Assembly and Dillard University. Please call on us if we can serve you as we proclaim the gospel of salvation in our world.

CHRISTIAN EDUCATION

This past year represented the first time in a number of years that Christian Education was given the full attention of a staff member, rather than time shared with other positions. This provided the opportunity to explore new options for engagement throughout the conference. Christian Education plays a part throughout the ministry and life of the local church, and as such the Director of Christian Education has been available to local churches for consultation and facilitation of instruction and resources.

The goals for the year were to:

Establish or reestablish Christian Education connections throughout the conference, further communications through the use of print and electronic options, create a conference wide advisory council for Christian Education, and assist other ministry areas in the development of their educational areas.

As of this report, meetings have been completed or are scheduled with Christian Education leaders in each of the districts. In a few of the districts, Baton Rouge, Monroe and Shreveport, conference-wide training events have been offered and well attended by those from that district as well as other districts. The first meeting of the Advisory Council for Christian Education was in April, and that group is formulating ministry ideas for the new quadrennium.

Christian Education opportunities throughout the conference were announced in LaNow and on the Louisiana Conference Website. Many articles emphasizing Christian Education and its role within the local church have been published in LaNow.

For the first time a Conference wide preview of Vacation Bible School curricula for 2008 was held. Seventy representatives throughout the conference gathered at the Wesley Center to look at a variety of curriculum and to meet others in the conference that did similar work. A Children's Ministry forum was held in the Monroe district in October, which was well attended, and featured a nationally known comedian for entertainment. In January, a workshop on Family ministry in the Baton Rouge district featured a speaker from the General Board of Discipleship. Confirmation Day with the Bishop continued this year with over 400 young people in attendance. Christian Education also assisted in the annual leadership training for Volunteers in Mission, by assisting with a redesign of their instructional materials.

For enrichment and continued advancement of Christian Education the Director of Christian Education attended a number of seminars in the area of Christian Education.

This included a seminar with Brian McLaren at Southern Methodist University in Dallas, the United Methodist Publishing House open house, the biannual meeting of the United Methodist Association of Scholars in Christian Education held in Portland, Oregon and Children's ministry forum in Dallas. Finally, I have been selected to serve on the Incubator for Christian Education by the General Board of Discipleship for the approaching quadrennium.

This has been a very exciting year for Christian Education, and it is my prayerful hope that is indicative of the future for Christian Education for the Louisiana Conference.

BOARD OF GLOBAL MINISTRIES

Over the past year, the Board of Global Ministries has emphasized the revitalization of its programs and ministries and also continued supporting missions locally and around the world.

The SAM Grant Program was reorganized by including participation from the District Mission/Outreach Coordinators. It is now more in line with the Conference Cabinet objectives. The Town and Country Ministries and Program were enhanced by rewarding the recipients with materials that further enhance their educational/ministerial skills. The Cuban initiative was expanded to incorporate needed assistance to professors and students of a new theological Methodist seminary and to strengthen links with LAVIM teams. The Cambodia Initiative supported advocacy efforts to provide the growing Cambodian mission, leaders and missionaries with more opportunities for covenant relationships with our churches. The Russian Initiative continued supporting the congregation of the First UMC of Ekaterinburg in their spiritual and construction endeavors. The Revolving Loan Fund Program has trim-lined its process for reviewing and approving loan requests. This program makes low-interest loans, unsecured loans to churches and other institutions for extension needs such as buildings, renovations, purchases of major fixed equipment and purchases of land.

Please see the various reports from ministries of the Board.

Your missionaries receive their salary support from three primary sources: about 1/3 comes from your church faithfully paying its World Service Apportionment; about 1/3 comes through the Women's Division of our United Methodist Women; and 1/3 of the missionary's salary support has to come from churches like yours in Covenant Relationships. You don't have to be a rocket scientist to figure out what happens to our missionaries without your church's Covenant Relationship. Please go to <http://new.gbgm-umc.org/about/us/mp/missionarysupport/> to find detailed information for your church and Covenant Relationships; or go to <http://new.gbgm-umc.org/work/missionaries/biographies/> to discover the biographies of our missionaries and their places of service or phone GBGM at 1.800.GBGM.UMC (1.800.862.4246).

In addition to missionary support, the Louisiana Annual Conference gave an additional **\$399,092 to missionary projects** with our General Board of Global Ministries which includes the United Methodist Committee on Relief (UMCOR) projects. And in particular, the UMCOR Depot in Baldwin, Louisiana (Advance #901515) received \$2,314.00 in 2007 from our conference churches.

CAMBODIA MISSION INITIATIVE

I am grateful to report the mission initiative of the churches of our Annual Conference is growing in Cambodia! In 2007 more than 30 of our conference churches gave over \$81,000 for projects and over \$27,000 in missionary support to Esther Gitobu (13959Z) and Nicholas Gitobu (13077Z)! A very good year for this vital expression of the General Board of Global Ministries, the missions arm of the United Methodist Church.

The projects you are continuing to support include outreach to HIV/AIDS patients and their families and orphanage; outreach to the children of the Phnom Penh dumpsite who garner recyclable products for sale at the Viet Nam border; new national programs for Methodist Youth and Methodist Women; the Pig Project; Faith Engine Ministries (FEM) which trains and equips every three months 18 unemployed high school graduates with automotive, driving and people skills; and a dozen more projects extending the mercies of Christ to the Khmer people. Over 170 Methodist churches along with 75 preaching stations (emerging churches) are the fruit of "the People called Methodist of Cambodia"!

Our most recent Volunteers in Mission team, led by Rev. Larry Norman, LaVIM Director and Dr. Sylvia Reimer of Waterford, New York, was a medical mission to the Kampong Chhnang Province about two hours north of Phnom Penh. A seasoned medical team of 12 health care professionals and 6 helpers came alongside the missionary staff and Khmer pastors and laity in caring for over 1,800 patients in five days. Of the patients, more than 100 referrals were made for follow-up care to the Provincial Health Directorate with a number needing immediate hospitalization and surgery. This connection could not have been made for the poor without the Methodist Mission Center staff, especially Irene Mparsuta from Zimbabwe, Esther Gitobu from Kenya, and Erica Mire, a short-term volunteer from St. Matthew's UMC in Metairie working closely with our medical mission LaVIM team.

And finally, the Spean Chivit, "The Bridge of Life" Methodist Church was formally dedicated February 17, 2008. The dedication was tentatively scheduled on three previous occasions but obstacles prevented it. What a joy to see this vibrant vital church effectively reaching the next generation of leaders in strong youth and children's ministries among the Khmer people of Cambodia. Construction was begun in 2006 and completed in 2007. Over \$57,000 from Louisiana United Methodists made this work possible between 2004 and 2006. Today, Pastor Yin Dina and his family lead this work.

With a special gift from First UMC Baton Rouge a new church will be going up in 2008 in Cambodia, and pledges from others are making it possible for the construction of two additional churches in Cambodia. Thanks be to God! Two missions are tentatively set for 2009 with Rev. Ann Sutton and Susan Dungan leading a Medical Mission for February 2009 and Archie Corder leading an education and construction team in December 2009.

Doug Milliron, Coordinator

CUBA INITIATIVE

This has been a very active and exciting year for the Louisiana Cuba Initiative. In November of 2006, the Cuba Initiative helped sponsor a Louisiana Volunteers in Mission construction team that went to help build a new church in the small town of Boca de Camarioca, Cuba. Then in July of 2007, a sister church team from Broadmoor UMC of Shreveport returned to the new church at Boca. This team held a Vacation Bible School for the children of the church and community.

In November 2007, another Louisiana VIM team returned to the church at Boca to again help with the new church building. The group was able to help add part of the roof, assist in completing a bathroom, and finish some of the walls. Part of the group was able to sleep in the new pastor's study, the only completed room in the church building. Some of this team was part of the LAVIM Cuba Team in 2006 that helped lay the foundation for the new church. We are seeing this new church coming to completion.

Other Louisiana United Methodist Churches also participated in sister church relationships. Blackwater UMC hosted the pastor of Havana Central Methodist Church who came and visited their church. In January 2008 members of Blackwater went to Havana Central to join them in celebrating their 100 year anniversary. St. Charles UMC also visited with their long time sister church Park Temple Methodist Church in Jovellanos, Cuba. Broadmoor UMC in Baton Rouge is currently establishing sister church relationships with four small churches in the Matanzas District.

In September 2006 a new Methodist Seminary was established by the Cuba Methodist Church called the Centro Cristiano Metodista de Estudios Teologicos. The Louisiana Conference was the first United Methodist Conference to reach out to assist the new seminary. In January 2008, Rev. Roberto Chaple, vice rector of the new seminary, visited Louisiana as a guest of the Cuba Initiative. Along with local church visits and a visit with Bishop Hutchinson, Rev. Chaple visited with the dean and faculty members of Perkins School of Theology, with the president and representatives of Centenary College, and held conference calls with the president of Iliff School of Theology and representatives of Duke School of Divinity. These contacts have opened doors to further relationships between these Methodist institutions of higher learning.

As the Cuba Initiative is a part of the Louisiana Board of Global Ministries, a request was made to help the new seminary. Funds from the 2007 LBGM budget were made available to assist with the everyday functioning of the struggling seminary. Through the work of the Cuba Initiative, the relationship between the Louisiana Annual Conference and the Cuba Methodist Conference continues to grow strong.

REPORT OF THE REVOLVING LOAN FUND

The Revolving Loan Fund was established in 1974 to make low-interest, unsecured loans to churches and institutions in our Conference for extension needs such as construction,

building renovation and repairs, purchase of major fixed equipment and the purchase of land. The maximum loan amount is \$8,000 for churches and institutions less than 5 years old. For all other churches and institutions the maximum loan amount is \$6,000. The maximum repayment term is 10 years for new churches and institutions, 8 years for churches that report attendance of 30 or fewer at the principal weekly worship service, and 5 years for all other borrowers. The loans are interest-free the first year, 2% interest is charged on the unpaid balances at the beginning of the second year and third year, and 4% is charged on the unpaid balances at the beginning of the fourth and remaining years of the loan.

At the end of 2007, there were 11 loans outstanding with balances totaling \$41,065. Loan applications and additional information are available from the Finance Officer of the Conference Board of Global Ministries at 1009 Parkway Dr., Natchitoches, LA 71457, (318) 352-6955.

Monty Townsend, Finance Officer

RUSSIAN INITIATIVE

The immediate goal of the Louisiana Russian Initiative is to fulfill the duties and responsibilities of a partnership with the First United Methodist Church of Ekaterinburg, Russia. The Louisiana Russian Initiative provides support for the congregation and staff of the First Church of Ekaterinburg at a crucial time of political and religious unrest in Russia and will assist in giving stability and credibility to a growing church. The continuing vision is to give the church and its leaders the resources they need to bring the Word of God to the congregation and the unchurched and make the First United Methodist of Ekaterinburg a district focal point for the Ural Mountains and the Siberian regions.

There were two trips to Ekaterinburg this past year. In June, a delegation of fourteen spent a week in Ekaterinburg leading in Vacation Bible School, participating with the Russian Methodists in a study of Henri Nouwen's book, Life of the Beloved, and sharing in worship. Rev. Ken Irby preached at the Sunday morning service. A particular highlight of this trip was distributing food baskets to the elderly of the church. Because of rising food prices, the elderly have been severely affected. Their constant pension has made it impossible to keep up with inflation. The Louisiana delegation purchased bulk items of food, prepared the baskets for delivery and made several deliveries. Another event that took place was visiting the orphanage for special needs children and role playing Bible stories for the children.

The second trip this year took place over the Christmas Holidays. The delegation of nine also distributed food, took part in worship, and held several days of Vacation Bible School. A particular noteworthy event of this trip was the starting of Sunday School for the church. Since the church did not have a history of Sunday School to draw on, this was a challenge. There were about 30 that attended. Our delegation felt encouraged

because even getting to church can be difficult in the winter. This particular Sunday there was ice and snow everywhere and the temperature was in single digits.

The next trip to Ekaterinburg will be June 10th – 22nd, 2008. An additional component of this trip will be working in the flats of the elderly who live near the church. Additional construction will take place around the church as well as Bible study for adults and Vacation Bible School for children.

Please continue to keep the members and ministers of the First United Methodist Church of Ekaterinburg, Russia in your thoughts and prayers.

LOUISIANA DISASTER RECOVERY MINISTRY

Our ministry began in the wake of two hurricanes (Katrina and Rita) and two floods in the aftermath of these storms. In the first 9 months after these disasters, we focused on a three-part plan. The first part was to bring relief to 1/3 of our annual conference; the second part was to organize both the relief and recovery ministries and the last part was to focus on the long road to recovery that will take both time, volunteers and funding.

In the last twelve months your recovery ministry has been focusing on the long-term response. In this response we have accomplished much in the name of The United Methodist Church.

The LAUM Disaster Recovery Ministry is functioning through 3 stations (Southwest in Lake Charles; Abbeville and Southeast in the New Orleans Metro area) and three substations (Dulac Community Center; North Rampart Community Center and Buras) to serve a client base of approximately 10,700 families.

In the New Orleans vicinity, we have completed the merger/consolidation of our four stations into the Southeast Recovery Center on Read Blvd. This merger involved the consolidation of staffs, client files and tool/equipment inventories. Our combined staff at that location is now working on the merging of all files in order to best serve the remaining clients. Our stations housed at People's Community Center, Aurora and Kenner UM churches were closed. Project offices will be opened on a temporary basis within the areas of concentrated construction work. A project office continues to operate at Aldersgate UM church and we are building an additional volunteer house at their campus. We have signed a sublease agreement and developed a memorandum of understanding with North Rampart Community Center, following the renovation and dedication of that facility.

In Abbeville, we closed the Delcambre Warehouse and are preparing the wrap-up of operations at that station scheduled for August, 2008. A skeleton staff of case management personnel will complete our recovery efforts there.

Our Lake Charles Station continues to face a shortage of volunteers. Efforts for recruiting at that location have not resulted in a major increase of volunteer help. LFRC grant monies received there have made continued construction progress possible.

In Dulac, the Friendship House was completed and dedicated. The LFRC grant monies received have enabled us to quickly serve many clients with roofing needs. We have signed a Memorandum of Understanding with the Dulac Community Center and look forward to continued ministry together.

Our clients represent the “least, last and lost” and no preferential treatment is shown to members of our denomination. We are utilizing the CAN (Coordinated Assistance Network) database to track the progress of each client’s recovery. Our case manager supervisors and station managers participate on a consistent basis with area Long Term Recovery Committees and roundtables to secure all available assistance for our clients. We have closed approximately 7,488 cases to date and have more than 3,473 cases active and pending. A Compassionate Care Calls program has begun which allows volunteers from various areas around the country to make a personal contact with those who are waiting for assistance.

Each station location provides full case management service and assistance and is supported by the construction efforts of volunteers overseen by operations staff. To date we have overseen the efforts of more than 3,320 teams with 47,440 volunteers. This unprecedented volunteer response represents more than 2.2 million hours of work. These volunteer hours equate to an in kind donation of more than \$41,532,950. In the past year we have hosted teams from 49 states and 8 countries. Sixty-two of the 63 United Methodist Annual Conferences have deployed teams to Louisiana. Our volunteer numbers continue to increase and indicate a multi-year commitment from other churches and companies. During the months of February thru June, 2008 we are hosting more than 7,385 volunteers who are our workforce for the rebuilding efforts.

Accomplishments and celebration of work in the past year.

- ❖ We received Louisiana Family Recovery Corp (LFRC) grant funds, \$2,700,000 of which we spent almost \$2,000,000 on building supplies and unmet needs by January 31, 2008.
- ❖ Completed construction services on more than 2000 homes.
- ❖ Hosted and provided work projects for more than 23,000 volunteers.
- ❖ Rebuilt a home in memory of two VA Tech volunteers who were killed last April.
- ❖ It has truly been a great accomplishment to manage volunteers with the skills and expertise they bring to this ministry.
- ❖ It has truly been a great accomplishment to continue spreading the word that volunteers are needed to bring hope.
- ❖ I get so excited with joy when I learn or witness a homeowner, especially the seniors, moving back into their homes.
- ❖ Development of Case Management Standardizations, inclusive of new official documents to insure uniformity of records as well as best practices policies.

- ❖ Case Management has provided a presence throughout the state. Satellite sites exist in Buras, Dulac and DeRidder.
- ❖ We have partnered with the nationally renowned Martin Luther King, Jr. School and have a case manager assigned to the site to work with clients from the Ninth Ward. The case manager is particularly suited to this area as he grew up in this neighborhood as well as having served as a principal in the city. He is in collaboration with the area's community leaders to better serve the citizens of the Ninth Ward.
- ❖ The merging of case managers has broadened and enhanced service delivery. This initiative has enabled one team to concentrate exclusively on the LFRC funding while the other team has continued to work with clients that do not meet eligibility criteria for LFRC. The merging has also allowed staff the capability to work special projects as well as back up other case managers to insure continuity for the clients.
- ❖ The Case Management Administrative Assistant position now includes CAN coordination. This will allow a unified and conclusive data base for better service delivery and assignment. The CM Administrative Assistant will also have the ability to assist the case managers in their CAN management.
- ❖ Staff participation in Early Response Training conducted by Disaster Preparedness Committee.
- ❖ The case managers at each site have made a concerted effort to work towards reducing the number of clients waiting for assistance.
- ❖ Case Management has obtained in excess of a million dollars in funding for our clients from other entities around the state. It has secured funding in excess of \$175,000 and purchased five mobile homes for five families in Plaquemines Parish.
- ❖ Case Management has demonstrated a presence at area Roundtables as well as Long Term Recovery Tables and has secured funding from Southern Mutual, United Way, Red Cross, Salvation Army, and Mennonites, as well as from individual churches and individuals.
- ❖ Nominated a family to Extreme Makeover Home Edition for a rebuild.
- ❖ Expanded the Compassionate Care Call program to not only encompass the Lake Charles area but the Dulac clients as well.
- ❖ Chaplin and Director of Case Management trained class in MA to conduct Care Calls.
- ❖ Established written protocol for implementation of Care Calls.

Goals that are a priority for the upcoming year.

- ❖ Continue engaging volunteers to make a difference by volunteering. The goal is to keep an average of 200 volunteers per week working at the Southeast recovery Center.
- ❖ VIM & Disaster Ministry teaming together to get local people to work during the month of August in Lake Charles and New Orleans.
- ❖ To establish a data base inclusive of all cases in Louisiana Conference.
- ❖ To utilize a further reduction in the number of open/pending cases.

- ❖ To specialize case managers to better utilize their gifts and talents as well as tailor the clients' need(s) to the specialized case manager.
- ❖ To establish quality assurance/accountability to insure we are truly servicing the "least, last and lost".
- ❖ To access with greater frequency Means to Recovery Funding
- ❖ To establish principles for self care of case management employees.
- ❖ To initiate partnership with a special commission in disaster recovery to assist with recovery for case managers around the state who are survivors.
- ❖ To begin quality control and CAN mobilization.
- ❖ To continue to offer professional development for employees.
- ❖ To utilize our "rover case managers" more fully throughout the conference.
- ❖ Developing a strategic plan which would include an analysis of the greatest "service or need" areas in NOLA.
- ❖ Expanding the realm of case management to place special emphasis on those most in need, including renters, the aged, people with special needs and children.
- ❖ Establishing vulnerability points in determining eligibility and triaging of cases.
- ❖ Case Management Supervisors to be more visible in the field by accompanying case managers.
- ❖ To insure all Case Managers have a copy of the official Expectations of Case Managers signed in personnel files.

Concerns and Challenges

- ❖ Our greatest challenge in the coming year will be maintaining the level of volunteers necessary to complete construction jobs in our files. Currently more than 75% of our teams are returning teams. The relationships they have established with our employees, hosting churches and clients are evidence of the hospitality we have shown and are a blessing to us. We are hoping to gather the stories of our volunteers this year in order to document the life changing experiences we have shared.
- ❖ Now that FEMA is removing people from trailers, many of these people will want to begin to seek assistance. These new calls may present new work loads for home repairs.
- ❖ Due to the closure of UM-KAT, there will be an abundance of people suffering and in need of services. The concern is there may be a "spike" in applications once the partnering agencies close their doors.
- ❖ Not accepting too many new clients for services.
- ❖ Abbeville site with three active case managers having the ability to close over 300 cases in the next six months.
- ❖ Compassion Fatigue with staff and available Employee Assistance to counter-act the effects of serving.
- ❖ Ability to reach clients who have fallen through the gaps.
- ❖ Strengthening collaborations within the community to better serve as advocates for the people we serve.

- ❖ Insuring that recovery plans do not focus on rebuilding only but on the overall recovery of clients.
- ❖ Availability of resources in Southwest Station, Dulac Station and Southeast Station in the New Orleans area.
- ❖ The number of persons who have not recovered.
- ❖ The increasing number of people we serve being diagnosed with psychological, physical and mental disabilities.

We have one warehouse located in Iowa. A new volunteer housing site has been build for the New Orleans Metro area. We rely on the hospitality of many churches within the areas affected by the 2005 hurricanes. These churches continue to provide housing for our volunteers. In addition, we are working in collaboration with the Women's Division of GBGM at St. Mark's Community Center and the Dulac Community Center. Our partnership with the Mission Zone cooperative parishes and pastors continues to bless us. Sound teamwork and collaborative efforts have been the primary factors responsible for the effectiveness and success of our recovery efforts. We pray that the continued development of this ministry will be in line with God's will and direction for us as we serve.

We have continued to employ 58 persons: 24 Cases Managers; 12 Construction Managers; 4 Stations Managers; 2 Directors (Operation and Case Management); 1 Manager of Volunteers; 3 Financial Personnel, 11 Administrative Assistants and 1 Executive Director.

We are grateful to the congregations of the Louisiana Conference and of the entire connectional church for the support of volunteers and finances. Hundreds of people are being blessed because of the faithfulness of United Methodism. To you, and to our great United Methodist Churches world-wide, we say "Thank You" for your dedication to be examples of Christ in this present world.

"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can." John Wesley

A Financial and Volunteer Update from Katrina and Rita Response September 1, 2005 thru December 31, 2007

It has been a little over two years since the hurricanes of 2005 hit the Louisiana coast. Those events of nature changed our focus of attention in Louisiana generally and in the Louisiana Conference specifically. As you well know, the ministry that has evolved following those storms has greatly affected our work as an Annual Conference. We continue to be grateful to the United Methodist connection for all of the help that has come and continues to come our way. The United Methodist Committee on Relief, individual Annual Conferences, local congregations, and thousands of individuals have offered their money, time and talent to the recovery cause. There are no words to convey our gratitude for this outpouring of the Holy Spirit through the actions of God's children.

This brief article is a way to report on our current progress in the area of Humanitarian response and relief to the victims of Hurricanes Katrina and Rita. This is only the side of our efforts that reflect the ministry to those in need; the Church Recovery efforts are a separate issue that will be addressed in an later article.

The relief and recovery identified here tell the story in numbers only. These numbers are only a small snapshot of the "real response" that comes through the stories of lives changed and restored, of volunteers who have received their own untold life-changing experiences, and of the impact on the spiritual renewal of individuals and communities throughout the Gulf Coast. Please read the numbers, but look between the lines for the faces of countless thousands who have been recipients of the love of Christ in action.

DISASTER PREPAREDNESS

We continue to promote a culture of preparedness in relation to the known fact that there will be a disaster of some type somewhere in our immediate surroundings at some point in time. The reason most communities are never prepared to deal with the trauma associated with disasters is because they do not have a plan. Through preparedness and planning, disaster response can be effective and organized. NEVERTHELESS, PLANNING IS PART OF AN ONGOING PROCESS, WHICH SERVES TO REMIND

US THAT CARING FOR PERSONS AFFECTED BY A DISASTER IS CONTINUOUS-
EVEN WHEN THE IMMEDIATE CRISIS HAS SUBSIDED.

Our Annual Conference is committed to providing planned care to our brothers and sisters during their time of crisis. This means that every local congregation, clergy member, District Superintendent, and the Bishop all have a part to play in bringing relief.

Every crisis is loaded with opportunities for ministry. As United Methodists we are called upon to respond to the serious needs of the community when they experience a disaster. There is a Holistic Disaster Cycle which includes opportunities to:

- EDUCATE* and build awareness about the different kinds of disasters.
- PREVENT* the disaster that can be prevented in the first place, such as human caused technological disasters like toxic waste contamination.
- MITIGATE* or take steps to lessen the danger wherever and whenever possible.
- PREPARE* for when (NOT “if” a disaster will happen, including the recovery of survivors and communities-not only physically but spiritually and emotionally as well. It is imperative to deal with the **WHOLE PERSON** and the **WHOLE community**.
- RESPOND* to those affected or stricken by disaster- not just “our own” but anyone- especially those who are most vulnerable; children, the elderly, those with disabilities, the impoverished and anyone else with special needs. Effective response is a key to proper and adequate preparation.

With this in mind, the Disaster Preparedness Director in consultation with the Disaster Preparedness Committee will:

- Develop - continue to develop policies and procedures for disaster preparedness and relief within the bounds of the conference
- Conduct disaster preparedness training and develop materials
- Advise the Resident Bishop on the extent of any current disaster
- Coordinate with UMCOR to provide monetary assistance, training and administrative assistance to local relief initiatives

Even as we continue to recover from Hurricanes Katrina and Rita which occurred almost three years ago, we are in the preparation mode. It is literally a matter of “when” the next disaster will take place and of what nature it will be. All of us are encouraged to establish and maintain an ongoing relationship with those in our communities who work with disaster relief. This step is extremely important in order to avoid waiting for a disaster to occur to meet our neighbors!

The current district Response Coordinators are as follows:

- | | |
|-------------------------------------|------------------------------|
| Acadiana- Rev. Scott Bullock | Alexandria- Mr. Cliff Kelly |
| Baton Rouge- Mr. Walter Parker, Sr. | Lake Charles- Rev. Sue Pugh |
| Monroe- Rev. Newton “Bo” Horne | New Orleans- Mr. Frank White |
| Shreveport- Mr. Ron Feaster | |

To quote from an UMCOR document, “unfortunately some United Methodist church leaders don’t recognize potential tragedy within the borders of their annual conferences. These are the ones who dismiss concern by saying ‘we’ve never had any disasters here’. They would rather devote time and energy to more immediate business than plan for the improbable. ‘If something happens, we’ll deal with it then’.”

We now know that “the improbable” can and quite often will happen. The moral and legal reasons to be prepared are vital issues to bear in mind. When we take seriously our ministry to relieve suffering, then we United Methodists must do all we can to prevent further victimization of already hurting people.

Freddie C. Henderson, Director

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

We are pleased to report that we have campus ministry happening at 13 campuses in our conference. We have made campus visits to all of these locations and have reviewed detailed reports from each unit. Our annual Fall Review in which each campus ministry unit has an opportunity to present its ministry to the Conference Board in front of the other campus ministries has been one of the most exciting two day learning experience one can imagine. All of our units would make our founder, John Wesley, proud that they have continued his call to practice the faith and share the gospel. Our units are raising up a new generation of disciples and training them to live out the gospel in their lives and in their chosen careers. As more of our campus ministries move toward full time campus ministers, they are able to be young adult resource centers to area churches.

We are excited that the general church recognizes the importance of young adult ministry. One in five young adults have no religious affiliation. Even though 80% have some kind of affiliation with a church or religious community, 55 % are unchurched in the sense of being uninvolved in a church. Only 29% of people in their 20’s attend church weekly. The proportion who talk about religion with their friends is highest among young adults in their twenties. Campus Ministry is at the center of most of our colleges where they are making decisions about faith, values, vocation, and family relations. We need to continue to support this important ministry and expand it to all our campuses. One of the ways to expand this ministry is for a local church (or group of churches) to extend its ministry to the local college. Local churches may apply for program grant money to do campus ministry where there is no United Methodist presence on campus. We have reserved funds for special local church campus ministry grants. Requests should be sent to the Chairperson of the BHECM. Grants are made for one semester at a time and must be approved before the beginning of the semester.

Future plans include a Louisiana Collegiate retreat February 6-8, 2009. Our campus ministers have prepared a DVD on Louisiana Methodist Campus Ministries which will be available at Annual Conference. Although the 2008 apportionment is \$660,000, this only represents 48.6% of their combined budgets. We have \$5.4 million dollars in property on 9 campuses. Our 11 campus ministers serve a combined student body of 121,960

students plus faculty and staff. This conference has a substantial property investment and an awesome challenge to proclaim the gospel in such a vital part of our community. Lives are being changed and spiritual leaders are being developed through campus ministry. John Wesley started the Methodist movement at Oxford College. That spark continues to ignite excitement through campus ministry today both on campus and into our local churches.

BOARD OF LAITY

As another quadrennium draws to a close, the laity of the Louisiana Annual Conference have much to celebrate, and much more to eagerly anticipate, as we continue through God's sanctifying grace and guidance to grow in our faith, to respond to His call to make disciples of Jesus Christ for the transformation of the world, and to be true to our conference mission to raise up spiritual leaders.

The pages that follow contain the reports of the officers of your Conference Board of Laity, which highlight the efforts and accomplishments of laity-led programs in the past year. These officers deserve our sincere gratitude for their leadership, and are to be commended for their diligent discipleship and service for the past four years.

The Board of Laity Nominating Committee has met, and offers the following nominees for offices of the Board for the next quadrennium:

Conference Lay Leader: Dr. Sarah Kreutziger

Associate Lay Leader: Mrs. Joyce Robinson

Secretary: Ms. Marverne Terrell

Treasurer: Mrs. Glennell Cottrill

Daughenbaugh-Matheny Scholarship Chair: Mrs. Carolyn Dove

Director of Lay Speaking Ministries: Mr. Tim Hebert

Bob Lay Memorial 1000 Club Chair: Mr. Walter Weiss

Committee on Rules and Organization Chair: Mr. Ruben Vaughn

At-large member nominations, as well as additional nominations for the above positions, will be accepted from the floor during the laity session of Annual Conference, prior to the election of new officers and members for the next quadrennium.

A highlight of this year's lay activities was the biennial Bishop's Laity Retreat, the theme of which was "Making A Difference In Your Church's Future," held on March 14-15 at the Wesley Center. Dr. Lovett Weems, Distinguished Professor of Church Leadership and Director of the Lewis Center for Church Leadership at Wesley Theological Center in Washington, D.C., was the keynote speaker for the event, and his discussion topics included "Provocative Questions for the United Methodist Church," "Leading Lasting Change in the Church," and "Congregational Leadership in the Wesleyan Spirit." Over 100 laity received valuable insights and advice from both Dr. Weems and Bishop Hutchinson, which will be of great practical benefit in serving and leading their local

churches. An informal reception also allowed participants to thank Bishop Hutchinson and Kay for their friendship, leadership and service to our conference.

At the time of preparation of this report, elected lay delegates were busy preparing for both General Conference, to be held April 23-May 2 in Fort Worth, Texas; and the South Central Jurisdictional Conference, to be held July 16-19 in Dallas, Texas. The General Conference (the top policy-making body of our denomination) will consider and act on almost 1600 petitions seeking to revise the United Methodist Book of Discipline or to take an official, denominational stance on moral, social, public policy and economic issues. The work of the Jurisdictional Conference will include the election and appointment of a new Bishop for our Louisiana Annual Conference, to replace Bishop Hutchinson, who is retiring. Lay delegates to General Conference are George Anding, Anita Crump, Sarah Kreutziger, Carolyn Dove, and Terrel Deville. These delegates will also serve as delegates to Jurisdictional Conference, along with Jurisdictional Conference lay delegates Rachel Scott, Jarred Williams, Joyce Robinson, Pete Aguila and Fred Loy. Alternate delegates are Tim Hebert and Fane Peeples. A report summarizing the work of General Conference will be given during Annual Conference.

A special treat during this year's Annual Conference will be the annual Laity Breakfast, benefiting the Daughenbaugh-Matheny Scholarship Fund. This year's keynote speaker will be Rev. Katie McKay, a former D-M scholarship winner and now a clergy member of our conference. Laity are encouraged to buy their tickets early for this popular event. Tickets may be obtained from all district lay leaders, and will be available at pre-conference meetings.

There will be occasion during the laity session of Annual Conference to offer appropriate thanks to all of our district and conference lay officers and leaders. Our sincere appreciation, however, goes to all of our conference laity, who labor selflessly and sacrificially in response to Christ's call to go out into our communities and throughout the world, to make disciples and to share God's love. May God grant his richest blessings to you, to our clergy, and to His great church.

George "Buzzy" Anding, Conference Lay Leader
Sarah Kreutziger, Associate Lay Leader

LAY SPEAKING MINISTRY

All districts are busy conducting Lay Speaking schools, and turning out some outstanding speakers. Some Certified Lay speakers say that they are called on to fill pulpits, and some are never called. In the Acadiana District we had those beginning the latest school fill out a questionnaire about whether they are called on, and whether they are willing to be called on for serving in the pulpit. I think it would be a good idea for other districts to ask these questions.

The Acadiana District held Lay speaking classes, both basic and advanced, on February 23 and March 1, 2008. They are trying to conform to the instructions in the books to

have the 10 hours of instruction stated in the literature. These classes were held in Lafayette at Asbury UMC. The basic course was taught by Jane Blackwell and John Evans and the advanced course, "Lay Speakers Tell Stories", was taught by Rev. Clifton Conrad. Classes will again be held on September 6 and 13 at First UMC in Thibodaux.

The Alexandria District held classes on September 8, 2007, and these consisted of one basic and two advanced for Adults. They are planning classes again on September 6, 2008, at First UMC in Pineville, and will include both basic and advanced.

The Baton Rouge District held their classes on February 8, 2008. These classes consisted of a basic class taught by Rev. Jessie Means, an advanced class, "Lay Speakers Lead In Stewardship", taught by Dr. Ken Reed and Rev. Kip Shuford, an advanced class, "Lay Speakers Tell Stories", led by Rev. Darlene Moore, and an advanced class, "Lay Speakers Lead in Evangelism", led by Rev. Constance Saizon. Including both basic and advanced classes they had 61 students participating. Congratulations Baton Rouge!

The Lake Charles District held their classes on December 11, 2007 at First UMC. They included a basic session led by Christie Brammer and an advanced class led by Rev. Dale Hensarling. They are planning classes for late Spring and Fall of 2008.

On November 3, 2007, Monroe District held Lay speaking classes at Memorial UMC in Monroe, and there was a basic class and an advanced class, which was "Serving From the Heart", taught by Rev. JoAnn Sims Cooper. They plan to hold classes again in April 2008.

On October 26, 2007, the New Orleans district held Lay speaking classes. These included a basic class, an advanced class on, "Lay Speakers Lead in Prayer", an advanced class on, "Lay Speakers Lead in Stewardship", a class for youth on Evangelism and an Hispanic class. They were held at Cornerstone UMC in New Orleans East. The district plans their Spring classes for April 19, 2008, and will include both basic and advanced.

In April of 2007 the Shreveport District held an advanced class, a basic class, and a Youth class. On Friday, April 18, 2008, 5:30 p.m. – 9:00 p.m. and Saturday, April 19, 2008, 8:30 a.m. – 4:00 p.m. the district will hold classes which include, the advanced class, "Preaching Without Notes", led by Rev. Jonathan Beck, the advanced class, "Lay Speakers Tell Stories", led by Rev. Lynn Malone, and the advanced class, "Lay Speakers Discover Spiritual Gifts", led by Diane Caldarera. They plan to have a basic class in the Fall.

DAUGHENBAUGH-MATHENY SCHOLARSHIP FUND

The Daughenbaugh-Matheny Scholarship Fund once again can celebrate the faithfulness and accomplishments of our District leaders. They have been creative in using new and innovative methods of raising funds for our Board of Laity scholarship program. The

Daughenbaugh-Matheny Scholarship benefits Louisiana United Methodist students at both Centenary College and Dillard University, our two state United Methodist higher education institutions.

We were able to award twenty-one scholarships to conference youth for the 2007-2008 school year. Two students are attending Dillard University and nineteen are attending Centenary College. We salute Lynette Viskozki of the Financial Aid Office at Centenary College for her assistance to our scholars. We have had a difficult time establishing contacts in the financial aid office at Dillard, but will continue our efforts.

Our goals for 2008-2009 are:

1. Publicize the Daughenbaugh-Matheny Scholarship in each district.
2. Ask Dillard and Centenary to list this scholarship on their web pages.
3. Continue to look for new ways to sustain the funding of this program.
4. Increase the number and amounts of each scholarship awarded.

We encourage every Louisiana United Methodist student attending either Centenary or Dillard to apply for this scholarship. The scholarship can be renewed annually while attending one of these institutions, by maintaining a 2.5 GPA and continuing to participate in the church.

We will continue this work for the glory of God. Supporting students attending our church-related higher education institutions is an important opportunity to train our young people for leadership roles in our church community.

BOB LAY MEMORIAL 1000 CLUB REPORT

The Bob Lay Memorial 1000 Club was initiated under Conference Lay Leader Bob Lay in 1952. This unique program's main goal was to provide funds to help build new churches in the conference. Laity were called on to contribute 3 times annually to support new United Methodist Church congregational development. Some churches do one call a year while others continue to do three calls a year.

The call for 2007 for the Bob Lay Memorial 1000 Club is a new church start in Livingston Parish. The new church will be located in the Walker- Denham Springs area. The new Church Planter is Rev. Leslie Stephens. She is a trained Church Planter and is doing a wonderful job in getting this wonderful mission achieved.

Brochures that were put together prior to conference were distributed to every delegate at the 2007 Annual Conference. Also, each District Office has been sent additional brochures. So the indication I have gotten is that all the Districts were aware of their expectations and were working toward a successful call.

The 2008 Call will be announced at the Annual Conference. Brochures will also be distributed as was done at last year's annual conference. Each District has a quota and

should already be working toward achieving the District quota. We need each District to step up to the plate and meet the quotas for our respective Districts. The Chair, along with the District 1000 Club Chairs, are encouraged to take a more active role in raising the goal of **\$75,000** for this Conference year.

The Quota for each district is as follow:

<u>District</u>	<u>Quota</u>
Acadiana	\$5,713.58
Alexandria	\$5,427.08
Baton Rouge	\$14,817.60
Lake Charles	\$7,301.40
Monroe	\$10,064.70
New Orleans	\$16,812.30
Shreveport	\$16,812.30

UNITED METHODIST WOMEN

The organized unit of United Methodist Women shall be a community of women whose **PURPOSE** is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

Accomplishments and Celebration

The year has been an exciting and busy one for us as those seeking to fulfill the purpose of our UMW. Our first celebration for this year as a community of women was held all over the free world as **UMW SUNDAY** on January 28, 2007. UMW members led worship services in all welcoming United Methodist Churches. This global celebration helps communicate our unity as advocates for One God with emphasis on world peace.

Our second celebration as a community was held February 23-24, 2007 at the Wesley Center. This was the **LA UMW CONFERENCE RETREAT** led by South Central Jurisdiction President Pat Cobb and her team. They led a spirit filled adventure as we received our directive of the "Great Commission" and honored many who have already gone into the world telling the story of Jesus and his Resurrection victory!

In June, at the Louisiana Annual Conference of the United Methodist Church, there was an **AWARDS LUNCHEON**. Our UMW Conference Vice President, Edna Hickman, received the United Methodist Women's Award for her outstanding work and tireless devotion to UMW. Our Baton Rouge District President, Dolores Giles, received the Sojourner Truth Award for the strength and power of her work and witnessing. We are justly proud of our honorees. The ability to carry out the Great Commission was further strengthened by the celebration in education and spiritual growth at the **SCHOOL OF CHRISTIAN MISSION** in July. The role of music in mission came alive as we sang praises to God and sang the messages of the Resurrection Story. The other studies about Israel, Palestine, and also, Globalization, made us aware that we must raise our voices to sing over the walls that separate us if we are to go forth to tell the Resurrection Glory! Congratulations to Dean Jan Dickerson, Assistant Dean Evelyn Martin, and their team for a tremendously successful School of Christian Mission for 2007!

DELT was a great success. District Elected Leaders Training continued the many innovative methods introduced to us last year. That same leadership, Tillie Shows and Beverly Cox, added Dolores Giles to this year's team. The combination of fun, fellowship, and education focused on our categorical training needs as officers.

District Presidents responded to the challenge to organize new units, new circles, and to keep the Teen/College/University units vibrant. We have just cause to celebrate the

accomplishments of the grassroots members from local units across the Conference as they actively fulfill the mission of Christ. They are the faithful foundation upon which all other structures depend.

To culminate this reporting for UMW, we salute the joyful triumph in celebration at our **LOUISIANA CONFERENCE UNITED METHODIST WOMEN'S THIRTY-FOURTH ANNUAL MEETING**. A drama written and presented by Tallulah's FUM Church and a choral presentation by **HERITAGE** brought the Resurrection Women an emotional and spirit filled worship environment. They gave motivational meaning to our mission. UMW members who experienced these worship presentations expressed awe and appreciation in superlatives! This was followed by reports of all areas of concern that documented active support of mission. We were blessed with the worship experience and encouraged by the reporting. The very special speaker for Annual Meeting was our own Kathleen Carter Conrad. She has accomplished many levels of success as a dedicated servant of God's Mission. A true example for UMW Resurrection Women, she represents Louisiana as a Director of the Women's Division. She serves in International Ministries and Membership and is a Reading Program Evaluator. She presently serves on the board of directors for the General Board of Global Ministries of the United Methodist Church. Congratulations to Baton Rouge District Dolores Giles and her team for an excellent Annual Meeting!

VISION AND GOALS

We will continue to obey the Great Commission to go into all the world with the salvation story of our Lord Jesus Christ. We will follow His example of caring for the needs of others here on earth with food, shelter, clothing and other missions as we go about the greater task of transforming lives.

Harriette Tucker Elrod, President

COMMISSION ON RELIGION AND RACE

Praise God for all that God has done! The Commission on Religion and Race met in October of 2007 to consider the direction and purpose of the Commission and, whether or not we were meeting our purpose in the Louisiana Annual Conference. As the chair of the commission I would like to celebrate the opportunity that I had to meet with the South Central Jurisdictional Commission on Religion and Race in November. This meeting was insightful in that I was able to see what other conference commissions were doing to assist in narrowing the gap between the marginalized members of the conferences and the conference power bases.

One goal that I would like to set for the Louisiana Annual Conference is to have the incoming commission members, or the Chair of the Commission, attend the SCJ CORR training which will occur during Bishop's Week at Mt. Sequoyah. It is my hope that this

will jumpstart the process of formulating plans for combating the negative impact that racism has on not only our conference, but the greater church as well.

The CORR also celebrates the \$500 dollar raise in its annual budget to assist in conducting workshops pertaining to issues of conquering the racial divide experienced by the minority members of the Annual Conference.

Clifton C. Conrad, Sr., Chair

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Accomplishments and celebration of work completed:

COSROW continues to provide ongoing leadership in the areas of inclusiveness of all groups within the life of the church, issues of sexual misconduct and sexual ethics, and in developing safe sanctuaries for children and youth in the church.

We celebrate a successful luncheon at annual conference with Dr. Martha Orphe, Director of the Mission Zone, as guest speaker. The Sojourner Truth Award was presented to Ms. Dolores Giles. There were 15 women clergy being commissioned, ordained, or who completed Course of Study who were recognized. There were over 80 persons in attendance at the luncheon.

Daily monitoring was conducted by COSROW at annual conference and results of the previous day's monitoring were reported the next day. Some of the areas monitored were the participation rates of male/female, racial/ethnic persons, young people and clergy and laity.

COSROW participated in the development of a code of sexual ethics for clergy which was presented to the Board of Ordained Ministry. COSROW was also involved in the revision of the sexual misconduct policies of the conference and the development of safe sanctuary policies and procedures for implementation to be presented at this session of annual conference by the Conference Ministry Team.

The Sexual Misconduct Response Team continues to work in the conference when issues of sexual misconduct in local churches arise.

Goals and priorities for the upcoming year:

For the upcoming year, COSROW's goals are:

- To support the development and implementation of Safe Sanctuaries policies and assist with training as needed;
- To raise awareness about monitoring and issues of inclusiveness in the conference, and to provide monitoring for all sessions of Annual Conference with results given daily during the session;
- To support and assist the Sexual Misconduct Response Team and assist with training and coordination;
- To support the Clergywomen's retreat;
- To continue to explore the needs of clergywomen and clergy spouses.

Concerns and Challenges

The need for required training for new clergy entering ministry around the issues of sexual ethics is a concern and challenge for our conference, as well as ongoing training for local churches on the development and implementation of policies and procedures relating to issues of sexual misconduct, boundaries and safe sanctuaries.

Items for Action

COMMITTEE ON COMMUNICATIONS

Although the central focus for conference communications remained with the restoration of the Mission Zone and the efforts of the Louisiana United Methodist Disaster Recovery Ministry, we were once again able to strengthen communications efforts within the conference and throughout the connection.

For another year, the Louisiana Annual Conference received grant funding from United Methodist Communications (UMCom) for an Igniting Ministry statewide billboard campaign in Lent of 2007. We have been blessed to receive Igniting Ministry funding each year since the program's inception, and Jackie Vaughn (IM director) indicated that our conference is one of the initiative's strongest supporters and participants. Due to this strong relationship, Louisiana has been chosen as a test market for Igniting Ministry for the next quadrennium. An increasing number of local churches are seeking and receiving Igniting Ministry funding for local church media efforts, some for more than one of the three in a year (Back to School, Advent, and Lent).

An Igniting Ministry TV buy at the conference level also ran during Lent 2008 in seven major television markets throughout the state. The Louisiana Annual Conference received over \$30,000 in grant funding from UMCom for this statewide campaign.

Special editions of the *Louisiana Now!* included editions focusing on Disaster Recovery and Mission Zone recovery, youth ministry, La. Volunteers in Mission and United Methodist Women, now running quarterly inserts. The *Louisiana Now!* is posted on the home page of the conference website, and is now being emailed digitally to all churches in the conference via the District offices.

A multi-media campaign ran in January of 2008, targeting the New Orleans market as a promotion for the work that has been done by the Louisiana United Methodist Disaster Recovery Ministry. The campaign included TV, radio, newspaper and banners hung on local churches in the New Orleans area.

A significant number of stories written by the Communications Director has appeared as UMNS feed stories; been posted on national websites; and appeared in national United

Methodist publications. Those include stories on storm recovery in Dulac; the Virginia Tech house, built in memory of fallen students; North Rampart Community Center; Mission Zone updates; Cornerstone UMC comeback; Wesley Foundation LAVIM efforts; conference response to the Jena 6 rally; and updates on the La. Children's Home in Ruston. The Virginia Tech house story written by Betty Backstrom, Communications Director, earned top honors at the 2007 United Methodist Association of Communicator's conference, chosen as this year's "Best Individual Story" from among communicators at the annual conference and jurisdictional levels.

The conference also received television news coverage related to the Children's Home story (WWL), the Virginia Tech house story (WWL), and disaster recovery from Hurricane Rita (KLFY). A news vignette on ESPN covering the Virginia Tech story and inspired by our news story aired the night of the LSU/Virginia Tech game.

Press packets were assembled and distributed to local Baton Rouge media in preparation for the 2007 Annual Conference held at the RiverCenter in June. As a result of the packets, the conference received excellent pre and post coverage of the event in *The Advocate*, with a heavy slant on the promotion of the conference's disaster recovery efforts.

Three special video presentations have been produced this year. A two-minute piece entitled "Tale of Two Churches," focusing on church recovery in New Orleans; a six-minute DVD presentation focusing on the disaster recovery ministry and volunteer recruitment; and a third video, facilitated through the New Orleans District Office, focusing on Church Partnering.

The two-minute piece, ultimately distributed through United Methodist Communications, was viewed during every 2007 Annual Conference gathering throughout the connection. The six-minute video is being widely distributed through the Louisiana UM Disaster Recovery offices to encourage the development of more volunteer teams throughout the connection.

DVD copies of "Tale of Two Churches" and "Louisiana UM Disaster Recovery Ministry" were sent with multiple copies of the special edition of the *Now!* on disaster recovery to every local church in the conference in an attempt to promote giving for the Katrina Church Recovery Appeal and to promote an increase in volunteer teams from conference churches. A mailing of the same DVD, special edition, newspaper article on church partnering, and a letter from the Bishop was sent to those who attended the Katrina Celebration in New Orleans in September. The video on Church Partnering was viewed at the banquet held during the celebration, and is now posted on the home page of the conference website.

A color brochure, outlining partnering opportunities, was designed by the Communications Department and distributed during the New Orleans celebration.

An Emergency Communications Plan for the Annual Conference has also been drafted and submitted to all Districts and local churches.

CHURCH EXTENSION AND TRANSFORMATION TEAM

OUR VISION IS:

- for the Louisiana Annual Conference to aggressively close the gap between what Christ calls us to be and what is now;
- of revitalized ministries of local congregations;
- to begin ten vital, new congregations, including two ethnic congregations, in the next ten years;
- to develop a comprehensive system of support for pastors and leaders of new congregations;
- to engage every lay and clergy person in our Annual Conference in Christ's mandate to make disciples.

In 2001 the Church Extension Team presented this Statement of Vision and a Plan of Action to the Annual Conference. Through God's grace and the faithfulness of United Methodists in Louisiana all the structures, personnel, and processes are now in place for our Conference to close the gap between what is and what Christ calls us to be.

1. REVITALIZING MINISTRIES OF LOCAL CONGREGATIONS

Our Conference Transformation Consultants continue to work with new waves of congregations in the church new transformation process. The Office of Church Extension and Transformation has partnered with friends of the rural church and the Louisiana United Methodist Foundation to design a new process for town and country leadership development.

2. BEGINNING VITAL NEW CONGREGATIONS

Since 2001, we have started nine new faith communities in Louisiana. In 2007 we launched three new churches, led by pastors who are passionate, well trained, professionally coached and adequately supported to reach new people for Jesus Christ. Three of our newer congregations - Fairfield UMC in Shreveport; NorthPoint UMC in Shreveport; and Faith Community UMC in Youngsville - are experiencing rapid growth. The ministry of the United Methodist Church is being extended through the Vietnamese ministry in Baton Rouge and the Asian ministry in Ruston.

3. DEVELOPING A COMPREHENSIVE SYSTEM OF SUPPORT FOR PASTORS AND LEADERS OF NEW CONGREGATION

Working with church planting strategist, Don Smith, the Office of Church Extension and Transformation continues its church planting initiative - a comprehensive process of identifying, assessing, training, and coaching new church planters. Prospective planters continue to be identified and trained in an eighteen month training process to prepare them to plant vital, fast growing churches in Louisiana and to reach new people for Christ.

4. ENGAGING EVERYONE IN MAKING DISCIPLES

Our Bishop and Cabinet have been trained in church planting and are committed to creating a culture of church planting in the Louisiana conference. The Office of Church Extension and Transformation works with the Bob Lay 1000 Club to raise money for new congregational development; leads clergy training events around the conference; and sponsors pastors attending the United Methodist School of Congregational Development.

OUR CHALLENGE IS:

- to create a culture of church planting that extends to every United Methodist in Louisiana;
- to adequately fund 12 new church plants in the next quadrennium;
- to identify and train Hispanic church planters;
- to develop strong leaders to lead transformed congregations;
- to reach people for Christ and make disciples for Christ in a radically changing ministry context.

MULTICULTURAL MINISTRIES

We Celebrate

After the 37th Session of the Louisiana Annual Conference June 3-6, 2007 in Baton Rouge, the Louisiana Conference Headquarters Office opened the new office of Multicultural Ministries located at 527 North Blvd, Headquarters on the third floor.

The mission and purpose of this office is to serve as a catalyst to enhance and strengthen, promote, encourage and assist all local churches in our Louisiana Conference. The ministry components consist of Strengthening the Black Churches, Hispanic Ministry, Native American Ministry, Asian Ministry, Communities of Shalom, Africa Initiative, Africa University and Senegal Missions, Interfaith Dialogue, New Training Initiatives, Communications, Grant Resources and Local Church Partnership.

The first project of the office was to coordinate a trip to Africa University October 31 thru November 11, 2007. There were 7 persons in attendance from our Louisiana Conference as an ambassador for this fact finding mission team. This mission team served as "hands on" advocates for our mission of being able to interpret the work of Africa University and share this information throughout our United Methodist Churches.

Minister Susie Thomas, a parishioner of University UMC, Baton Rouge, and a student at Drew Theological School volunteered to work with our office for the summer.

University UMC, Baton Rouge and Neely UMC, Baton Rouge began a Church Partnership under the leadership of Rev. Steven Spurlock, Rev. Arnold Brown, Dr. James Philip Woodland and Rev. Linda Joseph. They worked together in ministry to perform the following projects for the Kingdom of God: Kids Hope USA In-School Mentoring Program at Polk Elementary and University Terrace Elementary. Neely and University UMC worked together in November to construct a Habitat for Humanity Home. On

Sunday, January 13, 2008 Rev. Steven Spurlock and Rev. Arnold Brown did a Pulpit Exchange. Other collaborations of ministry events are forthcoming.

The W. T. Handy Convocation was held at Dillard University. Three hundred persons were in attendance. Dr. William B. McClain was the keynote speaker. The Youth Component highlighted Discovery Camp. The primary function was to ignite youth and young adults to commit to Christian Vocation as their career.

The Office of Multicultural Ministries is working with Dillard University and Interdenominational Theological Seminary to assist persons/students to obtain a Master of Divinity Degree without relocating to Atlanta. Currently there are approximately 10 candidates in attendance through this program and we have 3 clergy persons who have received appointments after their continued educational progress.

Scholarships and grants were approved for several local churches in our United Methodist Conference to assist in the development of new ministries, church growth and continuation.

Native American Ministries has continued to receive the support of this office through finances, trainings, visits and prayers. It is our goal to help this ministry receive the much needed support of our local churches throughout each respective district of our conference and ensure representation is evident.

Hispanic Ministry has received two new clergy persons: Rev. Oscar Ramos and Rev. Juanita Ramos. New centers and ministry programs at Cornerstone and First Grace UMC in New Orleans have begun. A Hispanic Ministry Consultation was held September 15-16, 2007 in New Orleans.

The Hispanic Latino Ministry in the Mission Zone

The Mission Zone in the Louisiana Conference is the geographical place where the Hispanic/Latino ministry is focused on for this stage of the plan. Nevertheless, there are other areas that have been and will continue being touched through this ministry. The proposal specifies incorporation of three (3) Hispanic/Latino Centers located at El Mesias UMC in Kenner, First Grace UMC in New Orleans and Covenant UMC in Chalmette. These centers will provide: Social Services, Fellowship and Worship to the Hispanic/Latino community. In order to accomplish this goal we have been working in the next areas of ministry:

1) Establish connections with the existing ministries and organizations serving the Hispanic/Latino community. During the first months we met with leaders of organizations such as El Apostolado Hispano, The Daughters of Charity, Peoples' Programs, Bilingual Solutions, Common Ground Clinic, and some pastors, community leaders and lawyers. This was an important step for us as new people in this community and we try to continue with this process as an effective way to get current information of the social services and programs we have in the community. We understand that this is a

continuous process that eventually will decrease as we become more familiar with the organizations and ministries in the community.

2) Preparation/training of the congregations where the centers are being localized.

The idea behind this goal is to prepare the congregations to experience a cross-cultural ministry and develop ownership of these ministries. We believe that the local congregations should be directly involved in the developing of these ministries to create the welcoming environment necessary to have a successful ministry. We trained Covenant UMC with a series of three conferences/sermons. The answer of the people has been enthusiastic and we are optimistic about the church becoming more and more open to the Hispanic/Latino community and other ethnic groups. We continue contact with the people of Covenant and we would like to see them getting more involved with the Hispanic/Latino ministry. In the First Grace case, the development of the Hispanic/Latino ministry has been different. The people of First Grace just celebrated their merger last year and the environment for a Hispanic/Latino ministry is more intentionally open. As you know most of the new congregation is committed to be more inclusive and open to new groups in the community and this is very helpful to successfully accomplish our goals.

3) Continue developing English and Spanish classes. The classes are the first social ministry we offer to the Hispanic/Latino community. We are already offering English classes at Covenant UMC twice a week. The next step here is to grow in the number of the students we serve right now (22-25) and to include more students willing to learn Spanish from the church and from the community. If more people are willing to join the classes we will reorganize the groups and look for more instructors. At First Grace UMC the English and Spanish classes started on January 22 and will follow the interaction model where the English and Spanish students interact for an hour and practice with real people the language they are learning and teaching their native language. In addition to these two places the Aurora and St Matthew UMCs will launch English and Spanish classes very soon. We have been meeting and planning these classes with Rev. Henry Stone and Rev. Simon Chigumira. We hope more churches in the Mission Zone area will follow this model to serve the Hispanic/Latino community. We are willing to offer some training, guidance and support to these churches willing to reach out the Hispanic/Latino community.

4) Establish Bible Studies. For the last month we have been studying the Bible in Spanish at Covenant UMC. Friday evenings we come together at the church and present the Good News of Jesus Christ to a group of 8 to 10 Hispanic/Latinos who are hungry for the teachings of Jesus Christ. We are visiting the people in the area and inviting them to

be part of this ministry. At First Grace UMC the Bible Study started in January with a group of 8 to 10 people willing to learn more about the teachings of Jesus Christ.

Covenant UMC

Fridays 5:30 to 7:00 p.m.

First Grace

Wednesdays 6:00 to 8:00 p.m.

5) Establish a Bilingual Worship Service at Covenant UMC. On January 6 (Epiphany), 2008 from 4:00 to 5:30 p.m. we had our first bilingual worship service. There is a small group of enthusiastic people from Covenant UMC who joined us. The invitation is to the whole community in Chalmette to experience the power and joy of diversity and commonality. The idea is that we need to create a worship service that really blends the cultures to be represented in the group and not only to translate the words from one language to the other. At First Grace UMC we are inviting the people to join the morning Worship Service and provide translation to those who need it. We believe that we will reach Hispanic/Latinos from different generations. This means that many Latinos are not going to need translation because they have been here for generations and will join the church without many major adjustments. Nevertheless, we are sure we will reach Hispanic/Latinos who have been in the area or in the States for a few years or even months and they will need translation or even to worship entirely in Spanish.

Faith Communities. Faith communities are being born at Covenant UMC in Chalmette and at First Grace UMC in New Orleans. According to the National Plan on Hispanic/Latino Ministry Report to the 2004 General Conference "faith communities meet informally in homes and other non-church settings as they engage in Bible study and fellowship" (pp.6-7) These Faith Communities should be organically related to existing churches (Hispanic/Latino and/or non-Hispanic/Latino) until such a time as they may develop into chartered congregations, become integrated into existing congregations, or become missions (a step between faith communities and chartered congregations). We thank God for the opportunity to develop these faith communities in such a short time. We are aware of the cultural differences but we emphasize unity and commonality in these faith communities and celebrate multiculturalism and bilingualism.

Special Celebrations. A couple of Posadas (Mexican Christmas Celebrations) were celebrated on Saturday and Sunday December 22 and 23 at First Grace and Covenant. We attracted some Hispanic/Latino families and we are working with them. We included other Christmas cultural aspects from other countries to make the people feel welcome and at home. We received help from the Hispanic/Latino community (a restaurant donated a few piñatas and some ladies helped with the decorations) to help us with the expenses. We are sure that these events will become a tradition among the Hispanic/Latino community in these areas.

Trainings. We (Juanita and I) got training on Medical Interpretation offered on November 8-13. The Luke's House Clinic paid for the training and we are serving as interpreters for them every Tuesday evening. We will be training other volunteers to serve as medical interpreters too. Juanita Maribel and Dr. Martha Orphe received training on immigration in El Paso, Texas on February 8-10, 2008.

Multicultural Training. On January, we (Dr. Martha Orphe, Rev. Juanita Ramos and Rev. Oscar Ramos) offered to the churches in the Mission Zone a multicultural training (In Our Own Languages) to help them use the multiculturalism as an asset in their ministries. We will be offering this training again in the near future.

College Fair and Motivational Conference. On February 16 we offered a College Fair and Motivational Conference to Hispanic/Latino students and their families as a respond to the need of our youth to continue studying after High school. Hispanic/Latino students have the highest drop out rate in the nation complicating many other areas in the life of the Hispanic/Latino families and in the community as a whole. We will be offering another College Fair at the end of fall this year.

Youth Ministry. As a result of the College Fair and Motivational Conference we are organizing a Youth Bible Club on Thursday evenings at First Grace UMC. The group will try to respond to the spiritual, educational and social needs of the Hispanic/Latino youths. Young adults from First Grace Church are interested in helping with this ministry.

Thursdays 6:00 to 8:00 p.m.

Hispanic/Latino Centers. We are in the process of formalizing a 501c3 organization and create the structure that will help us accomplish our goal to better serve the Hispanic/Latino Community in this area. The Hispanic/Latino Task Force will focus its attention on this area in the next meetings.

Korean/Chinese/Asian Ministries

In 2007, Trinity Asian Chinese Ministry had 14 persons profess their faith in Christ Jesus, 6 of whom received baptism and joined Trinity UMC. Since September 2007 our Sunday Chinese Worship has an average of 15. We are serving about 60 Asian Chinese in programs such as Bible study and fellowship, Conversational English class, Mandarin Chinese class and Spanish class. In 2008, we are planning to reach out and minister to college students from Thailand, Burma (Myanmar) and Nepal. Please pray for us and this ministry.

The Leesville Korean United Methodist Church is a multicultural (Korean and American) Church. Sermons are in Korean and English because not everyone speaks Korean. The English preacher was a Nazarene Missionary to Korea. We have an average attendance of 20 on Sunday morning. That is an increase from 3 persons four years ago. We offer Bible Study every Wednesday evening. Members are encouraged to read the Bible every morning at the church at 6:00. Average participation is 8. In 2007 we had a Korean song

and dance service. This was a very colorful event. Four persons were baptized. This year we will be starting a Bible Study in English.

In a collaborative effort with our La Annual Conference, the Office of Multicultural Ministries strives to serve as a resource to help all local churches become the “Church of All People”.

Future Projects

1. 2008 Church Leaders Summit for Clergy and Laity of African American Churches
2. 2008 W. T. Handy Convocation, November 21-22, 2008, New Orleans
3. Senegal Mission Trip, December 26, 2008 thru January 6, 2009
4. New training programs for our local churches throughout each district

HISPANIC/LATINO MINISTRIES

The Hispanic/Latino Ministries Task Force continues emphasizing three key areas: 1) Expansion of the community ministries, 2) Leadership development, and 3) Congregational development.

Expansion of Community Ministries

We have initiated the development of 3 community centers targeting the Hispanic/Latino immigrants in the New Orleans District. The community centers are located in existing UMC churches (First Grace, Covenant and El Mesias). The purpose of the community centers is to help address the needs of immigrants and to develop relationships with the immigrants. The 3 centers are offering programs to fulfill some of the needs of the Hispanic/Latino immigrants. These programs include English as a Second Language (ESL), Spanish classes, General Equivalency Diploma (GED) classes at El Mesias, Bible Studies, job referrals, health care, child care, translations, and more. By aiding immigrants (and others) with these needs, we will greatly increase Hispanics’ and Latinos’ awareness of the United Methodist Church in the New Orleans District, leading to the development of new congregations as we establish relationships with members of this community.

We are expanding and upgrading the programs/services offered at El Mesias UMC in order to better serve more Hispanics and Latinos. El Mesias UMC in Kenner is the only Hispanic/Latino church in the Louisiana Conference. It holds two worship services on Sundays. Attendance has increased by more than 70% in the past eight years. Attendance would likely be higher if not for space constraints in the sanctuary.

El Mesias’ members are active United Methodists, with 9 certified lay speakers in the congregation. Two members serve on committees for the general boards of the church. Six members are ready to take Module I (National Plan for Hispanic/Latinos Ministries) training in 2008. One of the GED graduates now teaches GED math at the center.

Despite the space constraints, El Mesias has managed to hold ESL, Spanish, GED, and citizenship classes for immigrants for 7 years under the leadership of GBGM missionary Maribel Calvo, celebrating significant increases in the numbers of participants and graduates throughout the programs' history. From 2000 to 2007, GED graduates increased 84% and Citizenship class graduates increased 90%. ESL participants have increased significantly in both the basic and advanced courses.

Other community outreach services are also offered, including four health fairs and semi-annual health surveys. Translation services are also available on an as-needed basis. Rev. Samuel Calvo hosts a weekly radio program in Spanish, sharing the gospel with listeners and answering their phone-in questions. Our three missionaries for Hispanic/Latino ministries will share the hosting duties of the radio program in 2008. Once per month the program is also offered in Portuguese by missionary Maribel Calvo for the growing Brazilian community. Individual and family counseling are available at the church, and food and clothing are provided to anyone in need.

The Louisiana Conference is also aiding in the financial support of an ecumenical Immigration Services Center in Alexandria, Louisiana. Since Hurricanes Katrina and Rita, Alexandria has experienced a substantial influx of Hispanics/Latinos. Work opportunities in the community of Forest Hill (near Alexandria) have attracted thousands of immigrants who need legal assistance at a reasonable fee. The Immigration Services Center will serve the Central Louisiana area. This office will be an interfaith and ecumenical ministry of faith communities (Christian, Jewish, and Muslim). According to unofficial statistics from the Roman Catholic Church, the Hispanic population in this area is close to 10,000. Rev. Juan Huertas is spearheading this ministry.

Our Hispanic/Latino Ministries Task Force is developing strategies to educate others in our Annual Conference about the need to recognize and develop Hispanic/Latino ministries. To overcome the language barrier, Spanish classes are already being conducted in the Mission Zone Centers to help clergy and lay persons learn Spanish. The Conference plans to offer Spanish classes in every district in the next 3-5 years, targeting clergy and UMC laypersons.

Leadership Development

In December 2007, the Hispanic/Latino Centers at the Mission Zone offered multicultural ministries to the New Orleans District to teach clergy how to develop and minister to multicultural congregations. Rev. Oscar Ramos and Rev. Juanita Ramos will be the certified instructors for the Module I and II (National Plan for Hispanic Ministries) courses scheduled for 2008 and 2009 to train and enlist the leadership of laypersons seeking to work in Hispanic/Latino ministries. These leaders will be critical to the furthering of Hispanic/Latino ministries in the Annual Conference, helping to lead programs needed to reach greater numbers of Hispanics and Latinos. Presently, six Spanish-speaking members of El Mesias UMC plan to take Module I training this year, thereby adding 6 greatly needed Spanish-speaking leaders in the New Orleans District. Furthermore, others are demonstrating an interest in taking Module I training also (both

Hispanics/Latinos and non-Hispanics). This training is crucial to the expansion of Hispanic/Latino ministries in our Conference because so many lack the proper training and skills for Hispanic/Latino ministries.

Congregational Development

In the New Orleans District, another recent significant development in multicultural ministries is the commencement of bilingual worship services at First Grace and Covenant UMC Churches. The Hispanic/Latino Ministries Task Force continues to forge opportunities to offer bilingual worship services at other UMC churches.

A new faith community was born in the community center of the Covenant UMC under the direction of Rev. Juanita Ramos and the pastors of Covenant UMC.

In 2008 and 2009, the Louisiana Conference will develop at least two faith communities of Hispanics/Latinos. These will be located in La Place (New Orleans District) and the Baton Rouge District (location to be determined).

NATIVE AMERICAN TASK FORCE

The Ministry of the Native American Task Force celebrates the continued support of the Clanton Chapel U.M.C., Clanton Chapel Christian Preschool, Dulac Community Center, Louisiana Conference Disaster Relief Ministry, Dulac Station Relief Ministry, and the continuous work of Volunteers in Mission from all over the country. The Native American Task Force celebrates the leadership of John Paul McGuire at the Dulac Station for his love and undaunted willingness to help the people of Dulac over and beyond the Call of Duty. The Native American Task Force Celebrates the continued effort to improve housing for the residents of the Dulac Area, and continues to move closer to elevate three housing trailers to increase the number of volunteers that want to come to Dulac. The Native American Task Force celebrates the development of 30 R/V spots by FEMA that now belongs to Clanton Chapel and made available to Volunteers who want to come to Dulac and park in the NEW Clanton Chapel R/V Park! We celebrate the excellent training provided to three members of our Task Force by the Native American Comprehensive Plan in Reno, Nevada in September 2007. The Native American Task Force celebrates the empowering of local Native American United Methodists in the Ministries of the United Methodist Church.

Goals that are a priority for the next year of the Native American Task Force include recruiting a representative from each United Methodist Church in the Louisiana Conference to share the needs of the Native American Ministries in the Louisiana Conference as well as adding more members to the Native American Task Force. It is prayerfully hoped that this will increase the support for Clanton Chapel U.M.C., Clanton Christian Preschool, Dulac Community Center and other ministries of Dulac.

Concerns and Challenges: The Native American Task Force has been blessed with many dedicated task force members. Regretfully, due to a tragic car wreck, we have lost two of our dedicated members: Frank and Bessie Blake, Jr. We mourn their loss and pray

that someone will serve Our Lord with US in their memory and love for Dulac. WE encourage more churches to support our UNIQUE separate and **autonomous** Ministries by your visits, prayers, and financial support to overcome the poverty and other destructions of our community.

Items for Action by Louisiana Annual Conference:

The Native American Task Force respectfully requests the continued support of the Multicultural Ministries as it provides the most important link to the Louisiana Conference, other Native American United Methodist Ministries and information very necessary to the Louisiana Native American Task Force and its work to represent Native American needs, Clanton Chapel, Clanton Chapel Christian Preschool, Dulac Community Center, and the Louisiana Conference Disaster recovery Ministry-Dulac Station by the Louisiana Conference, Bishop Hutchinson, and the Cabinet, Louisiana Laity, and Pastors. The Louisiana Conference Native American Task Force further requests the continued support of the United Houma Nation for Federal Recognition and the Clanton Chapel Christian Preschool Conference Advance Special by the Louisiana Annual Conference.

LOUISIANA VOLUNTEERS IN MISSION

“We know that the whole creation has been groaning in labor pains until now; and not only the creation, but we ourselves, who have the first fruits of the Spirit, groan inwardly while we wait for adoption, the redemption of our bodies.” Romans: 8:22-23

Romans 8:22-27 has been chosen as the theme of LAVIM’s 2008 mission teams, especially as it is interpreted in the writings of Trevor Hudson in his new book on the spirituality of ministry and mission, “Listening to the Groans.” Hudson asks us to picture ourselves circling the globe, listening carefully to the cries of creation. He then asks, “Where are you drawn to touch down and immerse yourself?” We ask the Spirit to spark our “hands on” mission imaginations in ways to respond lovingly as we listen to those groans. Our record of mission since last Annual Conference, summer and fall of 2007 and winter and spring of 2008, as well as plans for 2008 and beyond are full of that atheistic imagination and joyous immersing.

The Takin’ it to the Streets event was restructured in 2007 as a cosponsored disaster response opportunity through LAVIM and LA Disaster Response. Three events were held drawing over 300 volunteers. Much was accomplished in the months of August and September in New Orleans, Lake Charles and the Abbeville areas. These months normally bring low turnouts of volunteers and the event was calendared for that reason and provided a welcome rise in these numbers. Two locations will be repeated in 2008 under a new name, “Making a Difference,” in New Orleans, August 1-2 and in Lake Charles, August 15-16.

LAVIM’s involvement in Mexico through Mexico VIM continues to grow with 33 teams planed in 2008 and over 24 already calendared for 2009. Over 620 Louisiana volunteers

joined our 2007 teams to MiniMedical and Construction teams to Mexico and over \$48,000 was contributed by these teams for materials, medicines and supplies. LAVIM teams have almost completed the construction of the Valle Hermosa Church and are progressing rapidly with the Church of the Resurrection in Tampico. An additional \$25,000 will be given for the reconstruction of Clinica Britania in Reynosa in the next few months.

Louisiana teams will begin construction of an orphanage and church parsonage in Saltillo, MX in July 2008. Our Mexican friends, along with others from around the world, have returned the favor by sending teams to Louisiana to volunteer in Disaster Response. LAVIM and the Louisiana Conference will be honored by the Mexican Methodist Annual Conference in July for its partnership in this ministry to the people of northern and central Mexico. Bishop Hutchinson has been invited to participate in the Conference.

There were 38 international teams in 2007 and eight national. Our international teams have continued to strengthen in 2007-08 after some lapse following the hurricanes of 2005. Strongest among these are our Cambodian, Mexican, South African, and missions to India. The first LAVIM medical team to Cambodia, February 15-27 had eighteen members including gynecological, pediatric, dental, diet and vascular professionals and a whole host of technical support and nursing professionals. Our second medical team is now scheduled for February 2009. Another 15 left the same day to refurbish the burn ward of Clara Swain Hospital in Bareilly, India, February 15-March 4. LAVIM will begin a new church build in Capetown, South Africa in March with a team of fourteen. Other international teams have served in Guatemala, Russia, Honduras, Bahamas, Peru, and Cuba, to name a few.

National teams have served at Sager Brown, Dulac, Alaska, Mount Sequoyah, Plain Dealing and aided in disaster response in Gulfside, MS. The combined dollar value of volunteer time was well over \$650,000 to our mission partners here and abroad. LAVIM continues, almost daily, to serve as a referral to LA Disaster Response as teams throughout the country and our own Conference call for information in regard to volunteering in Disaster Response.

2008 may well be one of LAVIM's best years yet. Teams are preparing for service in Cambodia, North Carolina, Texas, Cuba, India, Plain Dealing, Russia, South Africa, Choctaw UM Mission, Mississippi, Senegal, West Africa, Alaska, Arkansas, Kentucky, Belize and more. Several teams have already been scheduled for 2009-2011. Expansion of LAVIM's ministry to Viet Nam is planned for 2009.

LAVIM continues to offer the opportunity for "hands on" Christian service and spiritual leadership development. Seventy-two team leaders were prepared at our annual leadership training January 25-26. LAVIM is making a "Christian Difference."

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concerns. Our mission is *to educate faithful and creative leaders for the church's ministries in the world*. Candler is one of the thirteen official seminaries of The United Methodist Church and is one of nine schools at Emory, a top twenty research university founded in memory of Methodist Bishop John Emory and his commitment to "mold both character and intellect."

Unlike other large research campuses, Emory is neither indifferent to nor embarrassed by religion. Rather, this university is eager to address an urgent need at home and abroad: helping different faith traditions cooperate rather than collide. Emory prides itself in being a destination university internationally recognized as an inquiry-driven, ethically engaged, and diverse community whose members work collaboratively for positive transformation in the world.

At Candler, we proclaim the Gospel and nurture students' growth in the Christian faith. A stellar faculty, a dedicated staff, and vibrant students form an active community of teaching and learning that prepares excellent leaders for Christian ministries. We carry out this mission however in an extraordinary university-based educational environment where hearts and minds engage across deeply held religious differences, preparing our students to meet the challenges of the twenty-first century.

Candler's faculty continues to be among the most distinctive in theological education. Forty-three members hold full-time appointments and five hold part-time appointments. An additional twenty-three serve in an adjunct capacity. Woodie White and Jack Meadors serve as the United Methodist bishops in residence. Bishop L. Bevel Jones III remains at Candler working with the Development Office.

In our commitment to the practice of ministry we partner with eighty churches to ensure that ministerial preparation takes place in both the local church and on the campus. Candler's Contextual Education program intentionally pairs a faculty member with supervisors from church and community ministries so that teaching teams represent the church and the academy. Twenty-two teaching supervisors support our Contextual Education and Teaching Parish (student pastor) programs. The Rev. Dr. Alice Rogers has broadened the Teaching Parish program to include students appointed to churches in the Alabama-West Florida, North Alabama, North Georgia, South Georgia, and South Carolina Annual Conferences. We also taught more than 250 United Methodist students in the Course of Study in 2006-2007.

This year, enrollment was 535, with 440 in the Master of Divinity program, 54 in the Master of Theological Studies program, 12 in the Master of Theology program, 10 in the Doctor of Theology program and 19 enrolled as Special Non-Degree students. Eighty-three percent of students are enrolled full-time. The student population is 25 percent US ethnic minority, 11 percent international, and 52 percent women. Nearly 50 denominations are represented with 52 percent of MDiv students being United Methodist from 37 Annual Conferences. Other denominations of the Methodist family represented

at Candler include African Methodist Episcopal, African Methodist Episcopal Zion, Christian Methodist Episcopal, Church of the Nazarene, Free Methodist, Wesleyan Methodist, and the Methodist Church of Korea. The average age of our students is now 31, with 57 percent under thirty. The median age of our MDiv students is 27.

Lots of wonderful new initiatives are underway. We will move into Phase I of our new building in early August 2008. It offers 65,000 square feet for classrooms, offices, and community life. We hope construction on Phase II will begin late in 2008. It will hold the Pitts Library and the Wesley Teaching Chapel. The first year of implementation of a new MDiv curriculum is nearly complete. This program deepens faculty roles in advising and mentoring and requires a course in a religion other than Christianity. A new director of lifelong learning should be in place by fall 2008 to initiate a renewed emphasis on programs that benefit congregations and their leaders in continuing education. Designed to address the changing needs of church and society both at home and abroad, this program will work cooperatively with local churches, judicatory leaders, and denominational agencies to strengthen the church and its ministries.

At the center of our upcoming capital campaign is a program to boost financial support for students. This year, 76 percent of eligible students received scholarship support from Candler with an average scholarship covering 71 percent of tuition. Among these awards, more than \$2.4 million was provided to 198 United Methodist students. Gifts from the Ministerial Education Fund (MEF) have played a large role in this support. However, so much more needs to be done. More than 60 percent of Candler's MDiv graduates leave school with educational debt. This burden undermines their effectiveness in ministry, such that some seek alternative employment. Your continued support, gifts, and prayers mean a great deal as we work to provide a strong educational program as well as support for the courageous and committed students who choose to undertake the challenge of theological education.

Thank you for your support of Candler. Candler exists to serve the church of Jesus Christ and The United Methodist Church in particular. If you have insights on what we could do better to fulfill this service, please let me know.

CENTENARY COLLEGE

In Centenary College's newly revised Strategic Plan, our commitment to the relationship we enjoy with the United Methodist Church remains one of our most important core values.

More than ever Centenary College is dedicated to expanding our relationship in cooperation with and service to the United Methodist Church that gave us birth and has

nurtured us all the days of this institution's life. We are expanding our resources to churches in our service area by providing continuing education opportunities with nationally recognized leaders. This year alone we have, in collaboration with area United Methodist Churches, brought representatives from two of the great teaching congregations of our denomination: Frazer Memorial of Montgomery, Alabama and Windsor Village of Houston, Texas to Shreveport.

Growing our relationship with the Church is not the work of one or two persons, but the entire Centenary community. Centenary's faculty, staff, and students are available for consultations, programs, keynote addresses, concerts, and have led and hosted best practices continuing education conferences as well. They have taught Sunday School Classes, led worship services, preached for ill or vacationing clergy, led retreats and UMYF programs, and served as consultants for programs and ministries throughout the Arkansas-Louisiana-Texas area.

Our Christian Leadership Center (CLC) is at the forefront of this reinvigorated effort. In addition to the unique undergraduate program offered, the CLC has expanded to include graduate studies, community education, and mission outreach work team experiences. We have students from the Christian Leadership Center serving internships in churches, campus ministries, and faith-based social service agencies throughout the Shreveport District.

Centenary has an active United Methodist Student Movement (UMSM) that meets weekly. Students plan and lead Stepping Stones, an ecumenical praise and worship service that meets in Brown Chapel every Tuesday morning. Centenary is one of the few colleges with a United Methodist Women (UMW) group on campus. The Religious Life Center is open Friday and Saturday evenings to provide a wholesome, safe weekend environment for students to gather. Our students also serve throughout the Conference as summer camp counselors, summer interns in youth, children and music ministries, and directors of mission/work camps.

The Centenary Church Council was created in 1977 to affirm and enhance the relationship between Centenary College and the Louisiana Annual Conference of the United Methodist Church. The Council is composed of clergy and laypersons from each district in the conference. The Council offers input regarding church relations activities, recruitment and fundraising, and assists in facilitating the work of the President. To support our partnership with the Louisiana Annual Conference, Centenary College provides office space, telephone, mail, and custodial services for the Shreveport District Superintendent and the north Louisiana office of the United Methodist Foundation. Meeting space is also provided free of charge for other United Methodist groups. The College houses the Louisiana Methodist archives and employs an archivist to maintain them. Centenary employs a fulltime Director of Church Relations to serve as the liaison between the Church and the College. The Chaplain of the College and Director of the Christian Leadership Center is a fulltime clergy person appointed by the Louisiana Conference.

Ninety-seven percent of our students receive some form of institutional aid. All of the students depend on earnings from the college endowment, endowed scholarships, annual gifts, and the apportionment underwriting by the Louisiana Conference of the United Methodist Church in order to pursue their education. Centenary College is humbled by the Louisiana Annual Conference's unprecedented support. We consider our relationship with the Annual Conference as a sacred trust. In 2007, we received 100% of our budget request and apportionment. Thank you for your extraordinary confidence.

We celebrate one hundred years in Shreveport in the year 2008. Caddo Parish is our home, but the world is our parish. We know that one of the greatest needs of main line churches today, including the United Methodist Church, is to equip traditional students for full-time ministry. We want to be a part of helping you, our churches, send new generations of leaders to call and equip new disciples for Jesus Christ.

We are proud of our relationship with the Louisiana Conference of the United Methodist Church and proclaim it loudly. We want you to be equally as proud and claim us proudly.

Kenneth L. Schwab, President

GAMMON THEOLOGICAL SEMINARY

Gammon Theological Seminary is one of thirteen accredited theological institutions of The United Methodist Church. Gammon is the only historically African American theological school related to the United Methodist Church.

Gammon will celebrate its 125th year of founding this year during its annual Founders' Day and Thirkield-Jones Lecture Series, October 6-9, 2008. "Remembering Who We Are: Seeking New Pathways" is our theme for our 125th celebration. Bishop Violet Fisher will serve as our Founders' Day Worship Service Speaker and Bishop Gregory Palmer will serve as our guest lecturer for the Thirkield-Jones Lecture Series. A Founders' Day Banquet and Gala will be held during this event to honor the alumni who have matriculated at Gammon and served The United Methodist Church.

The Methodist Episcopal Church founded Gammon Theological Seminary in 1883. Bishop Gilbert Haven and the officers of the Freedmen's Aid Society had purchased nearly 500 acres of high land in the southern suburbs of Atlanta, Georgia. Gammon initially began as a Department of Theology at Clark University through the efforts of Bishop Henry White Warren and a gift of \$20,000 for endowment from the Rev. Elijah H. Gammon, superannuated Methodist minister of the Rock River (Illinois) Conference. The enthusiasm of these two men led to the construction of Gammon Hall. The Rev. Wilbur Patterson Thirkield was elected dean and Gammon School of Theology was officially opened on October 3, 1883.

In April 1887, the official connection between Gammon and Clark was dissolved. The seminary was granted a charter on March 24, 1888, and the name was officially changed December 28 of that year to Gammon Theological School. The Rev. Thirkield served as the first president.

Gammon is the United Methodist member of the consortium of theological schools, known across the world as The Interdenominational Theological Center located in Atlanta, Georgia. We offer a broad curriculum in the scholar-minister tradition and also offer a holistic educational experience that continues to stress scholarship and service.

Students prepare for administration and leadership, counseling, teaching and preaching and a range of other spiritual and secular roles, with a blend of scholarship in the classroom and practical experience in the community.

The interdisciplinary curriculum integrates theological studies with preparation for the ministry, merging theory with practice to equip the student for scholarship in the academy, service in the parish, and leadership in the community

Degree programs offered are: Master of Divinity; Master of Arts in Christian Education; Master of Arts in Church Music; Doctor of Ministry; Doctor of Ministry with a Specialty in Pastoral Counseling; and Doctor of Theology in Pastoral Counseling. Dual Degrees are offered in Christian Education and Master of Divinity; Church Music and Master of Divinity and Christian Education and Church Music.

Our range of innovative special programs provide research and learning opportunities for students and faculty, while serving society as a whole. Some of the programs are:

- (1) The Institute of Church Administration and Management (ICAM) which supplements theological education with leadership training and administrative skills development, addressing topics such as entrepreneurial concepts, time management, organizational development, and policy formulation.
- (2) Black Women in Church and Society Program which establishes networks among African American church women locally and nationwide through an institute, a research and resource center and seminars.
- (3) The Religious Heritage of the African World initiative which conducts research and advocacy activities, gathers data, and examines issues related to the religious heritage of people of African descent around the Globe.
- (4) Faith and The City is one module of a collaborative relationship among local Seminaries that addresses civic and community interest by engaging the public theologians, local church leadership and their congregations in active pursuit of a spirit of mutual community and shared responsibility with its specific emphases on environmental justice and wholistic health.
- (5) The Womanist Scholars Program recognizes and promotes the scholarly activities of academicians. This program enables womanist scholars to pursue a research project of their own design. Scholars are engaged in teaching, lectureships, and consultation on issues affecting Black women and religion and Black women and spirituality. This

program invites two Black female scholars annually to be in residence, teach a course in the scholar's research area and develop publishable contributions to womanist works.

(6) The Youth Hope Builders Academy seeks to provide high school youth an opportunity to explore their present and future lives theologically and discover ways in which their lives can contribute to a hope bearing church and society. During the program an intensive four week summer residential academy is held. A second component of the Academy is year round forums, including the Annual Youth and Family Convocation, for young people and their families, and church and community leaders focus on current issues of youth and resources for problem solving.

(7) The Urban Theological Institute is an exciting initiative designed to address the need to develop effective religious and public leaders for urban transformation. The vision is to become a major partner with local churches, neighborhood, faith based organizations in the war against urban blight.

(8) The Student, Local Church and Agency Internship Program functions with an opportunity for partnerships with organizations, local churches, social action and advocacy agencies, which helps prepare students and fosters a vision of excellence in ministry in general, and pastoral ministry in particular. This program seeks to accomplish its nurturing and mentoring goals through the development and utilization of strategic partners.

(9) The Conference on Ministry, held during the Spring of each year, is an opportunity for persons who feel they have been called to ministry to come and visit our campus and explore their call to ministry as they visit classrooms, engage students who are currently matriculating at the seminary and dialogue with the Financial Aid/Scholarship officers as well as the President of the seminary. This three day program stimulates and helps prospective students to clarify their call to ministry and also helps them to consider the seminary that will best help them to achieve their goals for preparing for ministry.

(10) The Thirkield-Jones Lecture Series was established by alumni, family and friends for Bishop Wilbur P. Thirkield and Bishop Robert E. Jones. Each person had an individual lectureship, "Thirkield's Lectureship was on Preaching and Social Services, and Interracial Goodwill." Jones, alumni, family and friends established the "Alumni Lectureship". The two lectureships were combined in 1947. The Thirkield-Jones Lecture Series is held annually during Gammon's Founders Day celebration in October.

Gammon has been known as "The School of the Prophets" and has trained many Bishops, District Superintendents, Annual Conference Staff Executives, General Agency Administrators, College Presidents, Preachers, Teachers, Christian Educators, Pastoral Counselors, Military, Hospital, Children's Home Chaplains, Wesley Foundation Directors, Campus Ministers, Ministers of Music, Church Administrators, Religious Journalists and Authors, Biblical Scholars, and Social Activists the last 125 years. Our graduates hold the promise of hundreds of local church ministries around the world in Africa, Asia, and India and our gifts and graces will continue to honor our historic mission and embrace its promising future. PERKINS SCHOOL OF THEOLOGY

The mission of Perkins School of Theology at Southern Methodist University is to prepare women and men for faithful leadership in Christian ministry. As an official school of theology within the South Central Jurisdiction, it is part of our strategy to continue to prepare leaders for Louisiana by focusing this year on four key areas – formation, faculty, finances and facilities.

The first step in forming faithful leadership for the church of Jesus Christ is to partner with the church to identify those called to ministry, particularly the ordained and pastoral ministry. To this end Perkins welcomed persons dedicated to this task, including Herbert Coleman, who joined us as our new director of Recruitment.

Formation for faithful leadership not only requires attention to identifying those called to the pulpit and other pastoral ministries, but to preparing the next generation of Biblical scholars, theologians, ethicists, church historians and practical theologians, such as teachers of preaching and pastoral care. Perkins has taken steps to increase financial and faculty support for its Graduate Program in Religious Studies, and has partnered with other schools of theology to support the Hispanic Theological Initiative to fund Latino and Latina students, both at the Ph.D. and master's level.

Regarding our own teachers, our graduates tell us that the quality of our 35-plus member faculty is one of the most valuable assets which students encounter here at Perkins. Every time we conduct a search for a new faculty member, it is our goal to enhance the quality of teaching and research for the good of the church and its mission. This past year we welcomed Professor of New Testament, Sze-Kar Wan; Associate Professor of Christianity and Cultures, Hugo Magallanes; Assistant Professor of Church History, Jessica Boon; Associate Director of the Intern Program, Barry Hughes; and Director of Bridwell Library, Roberta Schaafsma. We said farewell to Professor of New Testament Jouette Bassler, who retired last summer, and will soon bid *adios* to Edwin Sylvest, Associate Professor of History of Christianity and director of Extension Learning, who will retire after 38 years at Perkins.

We were also pleased to welcome as director of Development Rev. Todd Rasberry, who is working to raise the necessary funds for the scholarship support of our students, the operation of our programs and the maintenance and improvement of our facilities. Only 50 percent of our needed revenue is generated by tuition, the other half generated by our endowment earnings and the support of local congregations through the United Methodist Ministerial Education Fund. The support of the Louisiana Conference has helped fund for conference students the Perkins Annual Conference Endowment Grants, which in this past academic year provided on average an additional \$2500 per student from the Louisiana Conference beyond the general aid and scholarship awards.

Finally, to prepare leaders for the church requires appropriate facilities in which to teach. To those ends on September 7, 2007 we broke ground on a building and renovation project that will increase the number of classrooms, add a dedicated preaching laboratory,

provide state-of-the-art educational technology, as well as address accessibility and environmental needs and concerns. We look forward to the opening of the new Elizabeth Perkins Prothro Hall next year, with all renovations in our existing buildings on the SMU campus completed in time for Fall 2009 classes.

With this focus on formation, faculty, finance and facilities, we are confident that Perkins will continue to form leaders for Louisiana and The United Methodist Church who will have the theological, spiritual and practical preparation to move the church toward its mission of proclaiming the Gospel, and welcoming and gathering persons into the body of Christ, that the church may be one, and the world might be transformed.

SAINT PAUL SCHOOL OF THEOLOGY

Saint Paul School of Theology is a seminary of the United Methodist Church that educates persons for leadership in the ministry of the church, which is called to be the continuing incarnation of Jesus Christ. In the fall of 2007, 303 students from 22 states, Korea, and the United Kingdom were enrolled in degree programs at Saint Paul School of Theology. The Course of Study School at Saint Paul served 277 students from 23 annual conferences.

Saint Paul was awarded a \$70,000 grant from the Wabash Center to fund faculty development in pedagogy for the next three years. The project will specifically address teaching three distinct groups of students: digital natives and distance learners, students with diverse learning styles and abilities, and diverse racial/ethnic generations.

Dr. Nancy Howell, Professor of Theology and Philosophy of Religion, and Dr. F. Douglas Powe, Jr., Assistant Professor of Evangelism, received the Faith as a Way of Life Award focusing on pastoral excellence from Yale Divinity School for their Advanced Praxis Seminar, *Theology in Black and White*.

The seminary's partnership with Hyupsung University in Hwa-Seong, South Korea to offer a Korean Doctor of Ministry track in "Wesleyan Spirituality and Congregational Renewal" began June 2007 at Hyupsung University. In January 2008, the students met for classes at the Saint Paul campus in Kansas City.

Saint Paul announces a new Doctor of Ministry degree track in Wesleyan Spirituality, Leadership, and Congregational Renewal to begin January 2009. Students will work as a cohort, combining academic study, practice of spiritual disciplines, and communal collaboration.

A diverse coalition of organizations came together to provide \$14 million in medicines to the Democratic Republic of Congo. The efforts of Saint Paul School of Theology, Kansas City, Mo.; The United Methodist Church of North Katanga; United Methodist Committee on Relief (UMCOR) and others brought the shipment February 2 to Kinshasa.

The airlift is the culmination of the efforts of Rev. Jim Glass, Vice President for Development and Dr. Pamela Couture, Vice President and Dean at Saint Paul School of Theology. Dr. Couture has been working in the North Katanga area to document oral history surrounding the peace building efforts following the Congolese War.

The Boards of Trustees at both Oklahoma City University and Saint Paul School of Theology approved the plan to establish an extension Saint Paul site at Oklahoma City University. The first phase of the accreditation is complete.

New faculty books include *Child Poverty: Love, Justice, and Social Responsibility* by Pamela Couture (Chalice Press, 2007), *What's the Shape of Narrative Preaching? Essays in Honor of Eugene L. Lowry* edited by Mike Graves and David J. Schlafer (Chalice Press, 2008), *Preaching Matthew: Interpretation and Proclamation* by Mike Graves and David May (Chalice Press, 2007), and *Formation in Faith: The Congregational Ministry of Making Disciples* by Sondra Matthaei (Abingdon Press, 2008).

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

Dr. Myron F. McCoy, President

SOUTHERN METHODIST UNIVERSITY

SMU continues to advance among the nation's major private universities as it moves toward the Centennial celebration of the University's founding in 1911 by the Methodist Episcopal Church. Listed below are some highlights of the past year:

- SMU's total fall 2007 enrollment was 10,829, including 6,176 undergraduates and 4,653 graduate and professional students. The minority enrollment is 21 percent of the student body. The average SAT score of the first-year class rose nearly 80 points in the last seven years.
- The campus community gained strong new leadership in the past year. New administrators include Paul W. The Texas Methodist Foundation, through anonymous donors, has committed \$1.4 million toward the \$13.1 million project, which to date has received gifts and pledges of approximately \$11.1 million from nearly 300 donors.
- A \$20 million gift from Harold C. and Annette C. Simmons of Dallas provided endowment for SMU's School of Education and Human Development and the lead gift for a new building to house the School. The School was renamed the Annette Caldwell Simmons School of Education and Human Development.
- A \$10.1 million gift from the W.W. Caruth Jr. Foundation at Communities Foundation of Texas endowed the Caruth Institute for Engineering Education at SMU and provided the lead gift toward a new engineering building.
- Other recent major gifts include \$5 million from Dallas business leader Edwin L. Cox to support merit-based undergraduate scholarships in the school that bears his name — the Edwin L. Cox School of Business; a \$3.3 million bequest from the estate of Catherine Perrine to fund scholarships and an endowed chair in the Department of English; and \$3.6 million from Caren Prothro and the Perkins-Prothro Foundation to support teaching and research in the Department of Biological Sciences.

- David J. Weber, the Robert and Nancy Dedman Professor of History at SMU, was inducted into the prestigious American Academy of Arts and Sciences last fall. SMU Statistical Science Professor Wayne Woodward received the United Methodist Church University Scholar/Teacher of the Year Award for 2007.
- Perkins School of Theology conducted a conference for scholars and pastors on *Albert Outler and the Wesleyan Spirit* in conjunction with SMU's annual Ministers' Week in January 2008. The conference examined contributions of the late Perkins professor, who influenced countless pastors and academicians worldwide during his more than 25 years at SMU.
- Andy Roberts, formerly associate pastor in Georgia, became director of the SMU Wesley Foundation in July. The Foundation's ministry includes Wednesday night services of contemporary worship, teaching and prayer in Perkins Chapel; weekly small group gatherings for Bible study, fellowship and prayer in student residence halls and apartments; and weekly community lunches. Plans are underway for a mission trip to Ghana in summer 2008.
- In accordance with *The Book of Discipline of The United Methodist Church*, one-half of the members of SMU's Board of Trustees are United Methodists,

including three bishops of the South Central Jurisdiction (currently Bishop Scott Jones, Kansas Area; Bishop Alfred Norris, North Texas Conference; and Bishop Ann Sherer, Nebraska Area). Current trustees include pastors Kirbyjon Caldwell of Houston and Mark Craig of Dallas, as well as laity of the denomination.

- SMU's Board of Trustees benefits from the diverse voices of *ex officio* members representing faculty, students and alumni, who rotate annually. This year's *ex officio* members are Gary Evans, Faculty Senate president; Andrew Galloway, student representative; and Connie O'Neill, Alumni Association president.

SMU treasures its Methodist heritage and its ongoing relationship with The United Methodist Church. We ask your continued prayers and support as SMU moves forward in the coming year.

R. Gerald Turner, President

LYDIA PATTERSON INSTITUTE

It is with great respect and appreciation that I render this report to the Bishop and members of this conference. Lydia Patterson Institute (LPI) prides itself in the fact that it is an inspiration to the mission of the United Methodist Church. LPI is the face of ministry at work.

This has been one more successful year for Lydia Patterson. This year marks the 95th anniversary of its ministry. Over one hundred years ago, Mrs. Lydia Patterson had a vision. She heard God's call to justice as she saw the young boys in the "Segundo Barrio" or "Second Ward" of south El Paso being left behind with no education and no hope for the future, simply because they had the misfortune of being born the children of immigrant parents. She taught them English and the word of God.

Nearly a century later, Lydia Patterson Institute continues to change the lives of the less fortunate and displaced. We are providing an opportunity to children of deported families. These children cannot attend school in Mexico because they are U. S. citizens, and they cannot attend school in the U. S. because they are not residents. In a time when immigration has become a platform issue for political candidates, Lydia Patterson sees no boundaries or lines of distinction. To us, a child in need is simply our business. Students that might drop out of school in the sixth grade level are instead going to college.

Equally important for us is to form leaders for the church. The Student Lay Ministry Program has become a model among the agencies and institutions of the United Methodist Church. Students that graduate from this program will serve in internship in a local church or agency while attending college. They have been trained to assist the church in developing Hispanic ministries. They serve as interpreters, Bible teachers, youth leaders, etc. They also teach English or Spanish, as the need may be. Students have served in fifteen different states. After graduating from college, one is in seminary,

five are in the Christian education field, three are youth leaders, and one is leading a small church. One other student is about to enter theological school.

The students at Lydia Patterson take pride in their heritage and culture, and it is their wish to share it with you. It is with a sense of gratitude and appreciation that the *LPI Mariachi Band* will perform at both General Conference 2008 and Jurisdictional Conference 2008.

The mission of Lydia Patterson will continue into the next century. Our strategic plan is on target. It is our wish to provide the best education, leadership, and spiritual nurture to many more students to come. It is for this reason that a capital campaign will kick off by mid year to rebuild our campus. This is the haven of so many lost and lonely young men and women. This is the place God made to bring them hope and a promise of a better life. Pray with us that we continue to touch the hearts and minds of our supporters so that they may join us in this venture. To you, members of this conference, I offer my deepest gratitude for your apportionments and gifts beyond. To the generous friends in the conference who support a student by providing a scholarship, I congratulate you for making a difference. On behalf of our faculty and staff and student body, please accept our most sincere appreciation.

LOUISIANA UNITED METHODIST CHILDREN AND FAMILY SERVICES

I am pleased to report that 2007 was a very successful year in terms of services provided to children, youth, and families by the Louisiana United Methodist Children and Family Services. Our direct care services at the Methodist Children's Home in Ruston remained populated at operational capacity throughout the year. A total of 1,466 individual children were referred for residential services. We were able to care for 293 or 20% of the requests. A total of 106 beds are available on a daily basis for all levels of care.

During this past year a total of 2,641 individuals were served through the Family Counseling Center on the campus of the Children's Home.

The Family Plus Program continues to grow. During the year a total of 1,921 individuals were provided some level of direct care ranging from crisis intervention and counseling to parental education training. A total of 731 families received services.

A total of 15,629 activities occurred at the Outdoor Wilderness Learning (OWL) Center with 8,928 individuals participating. This is a 44% increase from the previous year. These activities included the Challenge Course (Ropes), camping, fishing, hiking, biking, sport field, hothouse plants, equine therapy, the maze, and the Karen A. Vining Memorial Arbor Walk.

We received a total operating income of \$10,254,179 and had expenditures of \$9,725,669. Direct annual giving from individuals and groups for the first time in our

history exceeded one million dollars. Detailed reports will be published once our Annual Audit is completed.

The increased support from our donors was truly a blessing, and that support is what kept us solvent this year. Our Board of Directors, our staff, and I on behalf of the Children are given new hope in life by experiencing God's Love through our ministry. Thank you for being on our team during 2007. May God bless all that we do in 2008!

The Louisiana Methodist Children's Home Board of Directors request the following actions by the Louisiana Annual Conference:

The dates of October 7, 2008 and April 7, 2009 are placed on the Conference Calendar as Annual Board Meeting dates.

The election of these persons to Board Membership with terms expiring noted in parenthesis:

Mrs. Jane Blackwell	(2011)	Mr. Ross Downing	(2012)
Mrs. Rosemary Ewing	(2012)	Rev. Andrew Goff	(2012)
Mrs. Elaine Levy	(2012)	Mr. Bud Storer	(2012)
	Mr. Robert Temple	(2009)

MACDONELL UNITED METHODIST CHILDREN'S SERVICES, INC.

PURPOSE: The purpose of MacDonell United Methodist Children's Services is to provide and maintain a benevolent, charitable, non-profit organization for the care, custody, heritage, education and welfare of children, youth and families without regard to sex, race, color, creed, national origin or handicapping condition that can be addressed within the scope of the program, services and financial resources of the agency.

WE CELEBRATE: During the last fiscal year, we were able to render therapeutic residential treatment to 61 children and adolescents. These children have been provided with a stable, nurturing, Christian environment so they may begin to heal and grow into productive citizens. We have remained near full capacity for the majority of the year.

We are pleased to report that the beauty of our property continues to be maintained. We were very fortunate to have a very quiet storm season along the Gulf Coast once again. This has allowed another year for the trees to heal from damages caused during the storm filled 2005 season. Circumstances did not allow time to rent a boom lift to do our annual fall tree trimming. We plan to rent a boom lift early in 2008 in order to accomplish trimming and pruning before spring arrives.

In the beginning of the year, MacDonell submitted a proposal for services to the State Office of Community Services as required in competition with other providers statewide.

Our social services department was integral in compiling this to meet new state service needs for more intensive levels of care. All aspects of services provision were detailed as specified resulting in MacDonell receiving one of the highest ratings of all proposals submitted for residential care. The new contract with the state capped our number of beds at 28 but we remain licensed for 36 children as needed and over cap bed exceptions have been made. New outcome measures have also been enacted for better quality assurance assisting us to maintain excellence in provision of care to our clients. Since OCS is trying to move away from using residential care for children under the age of 11 years old, we are in the process of adapting to that change. The State did give us a ten percent increase in the daily board rate but it did not cover the increase-staffing ratio and the decrease to the bed cap limit.

In light of recent State budget cuts, our goal has become to meet the daily expenses and needs of the facility in order to maintain our current level of operations.

METHODIST HEALTH SYSTEM FOUNDATION, INC.

We are dedicated to the support, development and management of health related programs and services in our mission area. As we look to the future, Methodist Health System Foundation, Inc. has identified key objectives to concentrate our efforts as we rebuild the communities we serve.

Through a collaborative effort with the New Orleans Public Health Department, our elected officials, and the New Orleans East Business Association, Methodist Health System Foundation, Inc. leads an initiative to produce a feasibility study to determine the feasibility of reopening acute care services in New Orleans East. We will continue to take steps to work with additional partners to bring quality healthcare to critical areas. We believe that an acute healthcare facility will serve as an anchor to the community and serve as a catalyst for revitalization to these areas.

After Hurricane Katrina, the Methodist Health System Foundation donated \$250,000.00 to the Louisiana Annual Conference of the United Methodist Church. Many people sought the church to assist with resources and spiritual guidance through such uncertain times. To meet the changing needs of the hurricane-affected areas, a series of mission zones, or cooperative parishes, were established. In 2007, the original seven parishes in the New Orleans area were changed to three by area (Cross Town, East, West). There is also a mission zone in southwestern Louisiana in the area affected by Hurricane Rita. Through a collaborative effort between MHSFI and the Louisiana Annual Conference, Reverend Judy Nelson assisted the operational needs of the newly created mission zone at the Baton Rouge Office. Through her support and the financial assistance of the Methodist Health System Foundation, Inc., new programs and initiatives that offer spiritual renewal have been implemented.

The Board of Directors and Management of Methodist Health System Foundation, Inc. are very excited about the rebuilding initiatives throughout our community. We are pleased to share our strategies for moving forward as we vow our re-commitment to New Orleans East and St. Bernard Parish. We are encouraged by your support as we continue to build on the legacy of the past and proudly move forward into a new chapter as a valuable resource to the Greater New Orleans Community.

NORTH RAMPART COMMUNITY CENTER, INC.

A New Name, A New Organization, A New Vision

Since the devastation of Hurricane Katrina in August 2005, the center's gates and doors were closed to the over 500 children that the center served on any given day of the week. It was a lonely feeling at the center, not being able to see or hear the children's voices until the Louisiana Annual Conference Disaster Recovery Ministry took an interest in the facilities to house volunteers while waiting for the children to come back to the city. At that time, life came back into the center but still the voices and the life of the children were missing.

In May 2006, UMCOR, the Louisiana Annual Conference, the Women's Division and the local community supporters donated over \$500,000 to upgrade the center to support the volunteer housing and the children's activities. As the Volunteer House Manager from September 2006 – March 2007, I saw three of the children's classrooms transformed into dorm rooms, an arts and crafts room became a dining room and a dark room became a ladies' shower room. In March 2007, Coach Parker met with staff of Women's Division and Community Institutional Ministries (CIM) of Global Ministries and explained the need for the summer camp and after-school programs to start again at the center. Coach Parker has been at the center for over 12 years and has in his heart the needs and desires of the children. The children were finally beginning to come back to the city and were coming to the center asking when it would open. They needed a safe environment to come and play, learn and share with their old friends as well as their new friends. Before the CIM and Women's Division staff left New Orleans their hearts had been won over by Coach Parker. They understood the importance of reopening the center for children and began brainstorming right in the middle of the courtyard to help Coach Parker start the first program that established the new name, started the new organization and brought about the new vision.

In May 2007, a board of directors was formed from the United Methodist Church and the Community-at-large to incorporate what is now called the North Rampart Community Center (NRCC). The NRCC is now an approved 501 (c) (3) nonprofit organization. The Board of Directors also approved the new structure and the new vision for the center on

February 21, 2008. This new structure and vision was presented at the Board of Directors Meeting of the Women's Division on March 7, 2008 in Stamford, Connecticut.

Coach Parker and the Board of Directors were instrumental in starting the first program which was the summer camp from funding awarded to them from the Women's Division and other local supporters. The Summer Camp was able to serve 50 children and continued into the fall on a smaller scale as an after school program. We are now in our eighth month of the after-school program and we have over 170 children on roll and still receive applications on a daily basis. We average from 30 – 50 children per day.

We are being funded for the programs by the CIM. CIM awarded the center over \$67,000, for the spring semester of the after-school program and summer camp for 2008. With this funding we were able to hire a Nutritionist because we saw a need to serve the children at least one hot meal a week that they may not otherwise get. The first week that we prepared the hot meal, we fed over 60 children and the second week over 80 children.

I came to New Orleans in September 2006, as a Volunteer House Manager and again as an Executive Director in October 2007. I have seen a lot of transformation take place in the center as well as my life. When I was assigned to the center in September 2006 to work with the executive director of the center it was such a rewarding experience to be able to work with him as well as with volunteers from around the world from all denominations and cultures. Now as a newly commissioned deaconess and Church and Community Worker, the rewards keep coming to me and the center. There is so much love and caring from the volunteers, the local churches, and other supporters; so much so that you can feel it in the air. They are always willing to help the children whether it is with their homework, tutoring, reading, computer skills, arts and crafts or the recreational department. We welcome all the help and different ideas that come our way.

If anyone feels led to come and share with us here at North Rampart Community Center, you are welcome at any time. The gates and doors are always open for your wisdom, your knowledge and your expertise. We can be contacted at 504-529-1681 ext. 205. You may also donate to the center (Advance number 982149 – designate to North Rampart Community Center) or enter into a covenant relationship with me as a deaconess and Church and Community Worker (Missionary) (Advance number is 982024). It all goes for the self-development of people, especially women and children, through education and vocational training, economic development, advocacy and support, recreation and the arts.

UMCOR SAGER BROWN

The United Methodist Committee On Relief (UMCOR) Sager Brown in Baldwin has one mission, to alleviate human suffering. The three program areas of disaster relief, local

outreach and volunteer services work together to accomplish this mission. The following summarizes the celebrations of 2007:

- An open house in April commemorated 140 years of mission work at the UMCOR Sager Brown site. Beginning in 1867, Sager Brown was originally a school and orphanage for African American children for more than 110 years.
- 17 shipments valued at more than \$4,043,000 were sent internationally containing 174,000 health kits, 78,000 school kits, 17,500 sewing kits, 17,300 layette kits, 1,500 bedding kits and over 4,000 blankets.
- 29 shipments totaling more than \$4,360,000 were sent out within the United States including over 4,000 flood buckets sent to Texas, Oklahoma, Kansas and Arkansas.
- The Baldwin Unit of the Bayou Teche Regional Boys and Girls Club opened in February on the UMCOR Sager Brown campus. Currently over 130 local youth are being served.
- 43 local housing rehabilitation projects were completed.
- Over 8,200 boxes of USDA commodities were distributed to local senior citizens through the Food For Families program.
- 2,641 volunteers from across the United States served at UMCOR Sager Brown during 2007, providing more than 48,935 work hours. The USB cafeteria served close to 30,000 meals to volunteers.

This year, we are experiencing a low supply of health kits, school kits, layette kits, sewing kits, and bedding kits. We need completed kits or bulk items to make the kits. All kit contents and instructions can be found on our website at sagerbrown.org.

Kathy Kraiza, Executive Director

UNITED METHODIST HOPE MINISTRIES, INC.

The mission of United Methodist HOPE Ministries, located in impoverished North Baton Rouge, is to coordinate ministries, provide resources and establish relationships that help the people we serve move toward self-sufficiency with dignity. Since our inception in 2003, we've done this through two main programs: our unique Client Choice Food Pantry, the only one of its kind in East Baton Rouge Parish that invites clients inside a grocery-store setting to actually shop for their own food and our Family Mentoring Program, a unique mentoring program that matches a recently homeless family in transitional housing or a family at-risk for homelessness with a team of mentors to help guide the family on its path to self-sufficiency by teaching them life skills and creative problem-solving and connecting them to community resources.

In 2007, we introduced a third program called *Getting Ahead in a Just-Getting'-By World* which helps participants examine their financial situation then identify and address underlying causes of poverty, enabling them to create better lives for themselves and their families. HOPE offers this quote from a participant after the first session as a testament to the program's effectiveness: "I started noticing my surroundings and thinking about whether or not this is the life I want for myself and my kids."

2007 Accomplishments and Celebrations:

- *Program Accomplishment* – Client Choice Food Pantry: HOPE served 3,627 persons from 1,013 families, many of whom shop in our pantry once a month. We served an additional 542 new households.
- *Program Accomplishment* – An average of 16,778 pounds of food was distributed to 1,138 individuals each month through the Client Choice Food Pantry.
- *Program Accomplishment* – Family Mentoring Program: HOPE provided in-depth case management and support services to 211 persons from 53 families at-risk for homelessness. About 80% of our clients successfully completed the program in 2007.
- *Program Accomplishment* – Getting Ahead: A total of 26 participants benefited from three 40-hour workshop series facilitated by HOPE, two on our campus and one at Renaissance Village, an area FEMA trailer community for displaced residents of Hurricane Katrina.
- *Program Accomplishment* – 26 Community Education classes were offered and were attended by 424 individuals, utilizing our facility for the impoverished North Baton Rouge.
- *Volunteer Accomplishment* – 323 Client Choice Food Pantry volunteers gave 3,048 hours of volunteer service
- *Volunteer Accomplishment* – 76 volunteer Family Mentors gave 978 hours of their time to Family Mentoring Program families.
- *Volunteer Accomplishment* – 30 Neighboring volunteers gave over 650 hours of volunteer service.
- *Holidays for HOPE* – HOPE raised over \$14,000 to serve 464 households during the Thanksgiving and Christmas holidays.
- *Long Term Recovery*: Though it's been two years since the devastating hurricanes of 2005, the recovery effort continues in East Baton Rouge Parish and HOPE continues to be a major player in that effort. With support from UMCOR, we are able to help assess cases of families that come before the EBR Long Term Recovery Committee for assistance to regain self-sufficiency and, for some, to rebuild their lives in a new community.
- *Facilities Accomplishment* – Completed development of Facilities Master Plan to guide us in planning for improvements physical plant and grounds.
- *Fund Development Accomplishment* – Implemented first Annual Giving Campaign called Doors of HOPE.
- *Public Relations Accomplishment* – Introduced website with online donation capabilities.

Goals for Upcoming Year:

- *Programs/Services* – Increase services to meet the needs of impoverished families trying to gain self-sufficiency.
- *Social Enterprise* – Research and develop a social enterprise business venture with a “double bottom line” that will provide job training and employment for the impoverished while introducing another revenue stream to HOPE.
- *Administrative* – Develop a new strategic plan and grow funding base of support to secure additional support from more United Methodist Churches.
- *Fund Development* – Continue to grow Doors of HOPE Annual Giving Campaign.
- *Public Relations* – Publish quarterly newsletter and develop a marketing plan.
- *Fund Development/Public Relations* – Host our first-ever community awareness event that will also serve as a fundraiser for HOPE in the fall 2008 by hosting the authors of Same Kind of Different As Me in a community-wide event.

Challenges:

- Fund development.
- Capital improvements to facilities.
- Growth of ministries to include additional programs and outreach.
- Ongoing public relations and public awareness of the plight of homeless and impoverished in our communities, and the role of United Methodist HOPE Ministries in addressing these issues.

Items for Action/Vote by Annual Conference:

- We request Conference endorsement of the listed membership of our Board of Directors.

MINISTERS' EMERGENCY AID FUND

The Ministers' Emergency Aid Fund is supported by Conference ministers who voluntarily contribute one-half of one percent of their base salary annually. We recommend the following guidelines for the Ministers' Emergency Aid Fund:

1. That each minister under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of the minister's base salary for 2008 to the Ministers' Emergency Aid Fund (line 5030 on the Conference Remittance Sheet).
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Conference and their immediate families who may be in special need; and that this emergency aid be given subject to the following limitations:
 - a. The maximum amount allowed for a single emergency shall be \$1,000.
 - b. Exceptional situations may be given special consideration by the Cabinet.
3. That each pastor and local church be requested to provide an adequate medical insurance program for family participation.

In 2007 the Louisiana clergy gave \$16,391.31 to this fund. \$15,600 was distributed in 2007 for grants to 15 different clergy families.

GULFSIDE ASSOCIATION, INC.

Gulfside represents one of the most important journeys of our time. It embodies the spirit, commitment and vision of courageous people who dared to confront the bigotry and racial discrimination within the church and society.

Originally called the Gulfside Chautauqua and Camp Meeting Ground, Gulfside was founded in 1923 by Robert E. Jones, the first African-American Bishop of the Methodist Episcopal Church. At the time, it was the only resort in the Gulf Region open to African-American Methodists. In 1980, the United Methodist Church recognized Gulfside Assembly as a Historical Site.

Prior to Hurricane Katrina in August 2005, Gulfside was open year round as a multi-cultural conference, retreat and training center, specializing in national and international missions for high school and college students, summer day camp and enrichment days for children and youth, and Elderhostel programs for persons 50 years and over. Gulfside was also open to groups of 20 or more for weddings, banquets, meetings, bible study, confirmation classes, personal and spiritual retreats and business lunches. Gulfside played a critical role in the City of Waveland, the region and our nation, sponsoring programs aimed at preventing family breakdown and keeping families together in times of crisis.

Hurricane Katrina destroyed all of the Gulfside facilities and the leadership of Gulfside faces the future with optimism as they value the heritage of Gulfside and create a legacy for future generations.

Gulfside continues to provide a place where all of God's people are welcome. The Gulfside journey moved through segregation and the civil rights movement and survived devastating natural disasters. The journey continues as we have the unmitigated gall to believe Gulfside is the Mecca on the Gulf.

VISION: We envision a caring community where all God's people are transformed by the love of Christ. Gulfside will provide facilities and programs that further the development of ministries to the whole person through education, spiritual nurture, and family support for all ages.

MISSION: Gulfside, a multi-cultural conference, retreat and training center related to the United Methodist Church. The mission of Gulfside is to proclaim and embody God's kingdom as revealed through Jesus Christ.

KEY DRIVERS: Positive accountability, clean audits for five (5) years, paid off all indebtedness, moving with due diligence in the planning of rebuilding, through feasibility studies, marketing and other means.

Spirit-led: Romans 8:28 adopted as our bases of our scriptural directions, “And we know that all things work together for good to them that love God, to them who are the called according to *his* purpose.”

FRUITFULNESS: Continuation of the Mission Education Travel Studies Seminar (College Tour) and Harambee Event for high school and college students developing leadership for our youth and ensuring a stronger future for all.

CORE BELIEFS: We practice Christian principles, and spiritual development. We value human dignity and justice for all God’s people. God is central to our entire ministry.

Radical Hospitality is the very core of Gulfside’s ministry, historical and continuing.

Passionate worship, faith forming relationships, fervent prayer models and diligent study of the scriptures is who we are as an advocate of Jesus Christ.

Extravagant Generosity: Gulfside has provided for the past two years a place on Gulfside’s property for the Mississippi Conference–UMCOR Disaster Response and the Amish C.A.R.E. groups at no cost to them. We are a part of and we believe in the connectional system.

Through our strategic planning it will be known when all is revealed that Gulfside will be living out its faith through new adventures and risk-taking ministries and making strides toward the future of a new Gulfside. Our mission will include independent and assisted living with a ministry center that will include a distant learning module. Community services are always on our list with programs aimed at preventing family breakdown and children focused ministries.

SUSTAINING PASTORAL EXCELLENCE

The following reports comprise the ministry of the Louisiana Conference in the area of Sustaining Pastoral Excellence. We have been blessed to have this ministry in our Conference for several years. Most of our clergy members and many of our laity have been the recipients of the multitude of programs that are housed under this umbrella of ministries. We are grateful for the past and ongoing support of Conference funding, along with the additional funding support of the Lilly Foundation.

As you read these reports, we pray that you will see yourselves as a part of the stories and the ministry included therein. If you haven't been a participant in the past, please consider these reports as invitations to become a part of those that are appropriate to you.

THE CENTER FOR PASTORAL EFFECTIVENESS

Guiding Principles of Group Work through the Center:

- **Whoever shows up are the right people;**
- **Whatever happens is the only thing that could happen;**
- **Whenever it starts is the right time;**
- **Be open to God, whose middle name is Surprise;**
- **When it's over, it's over.**

Ministry Happens!:

SoulJourney—

PAY First Year

Purpose: Building a bridge between the academy and the local church.
A model for mentoring.
To provide an opportunity for relationships to form.

Model: Meet for an overnight retreat at beginning and Abbey Retreat at the end of year. Meet monthly for one-day gatherings with didactic component and group processing of unresolved issue.

Rationale for new model:

- more focus on processing,
- mentoring from month to month as candidates are working through unresolved issues,
- uses a systems lens, but more in concrete application than theoretical presentation,
- regular meetings lend themselves to more congruency, thus, the opportunity for deeper community/relationship building.

PAY Second Year

Purpose: To keep the connection alive and the conversations happening.

Model: Two Overnight Retreats:

- A fall overnight retreat to deepen connections and deal with issues candidates are facing.
- Spring Abbey Retreat for candidates to be still and know.

PAY Third Year

- Optional one day gathering to connect and process unresolved issues.
- Abbey Retreat for candidates to be still and know.

Deferred Candidates—Mentoring deferred candidates for ordination of the Conference Board of Ordained Ministry

Clergy Peer Group—

Parker Palmer comments, “Can we help each other deal with the inner issues inherent in leadership? We can, and I believe we must.” Clergy Peer Groups are designed as a healthy group experience providing a model and an opportunity for clergy to be involved in healthy, safe, small groups that offer support, insight, and group processing of unresolved issues. The intent is to help leadership deal with both inner and outer issues we face. Its focus is on strengths and emerging strengths.

Clergy Peer Groups are beginning across the Conference for those under appointment for 5 years or longer. The development of these groups is moving at *the pace of guidance*. At this point, the Center has pilot programs underway. This is an experiment from which we are adapting and learning.

Model: The model offers a didactic component, while allowing for relationships and trust to build among participants. Confidentiality is paramount, and trust in the wisdom of the group is observed. Whoever shows up are the right people.

The Art of Dancing with Conflict (Two three-day sessions)

- Explore different models/lenses for understanding tension, anxiety and conflict

Rationale: Conflict has become so pervasive in our culture and in our congregations that the ability to manage conflict has become a key skill for clergy and other leadership.

Goals for Participants—

- to learn about congregations as emotional systems
- to develop an understanding of the dynamics of anxiety and conflict in congregations
- to understand our unskilled reactions to conflict
- to develop and foster skilled responses, techniques and strategies to conflict
- to be a partner in creating systemic change

Methodology: Videos, hand-outs, small group, open conversation, didactic, etc.

The Art of Intervention in Congregations (One three-day session)

How do we intervene in a manner that is congruent with what we say we believe and that cultivates health, maturity and growth?

Rationale: Whether district superintendent, Bishop, clergy, outside consultant, conference staff, or some other judicatory leader, regardless of religious tradition, intervention is part of ministry. Thus, how do we intervene effectively? What are the principles, values, and insights on which we can agree that can assist our interventions to cultivate health, maturity and growth? What is our understanding of groups on which our intervention is based? Because intervention is an important part of ministry at every level, understanding group dynamics, having intentional conversations about intervention, and developing guiding principles, skills and techniques for intervention is important to moving this type ministry from being an anxious dread of survival and passing along the anxiety to a ministry of excellence, art and creative challenge for transformation.

Goals for Participants—

- to develop an understanding of systemic/congregational dynamics during times of high anxiety and conflict,
- to identify principles, values, and insights on which to base healthy interventions,
- to understand the role and position of the intervener during times of impasse and conflict,
- to develop skilled strategies and techniques those intervening can use to help congregations find their way through tense times,
- to cultivate a culture that lends itself to second level, systemic change—one that assists congregations in moving through tense times artfully, responsibly, and creatively with GRACE.

Methodology: Videos, hand-outs, small group, open conversation, didactic, etc.

Other Ministries Offered through the Center for Pastoral Effectiveness:

Clergy/Leadership Coaching—The Center provides an outside resource for clergy to help them think through, reflect on, and process issues in their lives and ministries.

Leadership Through a Different Lens—The Center works with clergy, staff, and other church leadership to help them explore a different lens through which to see and understand mature congregational life and the importance of the functioning of leadership in the health of the body.

*The only real voyage of discovery consists not in seeking
new landscapes, but in having new eyes.*

Congregational Conflict Transformation and moving through Impasse—

The Center offers guidance to help congregations respond to anxiety and conflict in a healthy way that can lead to growth and transformation.

Deep Conversations for Systemic Change—

Real change often begins with the simple act of people talking to others about what they care about and listening to what holds meaning for others. When this happens, not only

are words communicated, but souls are touched and changed. Part of our work involves helping communities have these deep conversations in a manner that is safe, reflective, helpful, and can assist the community in moving forward. Part of the Center's ministry is designing processes and helping develop a safe container for these conversations to happen.

Approach to Discernment and Decision Making: How do we make healthy, responsible decisions that are attentive to God?

How do groups make healthy decisions? What are ways to help the collective wisdom to emerge? What are ways to explore, constructively, the direction emerging in the group and listen for and discern God's voice?

Abbey Retreat for Clergy and Deacons—

*The dream of my life
is to lie down by a slow river
and stare at the light in the trees—
to learn something by being nothing
a little while but the rich
lens of attention.
--Mary Oliver*

Each spring, The Center offers an opportunity for each of us to “*lie down by a slow river and stare at the light of the trees. . .and be the rich lens of attention,*” through a spiritual transformation retreat at St. Joseph Abbey, a Benedictine Monastery in Covington. The Abbey Retreat is included as part of *SoulJourney*; however, it is also open to probationary deacons and elders in their second and third post-academic years, past alumnae of The Center, those in the Clergy Peer Groups, and as space allows, any minister in the Conference who feels a need for a time apart for rest and renewal. The Abbey Retreat is a time to rest, renew and restore.

An Interactive Ministry Offered by the Center for More Connection—

Create and update the webpage for an ongoing conversation with clergy on clergy care, leadership, and systems thinking. On website have: 1) upcoming event dates listed, 2) an article on clergy care, 3) a “blog” offering an interactive page, 4) any good books review (The review can be one to two paragraphs—maximum—150 words. This is to offer a brief summary of the issues/topics the book addresses and why you recommend it). This is not to replace the reading of the book, but to entice interest in reading it, and 5) a link for people to express their creative selves—a page for poetry or quotes.

The Center will begin with new publicity through the Louisiana Now and other possible options to promote the new “Blog” and the new web-page to assist in clergy care, congregation/systems thinking, and leadership.

*Imagination is more important than knowledge.
Albert Einstein*

Collaborative Ministries--

3 M Network (Maintaining Ministers in Ministry)—

This event is done jointly between The General Board of Higher Education and Ministry, UMC, The Center for Ministry of the Mississippi Conference, and The Center for Pastoral Effectiveness of the Louisiana Annual Conference. Across jurisdictional lines, 3M is a networking experience that allows an opportunity for Conferences to explore and share ideas about what each is doing in this area of Sustaining Pastoral Excellence. The 3M experience has included representation from every jurisdiction in the U.S.

Consulting with Other Annual Conferences—

Continue to consult with other Annual Conferences that are creating their own Center's for Pastoral Effectiveness.

Annual Evaluation

Each year, The Center is in dialogue with Conference leadership asking, "How can we help you as leadership be more effective? What resources do we have available to assist our Annual Conference in maintaining ministers in ministry?"

Agency Administration

The Center's Administrative Assistant, Linda Gregg assists in planning, administrating, and organizing events.

Advisory Committee

Our Advisory Committee voluntarily covers its own expenses for meetings. It is made up of two members from the Board of Ordained Ministry, The Conference Ministry Team, and The Center and Academy participants. Ex-officio members are *Carl Rhoads and Don Cottrill by virtue of their offices. Present members are Chairperson Ernest Scott, Fred Wideman, Wybra Price, Andy Goff, Joyce Robinson, Sandi Huber and Ellen Alston.*

THE ACADEMY FOR SPIRITUAL LEADERSHIP REV. CAROLE COTTON WINN, DIRECTOR

The Academy for Spiritual Leadership is a ministry of the Louisiana Annual Conference designed to respond to the vision of the conference to raise-up spiritual leaders for Christ. Our goal is to offer various settings that focus on the essentials of spiritual leadership, which calls forth and empowers both laity and clergy to be effective in ministry. We do this in the setting of quality retreat offerings that are held at The Wesley Center in Woodworth, La.

Ministry Happens!

The Path of Spiritual Leadership is often a doorway into the various offerings of *The Academy*. For many, it becomes a place of discernment and a defining moment as they search for direction in their lives from God and the faith community. Persons who attend in 2008-2009 are invited to attend a series of four retreats:

➤ **Connecting to our Calling**

*Dr. William B. McClain, Wesley Theological Seminary, Washington, D.C.
October 2-4, 2008*

- Connecting to our Souls
Rev. Jane Vennard, Iliff School of Theology, Denver, CO
November 13-15, 2008
- Connecting to the Church and Community
Dr. Luther Smith, Jr., Candler School of Theology, Emory University
January 29-31, 2009
- Connecting to our Faith Journey
Dr. Marcia McFee, Worship Institute
April 23-25, 2009.

We begin each retreat on Thursday at 5pm with registration and close with lunch on Saturday. The retreats offer sojourners opportunities to hear from retreat leaders who are uniquely qualified in their respective fields. The covenant groups allow a safe place to share their stories and explore where God is leading them. Each retreat includes a time of Sabbath Rest of two hours after lunch to provide space to pray and ponder all they have experienced. For many, these retreats become a time of discernment and a defining moment as they search for direction in their lives from God.

They are each designed to be different in focus, but holding the same rhythm of time in community and time apart. Coming four times gives time for persons to listen for the Spirit's direction and be open to the transformation of their life journey.

This is what sojourners of the Path of Spiritual Leadership have said about their experience.

During each retreat it became clearer to me why it is called, "The Path of Spiritual Leadership". My default expectation was a 'study and learn situation'. What I found was not a teaching of knowledge, but a deepening of my Christian faith. God revealed so much to me during this journey. Each retreat was like opening a book to the next chapter of my life.

This opportunity came for me at a time when I was confused and upset about some of the things in my own spiritual life and with my church. I have found a new beginning here and made connections that will continue to be a blessing.

When I started in September, I was searching and full of questions about my own spiritual path and God's direction for me. I now have a sense of peace and have found a clear direction that has unfolded for me throughout these four retreats.

Spiritual Direction Training takes place over two years through a series of six retreats. It is led by Rev. Wendy Miller, who is on the faculty of Eastern Mennonite Seminary, an accredited seminary in Harrisburg, Virginia. She is also adjunct faculty at Garrett Evangelical United Seminary. Because of the nature of the reading list and assignments, we have partnered with Garrett to offer six academic credit hours for this course. Persons who are seeking Certification in Spiritual Formation with the General Board of Higher Education and Ministry often find this a way to begin that process.

The class of 2008-2010 is open now for application. The class is made up of 25 persons, both laity and clergy, as well as five staff persons who guide the small groups. It is designed as a seminar, with class discussion and an interactive style of teaching and

learning. Each session begins on Monday at 3 pm and closes on Thursday at 11 am. Retreats are held at The Wesley Center, Woodworth, Louisiana. Requirements for this class include attending all six retreats listed below. There is also a book list for each retreat and papers that are assigned. It becomes a way of experiencing how to engage spiritual formation in the congregation. In the process a new and deep way of listening brings an open heart and spirit to the style of ministry one offers.

Persons who have completed the Training in Spiritual Direction have made these comments:

Through this training my vocational call has gained a much broader clarity. Spiritual direction is now a part of everything I do in ministry. I have become comfortable in my own skin, not just for myself, but in relation to where I am in ministry for God in this present season of my life. This is a huge shift for me. I have probably spent most of my adult life trying to get to the next station and wanting to be somewhere else. Now I trust God's voice and have found a place of acceptance in where I am.

What I have learned about companionship others have shifted the way I approach being with others in small groups, in meetings, and in all the settings of a local church. I have gained a freedom and trust of God in realizing I didn't have to have the perfect word to say and all the answers. By nature I am a fixer and half of my life has been spent trying to fix other people's hurts, pains, and problems. Now I am more encouraging of them to seek their own answers and to listen to what God is doing in their life. This companionship has become a new call of ministry for my life.

We invite you to ponder whether this intentional kind of spiritual formation training is speaking to you. The Louisiana Conference is one of the few annual conferences that offers this kind of formational training. Let us hear from you if you feel led in this direction.

The calendar dates for this cycle of training are:

- **October 13-16, 2008**
- **February 9-12, 2009**
- **May 4-7, 2009**
- **October 4-8, 2009**
- **February 22-25, 2010**
- **April 3-6, 2010**

The Academy Reunion Retreat is a once-a-year time to call together those who have been part of the Academy in any of its offerings through the years. It is a way of connecting with persons who share a similar life changing season and want to renew "the ties that bind". It also gives an opportunity for a time to look at where your journey has led you, and for you to be still as you listen for new directions. It has a similar rhythm of time with a retreat leader, time in small covenant groups, time apart in Sabbath Rest, time to worship, and time to sing. The Reunion Retreat will have its own time and space in the life of the Academy. If you've been before and asked, "What next?" this may be your answer. Be watching for the next Reunion Retreat in 2009.

Into the Stillness: A Contemplative Retreat has become an annual time out for persons who seek a place of quiet and want to come apart to listen for the guidance of God. Our own persons in the Louisiana Conference, who have received training in Spiritual Direction, lead this retreat. The days include time of gathering for worship, time of offering guidance for prayer, and lots of space to 'be still'. It is a way of being in silence while living in community. Each person has their own room and bath in the Christian Life Center at St. Joseph's Abbey in Covington, Louisiana. Our days at The Abbey also include worshipping at various times with the monks. Our capacity for this retreat is 45 persons, which is the number of rooms available to us.

Our Contemplative Retreat is July 28-31, 2008 at St. Joseph Abbey, Covington, LA.

These are some reflections from persons who attended last year:

I needed this retreat to discern a major decision I am making in my life. It reminded me that God will direct my path and not lead me astray.

I came physically and mentally tired and left renewed and refreshed.

My life is spent very much 'in the world'. This time apart give me a chance to slow down and simply be. In the silence, I am learning to see.

I left this retreat as a renewed person in God and spirit-filled. I came as an empty pitcher and I leave overflowing.

The Discerners Academy is a way our process for reaching out and recruiting persons who are hearing a call to ordained ministry. In the process, we offer a way to sustain them in the time of Candidacy and as they enter seminary. They are invited to attend a Discerners Academy in order to be among peers who are asking the same questions and living with similar yearnings. We give them a glimpse into a class at a United Methodist School of Theology by inviting a faculty person to be with us as the retreat leader and teacher. Perhaps most importantly, through the small groups they find a safe place to bring their tentative questions and unresolved issues. With the support of the Board of Ordained Ministry they learn more about the path to conference membership and how they can be supported financially in seminary. Throughout the weekend, the staff persons give a witness to their own call to ministry, and to how they selected a school of theology to attend. In addition, there is time to hear from Admission Personnel from our various UM seminaries.

By bringing discerners into this experience we have also created an informal network among the persons who are now in candidacy, as well as those attending schools of theology. This means that as they return to the Louisiana Conference, there is a built-in community of colleagues in which they are already connected. The Discerners Academy has become a model for other conferences seeking ways to recruit and nurture persons into ordained ministry.

The Discerners Academy will be in March 13-15, 2009 at The Wesley Center.

Comments from our Discerners Road Trip to New Orleans:

This weekend I became friends and a brother to several people I would not have otherwise met. As though this wasn't gift enough, I felt reaffirmed in my conviction that

the Lord was prompting me towards a vocation in Christian education, but that I didn't have to have all of the answers about the exact nature God would move me into this area of ministry.

I received confirmation of the call that has been placed on my life. I now understand that God has me where he wants me and I should want to hear more information.

I received affirmation of the call. But, also an expanded awareness that I am surrounded by others who are willing to listen with concern, direct with compassion and care without limitations.

Discernment is not a destination; it is a journey! Be still and listen.

General Comments:

This year we have reached a ten year bench mark with *The Academy for Spiritual Leadership*. It has evolved into a ministry that is deeply interwoven into the life of our people in the Louisiana Conference. It has touched the lives of hundreds of laity and clergy throughout these years. Persons have come with an empty heart and found rest by still waters and been renewed in spirit.

We are now a doorway by which persons can receive academic credit for courses in seminary. It has been a turning point for laity seeking a way to deepen their relationship with God and bring a renewed energy back to their local church. We have launched persons on their path to ordained and lay ministry.

Each year we throw out a net to invite persons to the various paths of spiritual leadership. Like the net, which Jesus instructed to be thrown to the other side of the boat, it has come up laden with those who are eager to be a part of a venture such as this.

In the imagery of the loaves and fish, *The Academy* offers sustenance to a hungry and longing crowd. As we gather the pieces that are left over, we find baskets full and brimming over. Those fed by what was offered have multiplied their experiences beyond imagination. Who are these people who have shared the loaves and fish? They include:

- 382 in the Path of Spiritual Leadership
- 156 who have entered into a contemplative retreat
- 79 who have come to training for prayer in the congregation
- 118 who have been commissioned as Spiritual Directors
- 245 who have attended a Discerners Academy
- 191 who have served on staff for these retreats
- 19 who are receiving academic credit from Garrett through the Academy

The ripple effect has touched congregations, campus ministries, laity and clergy across the annual conference. We sense the momentum is building and our people will continue to flow into the retreats that are offered for 2008 – 2009.

Look within yourself and ask, "What is speaking to me and where am I being led in this coming conference year. Perhaps it may be through the door of *The Academy for Spiritual Leadership*.

2008 Sustaining Pastoral Excellence Program Report
Rev. John Edd Harper
Coordinator of Conference Board of Ordained Ministry

1. **Describe your project activities during the last year.**

John Edd Harper now works full-time for the Conference Board of Ordained Ministry (CBOM). He is no longer responsible for Christian Education within the Conference, and continues to fulfill the job description of the Coordinator of the CBOM. Gertrude Knight was hired as part-time Administrative Assistant to the Coordinator of the CBOM. All of the registrar files for the CBOM have been updated and maintained in a systematic manner. The CBOM members are being trained with regard to their responsibilities in working with candidates (elder and deacons) going through the probationary process or local pastors going through the course of study. The CBOM is developing written policies and guidelines to be used in a CBOM handbook. District Committee on Ordained Ministry (DCOM) members participated in a training event to better understand their role and responsibilities in working with candidates preparing for licensed or ordained ministry. The CBOM has helped probationary candidates for ordained ministry move from readiness to effectiveness in ministry. Young adults (ages 16-25) are being targeted for recruitment and enlistment into ordained ministry as a vocation. A task force within the CBOM is studying the various aspects of effectiveness in ministry. Professional certification (Christian education, spiritual formation, music ministry, etc.) within The United Methodist Church has been promoted throughout the Conference. All Louisiana seminary students are being contacted on a regular basis and all seminary student loans are being processed in a timely manner.

2. **Describe the impact of your work on pastoral leaders and congregations. Tell a story or two about the impact on your participants as a result of their involvement in your project. Please be specific.**

Laity within congregations are discerning a call to ministry as a vocation. Candidates for licensed or ordained ministry are confident that their files are being maintained professionally and confidentially. Pastoral leaders who are in the probationary process have said: "it is great to have a person with great attention to detail working with my CBOM file and it is nice to have one person to call to get all of my questions answered."

3. **Please describe your own assessment of how your project is progressing. (Or, if this is your final report on a grant, how you might reflect on these questions looking over the whole grant period.)**

- **What are you learning from your work with pastoral leaders about excellence in ministry and how it is sustained?**

Excellence in ministry must be discussed and intentionally planned for through Continuing Education opportunities, small group encounters, and our Center for Pastoral Effectiveness. Pastoral excellence is a growth process that begins early in the candidacy process and continues throughout the life of the clergy person.

- **What strategy or strategies for sustaining pastoral excellence have worked best in your project? Why do you believe they have been effective?**

Hiring a full-time staff person and a part-time administrative assistant to work with clergy has worked well for sustaining pastoral excellence within the Louisiana Conference of The United Methodist Church. Training the CBOM and DCOM in their work with candidates has allowed more positive interaction between the candidates and their evaluators.

- **What has not worked as well as you had hoped? Why do you believe these efforts have been less effective?**

Policymaking has not moved as quickly as we had hoped. It takes time to research and analyze information before creating a policy that will affect various aspects of pastoral excellence in ministry.

- **How has your program changed in response to your ongoing evaluation?**

Our program is growing larger and expanding to new areas. The CBOM is discussing what pastoral excellence means, and our Orders (Elders and Deacons) are discussing it as well. Due to the expanding and complex requirements for ordination, a greater number of persons exploring a call to ministry within the Louisiana Conference, and a desire to offer a more relational ministry to candidates, there is a need for the previous part-time position for the Coordinator of the CBOM to become a full-time position. Thanks to the Lilly Grant extension, this was accomplished in January 2007.

4. **Describe in as much detail as you can the theological understandings of pastoral excellence that continue to emerge in your project. Has this theological conversation about pastoral excellence deepened as the project has progressed? If so, how and why? If not, why do you think it has not?**

As we strive to live out the teachings of Christ in Mark 12:30-31, “you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength. The second is this, ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these,” we are aware that our theological understanding of pastoral excellence continues to evolve.

This project has helped the Louisiana Conference of The United Methodist Church increase the offering of our best service to Christ and His church through the numerous ministries (staff serving candidates for ministry, clergy renewal leave, the Center for Pastoral Effectiveness, the Academy for Spiritual Leadership, Discerning

the Call Retreats, leadership development, etc.) we have been able to initiate as a result of the Lilly Grant funding.

5. **What are your plans for the next year? Please also list the project leadership for your grant, noting changes that have been made, if applicable.**

Our plans for next year are to continue to encourage pastoral excellence through the Louisiana Conference by offering: a candidacy mentor training event, a District Committee on Ordained Ministry training event, a high quality probationary process (moving from readiness for ministry to serving effectively in ministry), continuing education events, spiritual formation events, professional certification, the creating and refining of a CBOM Handbook, and the implementation of a new "Professional and Personal Self-Care" workshop focusing on holistic care: spiritually, mentally-emotionally, socially and physically. Rev. John Edd Harper continues to serve as the Coordinator of the Conference Board of Ordained Ministry, and Gertrude Knight serves as the part-time administrative assistant for the Coordinator of the Conference Board of Ordained Ministry.

Clergy Renewal Leave Program
Donald C. Cottrill
Provost and Project Coordinator

The Clergy Renewal Leave program of the Louisiana Conference was begun in 2003 with the introduction of the Lilly Foundation Grant. This program is one of the components of the Sustaining Pastoral Excellence project of the Conference. The purpose of the program is to provide opportunity for active clergy to experience a time for spiritual, emotional, and physical renewal. This renewal takes place through time away from the normal pastoral duties, in a planned, self-designed and directed program, with the approval of the local church or agency, the District Superintendent, and the Clergy Renewal Committee of the Sustaining Pastoral Excellence project. Currently, the CRL program allows for between a six to eight week Leave, with an allowance of \$750 per week awarded to the participant, in addition to their normal salary and benefits.

Ministry Happens!

Six persons took advantage of the Clergy Renewal Leave program in 2007. The time away ranged from seven weeks to six months (the six month leave was in conjunction with another leave opportunity). As in previous years, the leave times varied in style, but the components of individual and family time, travel (both in the United States and in other countries, including England, Ireland, France, Denmark and Israel) and opportunities for personal and guided spiritual growth experiences were included.

Project Activities

Each of the participants prepares a summary report following the Clergy Renewal Leave, including a financial report on the funds provided with the Leave. The report provides the participant an opportunity to retell their experiences, to comment on the program itself, and to reflect on the spiritual and emotional impact the Leave had on both the pastor and on the congregation. A few of the comments are as follows:

Renewal leave was an excellent experience, and one that I would recommend to anyone who has been in ministry for a number of years, has been through a period of significant stress or trauma, or is experiencing life changes or considering a transition in ministry. At first, I didn't see how I would be able to step away from the ministry for an extended period of time, but I see now that it was not only possible, but was one of the most healthy and life-affirming decisions I could make. My ministry is stronger. My health is better. My family relationship is stronger and I feel more closely connected to God.

I feel renewed in many ways. The break from leading the church, the time with my family and the variety of experiences and activities have given me a fresh perspective on life and ministry. The time to focus on exercise, study and prayer has breathed fresh life into me at all levels. On another level, while I was able to engage in many experiences and

activities that energize and feed me, I didn't rest much. What I have been working on since I've been back is being more careful to balance work and rest, as well as maintaining an exercise routine. I am working to maintain my rhythms for prayer and study and will be seeking a spiritual director in the near future.

Friends and co-workers have commented that I seem to be going about both my work and my personal life with a lot more ease and less stress. I would agree that life has taken a less confused and speedy pace since my renewal leave. Though each day that has passed since my return from Italy offers the threat and opportunity for that stress to return, I've tried to lean on my "practice" to lessen that possibility. I think the Assisi experience will have an effect on my well being for the rest of my life.

I would definitely recommend a renewal leave for each and every clergy and particularly those who have begun to think toward that possibility. Ours is not an easy task and it can easily take its toll on family and health as well as belief and faith. Ministry offers some of the most meaningful events of life but not always those that we might dream for ourselves.

I am thankful to God for the "awakening" I had on this clergy renewal leave.

Since the renewal leave, I have seen the church become stronger by "letting go" of many of the things that I felt were dependent upon me. More than simple delegation, it has been a stronger understanding of the role, indeed the responsibility, of the pastor to be one who "equips the saints for the work of ministry." I am stronger, as is the congregation, because of the shift.

I would encourage others who are contemplating the renewal leave to be clear about the purpose of the leave, that is, a time to reconnect with family, to do some continuing education in whatever form that takes, and also to truly rest, both physically and emotionally. I would also caution them not to yield to the temptation to "get something done," or to "accomplish" something as though it is something to "do."

Theological Reflections

The concept of "Sabbath" has been a part of the Judeo-Christian theology as far back as our history records, beginning in the Book of Genesis and continuing through the teachings of Jesus. In the past few years this theological practice has been renewed through modern day theologians and learners alike. It simply makes sense to take time for a Sabbath in the midst of our busy and challenging lives. It is a pragmatic way to stay in touch with God and Christ, and to pay attention to the "way, the truth and the life" that is the center of our witness to Jesus Christ. Those who have participated in Clergy Renewal Leaves bear personal witness to the life-giving renewal that comes from such an experience.

Next Year

The Clergy Renewal Leave program will continue for 2008 with the assistance of the Lilly Foundation. There is a total of \$30,000 set aside for approximately five Renewal Leaves ($\$750 \times 8 \text{ weeks} \times 5 \text{ clergy} = \$30,000$). Three clergy have already requested and have received grants for 2008.

WESLEY CENTER BOARD OF TRUSTEES

The Mission of Wesley Center is to provide a place for spiritual holiness, healing and wholeness under the guidance of the Lord Jesus Christ. With these ideals in mind we file this report.

Last year we announced our Phase One Development Program with an estimated cost of \$1,300,000. It was our hope that these projects would be completed in the first quarter of 2008. As of March 5, 2008 we report our progress:

1. Wesley Center Meeting Building – After a very long wait due to the architect not completing plans and specifications for this building, we have received today a low bid of \$721,500. This bid amount is out of the budget and as of this date we will have to review our options as how we will proceed. We will be working with the architect to determine if and what might be changed on the plans to bring the cost in line. This is a joint venture with the Louisiana Cursillo Community.
2. Oden Pavilion – The contract for the construction of this building has been signed and the work is under way at this time. The building permitting and the weather have caused delays in construction. The contractor is now at the mercy of the weather. The plumbing has been roughed in, batter boards for the foundation are up, the metal building has been ordered, and if we can get some good weather this Pavilion should be completed by late May or early June.
3. Trails – The first phase of the Trail's program is under way. The contractor has cleared the paths and will be hard surfacing them as soon as weather permits. This phase will be 6,400 feet and will include two bridges. The trail will start at the new playground and go to the cross area. There will be benches along the way, as well as signage describing various trees, animals or birds. Some are saying this will be the finest trail system in Central Louisiana.
4. RV Park – A group of interested persons are putting together this project and will be responsible for the development of this RV Park at Wesley Center.
5. Rooms – The rooms program for the East Lodge has been completed and additional lavatories are being installed in the West Lodge.
6. The Lamar & Wally White Sports Field – Work has begun and the grass seeding will be done as weather permits.

Shelby Smith, Chairman of our Development Committee, has done great work, and the delays that have transpired are a result of deadlines not being met. We feel that this phase of our Development Plan should be completed by year's end.

Financially we are still trying to raise a total of \$300,000 to complete Phase One. To date we have received, or have pledges, totaling \$140,500. For ways you, your Church or District can help please contact a Wesley Center Board Member.

If you would like to see what is going on at Wesley Center, go to our web site, www.thewesleycenter.com and the web site of Brittain and White for the construction of the Pavilion and the Trails Program, www.brittainwhite.com/Wesley.shtml.

It is with regret that we accepted the resignation of Richard Bushnell as Executive Director effective December 31, 2007. He has served us with total dedication for the past six years. We wish him well in his future endeavors. A search committee has been formed and we hope to have a new Executive Director in place by Annual Conference.

We Celebrate:

- The fact that Wesley Center provides a place where lives are being changed and the message of Jesus Christ is being proclaimed.
- Our partnership with Martin Land Development (Roy O. Martin Co.) which provides funds to Wesley Center from the sale of lots.
- The commitment and support of The Louisiana Conference through apportionments.
- Financially ending 2007 in the black.
- Completed headboard projects for the redesigning of the rooms in the East Lodge.
- Completed the new carpet in meeting room 1008 and 1009.
- Completed the beautiful gas fire logs making the fire place a wonderful addition to the Commons Area to enhance community, conversation and fellowship for all our guests.
- Maintained wireless Internet throughout facility, which has been a great selling point for many groups.
- Business continuously improves, with new groups checking on our facility. Excitingly, we have a possibility of the United States Federal Government – Forestry Department coming in 2009 for a large conference. We continue to hold conferences for the LSU Ag Center and Louisiana Department of Education. We also have a spiritual, community project that will be using the center for a statewide rally closer to the end of 2008 with probability of coming back to our Center in 2009.
- Scouts under the direction of Rev. James Poole have helped on trails and other projects.
- United Methodist Women's Peace Pole and Prayer Garden area is nearing completion.
- United Methodist Men completed their Memorial flag display area.
- Much emphasis has been placed on the staff members to bear witness and service of Jesus Christ to everyone who comes to Wesley Center.

Goals that are a priority for the upcoming year:

- Continuing the upgrades and enhancements to Wesley Center
- Purchasing the remaining audio/visual equipment needed
- Purchasing a new phone system
- Complete Phase One Development Program

- Continue to be a lighthouse of Christ's love and be disciples providing love, service and a beautiful place to hold meetings, retreats and conferences
- Hire new Executive Director

Concerns and Challenges facing Board

- Raising money for developmental phases
- Maintaining and expanding the mission of spiritual renewal center
- Replacing & repairing aging roofs, floors, furniture etc.

SOUTH CENTRAL JURISDICTION

This is the year of Jurisdictional Conference and representatives will gather at the Hilton Anatole in Dallas, July 16-19, 2008. During this time four new bishops will be elected and assigned across the Jurisdiction. Hopefully a number who live within easy driving distance will visit the Conference and view the process of electing a bishop.

We are grateful for the contributions given to the Apportionments during 2007. The total payout was 92%, which was about the same as 2006.

Hope to see you in Dallas.

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

"Celebrating, serving, preparing...we invite you to be open with us, to what God can do."

This heartfelt and challenging statement ended the jurisdictional institution report delivered to delegates and attendees during the 2004 South Central Jurisdictional Quadrennial Conference. The actions taken by the Mount Sequoyah Board of Trustees, and the support and increased attendance from Methodist from all Conferences across the Jurisdiction show a renewed commitment to revitalize the nine-decade mission and the programs of ministry of the Mount Sequoyah Conference and Retreat Center. Our continued purpose of eighty-six years is to partner in fulfilling our church's mission to make disciples of Jesus Christ for the transformation of our world.

In 2008, we report the response to program changes made during the past 36 months. During 2003, three jurisdiction-wide Methodist training events were held at the campus of Mount Sequoyah. Beginning in July 2006 and extending through December 2007, fifty-eight jurisdictional and national events for Methodist laity and clergy leadership met at Mount Sequoyah. When comparing the number of guests using the facilities at Mount Sequoyah, we see that 2,200 guests registered to use Mount Sequoyah for meetings and training events or for retreat in 2004. During each of the past two years, Mount

Sequoyah hosted just fewer than 12,000 individuals registering for events and programs, and personal retreats. Methodist laity and clergy gather at Mount Sequoyah for discipleship training; for renewing their soul, and for energizing their focus for being a disciple of Jesus Christ actively participating in transforming our world.

Significant increase in leadership training programs saw a surge in attendance from laity leadership and clergy from the Louisiana Conference and from other conferences across the South Central Jurisdiction. Some of these programs are: a first annual conference for young UM clergy; on-going New Church Leadership Institute for new church development; clergy for interim training conferences; Jurisdictional Song Writers Workshop Weekend; Senior Adult Leadership Training; Jurisdictional Singles Retreat; Bishop led United Methodist studies training for persons entering United Methodist ministry; Laity initiatives included Lay Speaking Ministry Conferences; a healthy lifestyles “train the trainers” seminar for leadership from each of the fifteen SCJ conferences; marriage retreats; youth ministry training; and the environmental Caring for Creation Conference with national recognized leadership. In early 2007, Mount Sequoyah hosted the first meeting between national VIM Conference coordinators and the Disaster Relief Coordinators. This meeting was planned and sponsored by the GBOGM.

Meetings, training sessions, and ministry partnerships held at Mount Sequoyah in past months have reintroduced the Mount Sequoyah mission of service and hospitality to the national training and executive staff members of the general boards and agencies of the United Methodist Church. Mount Sequoyah has recently hosted international meetings for The Middle East and Islamic Studies International Symposium; Vision Conquista, Partners of the Americas; Leadershape for college and university student leaders; and regional Emmaus walks.

Physical renovations to the campus facilities and grounds continue to be a priority. The Louisiana Conference is once again a leading partner bringing positive change in implementing our master plan for improving the hard surfaces and providing a central gathering place. The addition of the planned Friendship Plaza, a gift from individuals from the Louisiana Conference, will be a constant reminder of our Church at its best being a ministry of caring for others. The Martin Building interior meeting and class rooms have been renovated with new ceilings, better lighting and furnishings. Forty-six buildings have new exterior paint and most building interiors have received a fresh refurbishing. Several hundred volunteers gave their time and skills for thousands of hours of labor to include the renovation of the eleven lodging units in the New Mexico and Sequoyah Cottages. The Nebraska Conference has begun to renovate the four-unit facility named for that Conference. Lodging facilities that once “sank hearts” are now show-piece renovations. We offer a special thank you to the volunteers from the many conferences who worked on these important Mount Sequoyah projects.

A significant recent gift, by a local hotel developer, benefits Mount Sequoyah with new furnishings to complete each sleeping room. New bed linens and drapes are also in every room. This gift of hotel room furnishings is valued at over \$300,000.

The serenity and beauty of this historic campus continues to provide our South Central Jurisdiction with a very unique urban training and meeting facility. A new facilities master plan has been approved by the Trustees and provides leadership with a vision for what this ministry at Mount Sequoyah can offer to United Methodists across the Jurisdiction and around the world.

Mount Sequoyah will heed the call to action and partner in the new and exciting direction for our Church. Mount Sequoyah will continue to provide a place to help disciples of Jesus Christ to understand and to act on God's call for transformational ministry.

2007 IN REVIEW

Fund Management

The Foundation manages 916 accounts of which 622 are custodial accounts and 294 are gift accounts. Funds under management total \$125,555,829; custodial funds account for \$90,973,855; endowments and permanent funds account for \$34,581,974. Forty-five new custodial funds totaling \$2,614,211 were established.

Planned Giving

New gifts from individuals totaled \$1,369,485 at donation. The Foundation now has 124 deferred gift accounts, such as charitable gift annuities, charitable remainder trusts and life estates. Life insurance policies constitute five additional gifts at a total face value of \$183,000.

Loans

At the end of 2007, the Foundation's Loan Portfolio included loans to 44 United Methodist Churches and ministries, ten of which were new loans. The entire portfolio totals \$6,479,952.

Grants

The Foundation budgets approximately 20% of its gross annual income for grants each year. In 2007, the Foundation awarded grants to:

- The new Louisiana Methodist Children's Home in Mandeville, which will provide a home for over 20 children in the south Louisiana region;
- The Louisiana Annual Conference to provide funds to hire a grant writer, who in turn has secured at least \$1 million for hurricane recovery;
- The New Orleans Mission Zone and the Louisiana Annual Conference to hire a youth director to create and coordinate programs to help meet the needs of youth in the area; and
- The Louisiana Annual Conference through the Good Shepherd Fund, to underwrite a pilgrimage for 19 clergy in the Conference to the Holy Land.

Additionally, the Foundation provided service loans to 52 seminary students for enrollment in United Methodist-approved seminaries. Upon graduation, the loans will be forgiven for those who serve in the Louisiana Annual Conference at least five years.

Capital Campaigns

The Foundation led capital campaigns around the state, from St. Mark's UMC in Monroe to Aurora UMC in New Orleans. The capital campaign staff, led by Dr. Ken Reed, takes each church through every step of the capital campaign process, allowing them to expand ministry, retire burdensome debt and renew facilities. While raising needed funds, the campaigns also have a positive spiritual impact on the congregations through prayer and Christian leadership.

Legacies Gala

The Foundation recognized Bill and Lena Henning this year in March at its annual Legacies Gala. The Hennings received the Jesse B. Stafford Leadership Award for their generosity toward United Methodism, shown by a charitable gift through the Foundation to support the Louisiana Methodist Children's Home.

One of the traditions of the Legacies Gala is to offer a platform to United Methodist agencies statewide on a rotating basis. The featured agency this year was the Wesley Conference Center of Woodworth. Also represented at the gala were Centenary College of Shreveport, Perkins School of Theology at Southern Methodist University in Dallas, and the Louisiana Methodist Children's Home.

Sponsorship at SMU Minister's Week

Underwriting Southern Methodist University Perkins School of Theology's annual Ministers Week in Dallas this year was a natural fit for the Foundation, considering that the event's focus was faith and money. The Foundation paid half of the registration fee and one night's accommodations for ministers in the Louisiana Annual Conference. Nearly 40 ministers and laypersons from Louisiana attended and discussed issues such as the theology of money and stewardship, church finance and development, and clergy and family financial concerns.

Expansion of Development Staff

Keith "Kip" Shuford was named development officer of the Foundation in February to educate United Methodist pastors and church leaders about Foundation services and to

promote planned giving to the United Methodist Church. Kip will focus on the southern half of the state, while Bob Carrell will continue to cover the northern territory. Kip's deep-rooted history of Methodist involvement and his banking and business background suit him perfectly for this job.

New Board Member Elected

Dr. Donald Avery, senior pastor of First United Methodist Church of Natchitoches, was elected to the Board of Trustees of the Foundation in the spring of 2007. His three-year term began when his election was ratified at the United Methodist Louisiana Annual Conference in June.

BOARD OF ORDAINED MINISTRY

The Conference Board of Ordained Ministry (CBOM) seeks to fulfill its responsibilities as outlined in the Book of Discipline. Among these duties are: to enlist and recruit new pastors; to guide candidates pursuing ordained ministry through a caring process of guidance and accountability leading to full connection; and to examine all applicants as to their fitness for ordained ministry. In addition, the CBOM is charged to make full inquiry as to the effectiveness of the candidates for: annual election as local pastor; election to probationary membership; and election to full conference membership. The CBOM is divided into three divisions to carry out its task. Those divisions are: the Division of Elders, the Division of Deacons and Diaconal Ministers, and the Division of Local Pastors and Associate Ministers.

The CBOM expresses great appreciation for the effective work of each board member and the work each District Committee on Ordained Ministry does with candidates in the ministry process. We also applaud the annual License to Preach School, the annual Discerning the Call Retreat for 16 to 25 year-olds who are discerning a call to licensed or ordained ministry, and the various training and continuing education events sponsored by the CBOM.

Because of intentional recruitment, there are now more than 45 persons from Louisiana in various seminaries. We are continuing to support our seminarians by partnering with the Louisiana United Methodist Foundation in our Service Loan Program. We encourage you to continue supporting both the Ministerial Education Fund and the Pastoral Care Fund in your regular apportionment giving which allows us to support education for ministry and the work of the CBOM.

It has been an honor to serve as the Chair of the Conference Board of Ordained Ministry this past quadrennium. We have worked toward ensuring that our future will be more secure in having qualified and gifted persons for ministry in our Louisiana Annual Conference.

John N. Williams, Chair

DIVISION OF ELDERS

As a Division, we are charged with the awesome task of evaluating candidates for ministry. It has been our goal to help the candidates discern whether or not God has called them for full-time service as Elders in The United Methodist Church, and if they are ready to assume those duties. This is a wonderful privilege and an immense responsibility. We do not take it lightly.

It is our belief that we are *all* called to ministry within the church; some, however, are called as Elders to the particular ministry of Service, Word, Sacrament, and Order.

We have, over the last quadrennium, met with 30 third-year probationary candidates for ordination. Of those, 28 have been ordained as Elder, and received into full membership within our Annual Conference.

It has been a tremendous privilege to serve with the dedicated group of clergy and laity who have taken this ministry seriously. They have given many, many hours toward the work of our Division. They have spent time in interviews, reading and listening to sermons, evaluating countless answers to Theological Questions, conducting in-parish interviews, serving as mentors, praying for and nurturing our candidates. Their efforts have been noteworthy, to say the least.

I believe I speak for the entire Division in saying we have been richly blessed by the candidates who have engaged us in this discernment process. They, too, have worked tirelessly, taking seriously this process of discernment and growth. God is definitely at work among the People Called United Methodist!

DIVISION OF DEACONS, DIACONAL MINISTERS, AND CERTIFIED LAY PROFESSIONALS

The church offers professional certification in the areas of music ministry, Christian education, evangelism, camp/retreat ministry, older adult ministry, youth ministry, and spiritual formation. Many of our lay persons and ordained ministers are certified in these specialized ministries.

We celebrate 10 years of the Order of Deacons and 30 years of Diaconal Ministry in The United Methodist Church. The Louisiana Conference has three active diaconal ministers, 20 ordained deacons and nine probationary deacons. This year marks the first time a deacon will serve as a clergy delegate to General Conference, and the second time a diaconal minister will serve as a lay delegate to the Jurisdictional Conference.

As those who have answered the call to servant ministry, we are clergy (deacons) and lay people (diaconal ministers) who work in the local church and beyond. Diaconal ministers are consecrated to a lifetime of service extending the witness of Christ's love and justice in the world. Deacons are ordained to word and service, focusing on caring for the needs

of the people of the world. The ministries of the deacon and the diaconal minister allow employment outside the walls of the church. Many of us serve in the world as social workers, physicians, nurses, educators, lawyers, musicians, chaplains, counselors, community developers, etc. However, all persons who are appointed beyond the local church are accountable to the Annual Conference for the practice of their ministry.

The diaconate challenges us to depart from our worship service to go forth in service and thanksgiving as servants of the whole of God's creation.

DIVISION OF LOCAL PASTORS AND ASSOCIATE MEMBERS

Our Division is responsible for insuring that those who are called to pastor, order the lives of local congregations, and make disciples for Christ as Local Pastors, Associate Members, Other Fellowship Members and Other Elders are fit, prepared, and effective as spiritual leaders in The United Methodist Church. We continue to be inspired and amazed at the dedication and service given by these pastors who serve among us. There are presently 172 Local Pastors, Associate Members, and Clergy from Other denominations giving effective leadership to our churches across Louisiana Methodism.

As of Spring 2008, the Louisiana Annual Conference consisted of 15 Associate Members in active service, along with 37 Full-time Local Pastors, 95 Part-time Local Pastors, 17 from Other Fellowships, and 8 clergy from other Annual Conferences or other Methodist Denominations. This does not include those with a retired relationship. As an Annual Conference and as brothers and sisters in Christ, may we celebrate the important contribution of ministry that each person represents.

This year, we offered a five-day intensive License to Preach School that was attended by 19 persons - 17 seeking to serve within our conference and two from other annual conferences. At this Annual Conference we will celebrate 6 Local Pastors who have completed their Course of Study Work. Over the last four years, it has been our Division's goal to clearly define and articulate policies and processes that will help Local Pastors better understand the often confusing and difficult journey required of them. As this quadrennium comes to a close, we feel that we have accomplished this goal.

One area of concern for our Annual Conference is that many of our districts are experiencing a shortage of Local Pastors, especially part-time local pastors. Our Annual Conference is very dependant upon Local Pastors and all research indicates that this will continue to be so in the years ahead. We need to be intentional about recruiting and encouraging those who have the gifts and call of pastoral ministry to consider the invaluable role of serving as a Local Pastor.

The Division of Local Pastors and Associate Members wishes to express its gratitude to all of our Local Pastors and Associate Members of the Louisiana Annual Conference for their faithful and effective ministry.

ORDER OF ELDERS

One of the questions I have heard again and again is, "What is the Order of Elders?" The technical answer is, "An order is a covenant community within the church to mutually support, care for, and hold accountable its members for the sake of the life and mission of the church." (2004 BOD ¶306) More simply stated, the intent of the Order of Elders is to reclaim a sense of covenant community among elders.

To this end, the Order of Elders held a retreat October 23-25, 2007, at the Wesley Center. Well over 100 elders and probationary elders registered for this retreat and many more "dropped in" during our time together. We were pleased to have several retirees in attendance. As participants reflected on the experience, one of the more meaningful things said to come out of the retreat was the ability to connect on a deeper level with colleagues in ministry. We had the opportunity to dialogue about things that were heavy on our hearts (such as spiritual disciplines, race, salary equity, pastoral effectiveness) and also about things that were not so heavy (such as funny ministry stories, practices that "fill" us, etc.) One thing was abundantly clear at the end of the retreat - we need to create more opportunities, as individual clergy and as an Order, to be in conversation with one another as we continue the journey of living in covenant.

The Order of Elders' leadership team has established a Website at www.la-elders.org with the hopes of better facilitating communication and dialogue across the connection, and an Order newsletter is in the works. We will host conference-wide Elders' retreats on a regular basis.

Many have spoken to me about their hunger for a stronger connection among/between their colleagues in ministry. We need to remember that the concept of an Order is a new thing in United Methodism – we will need patience as we work to fully discover and then embrace what it will mean in the long run. The other thing to remember is if you are an ordained elder then you are a member of the Order of Elders. The Order is, and will be, what *you* make it. If you long for connection then pick up the phone, send that e-mail, reach out. In the wise and wonderful words of Greg Davis, "To have a friend, you have to be a friend." What are you waiting for?

Brady Whitton, Chair

ORDER OF DEACONS

Our Order of Deacons consists of 21 full connection Deacons and five retired Deacons. We have nine probationers in process to become ordained Permanent Deacons in the

Louisiana Conference. This year, we had only one gathering for our Order. In the early fall, we met at Grand Coteau, the Jesuit Spirituality Center, for a retreat with Dr. Carole Cotton-Winn using the book, "The Music of Silence," by David Stendle Rast. It was a time of reflection and renewal that brought our group to a place of great peace and gratitude for all God has given us. Those who were able to attend left with a renewed interest in our interior journey that is so important to the life of each clergy.

Some of the goals I envision for the coming years include ways to connect our state wide Order of Deacons in ways we have not addressed. This might include a study of the *Book of Discipline*; a Bible Study on Servanthood; a cooperative time with the Order of Elders, and a discussion of possible joint efforts with the two Orders. There are always new ways to create God's work in ministry, and I pray that the spirit of companionship will always play a vital part in this creation in the coming year. One that takes us together...and not down separate roads of ministry.

LOCAL CHAPTER OF THE NFAMLP

The local chapter of the National Fellowship of Associate Members and Local Pastors had two representatives in attendance at the National Convention in Branson, Missouri. The Rev. and Mrs. Ross C. Ford, Jr. and Rev. Pamela F. Roy attended the Convention in September, 2007, for four days. Bishop Robert Schnase welcomed us to Missouri and was guest speaker to the opening banquet. Billy Reeder presented information on the use of Internet and Web service for our ministries in the local church. Mr. Reeder expressed the importance of local churches meeting the communication skills of today's world in worship as well as in other ministries and programs.

Several policies have been incorporated through the Board of Ordained Ministries:

- The Vacation policy has been reworked to include part time local pastors.
- The yearly continuing education units (CEU) policy has been reworked to include local pastors.
- The Associate Membership program has been reworked to include in-parish visits.
- The Other Fellowship program will have in-parish visits as well.
- Associate Members seeking to become elders will have seminary student loan money available on a first come first serve basis.
- All policies and procedures have been reworked to be in line with other division requirements.
- The fellowship will have a one day evangelism workshop September 20, 2008, at the Wesley Center. The Rev. Ramonalynn Bethley, District Superintendent of Alexandria, will be our guest speaker.
- Rev. Charles Hicks, President of the NFAMLP, will be meeting with us this fall after the General Conference. Rev. Hicks will report how the actions taken at General Conference, 2008, will affect Local pastors and Associate members.

- The Local Fellowship will have election of officers at Conference, 2008, during our evening banquet.

It has been an honor and privilege serving as President of the Local Chapter of the NFAMLP.

COMMISSION ON EQUITABLE COMPENSATION

The Book of Discipline clearly states that the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (See par. 623). In addition, the Annual Conference provides a program of support for the ministers (not the individual churches) to assure them a livable level of financial support when serving a full-time appointment. Towards this end, the Commission on Equitable Compensation recommends the following program:

Local churches whose ministerial leadership is receiving an Equitable Compensation Grant are expected:

1. To raise their local compensation by a minimum of 5% annually until there is no longer a need for Conference support.
2. To pay all apportioned ministerial items (Pension, Equitable Compensation, Episcopal and District Superintendents' Funds), World Service and Conference Benevolences.
3. To conduct an Annual Stewardship Campaign.
4. To carry Louisiana Worker's Compensation insurance on their minister and staff.

The formula for 2009 grants will be based on the 2009 Louisiana Annual Conference Average Compensation.

- A. The minister's Conference relationship sets the Equitable Compensation he/she is eligible to receive as outlined below. Any changes in Conference relationship during the year will change eligibility.

2009			
Conference Relationship	Conference Average Compensation	Percentage Applied	EC Base
† Full Connection	\$58,585	63%	\$36,909
† Probationary	\$58,585	59%	\$34,565
† Associate Member	\$58,585	55%	\$32,222
† Full-time Local Pastor	\$58,585	51%	\$29,878

- B. For the purpose of determining the Equitable Compensation Grants, the minister's total base compensation includes base salary, travel, utilities, any continuing

education funds in excess of \$500, and any housing allowance above 25% of minister's base salary. (This began January 1, 1999.)

- C. Ministers receive an additional \$100 for each year of service as a full-time minister up to a maximum of 10 years of service.
- D. Ministers receive an additional \$200 a year for each church over one.
- E. Equitable Compensation pays its share of CRSP and CPP based on the minister's income.
- F. Equitable Compensation pays up to \$75 for one Annual Conference sponsored Continuing Education event per year for clergy who are currently receiving Equitable Compensation Grants.
- G. Annual Grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year. Appropriations shall be made on a pro-rata basis, in the event of insufficient funds.
- H. Permanent Deacons are eligible for Equitable Compensation Grants only if they are serving in full-time appointments as pastor.
- I. The charge to which the minister is appointed must be classified by the Cabinet as a full-time appointment for the minister to be eligible for full compensation. The policy of the Louisiana Annual Conference is not to provide Equitable Compensation Grants for Associate Pastors.
- J. All income from salary, wages, or compensation from services rendered will be considered in determining eligibility for Equitable Compensation Grants.
- K. District Superintendents must submit to the Commission on Equitable Compensation chairperson an application for each minister in their District seeking assistance from the Equitable Compensation Fund. These are to be sent after Charge Conference but no later than December 31 and for new appointments, as soon as possible, using application forms furnished by the Commission.
- L. All ministers receiving Equitable Compensation Grants are required to renew their applications when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Compensation of any change in compensation or Conference relationship.
- M. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Compensation.
- N. Ministerial members appointed for less than full-time service as defined by *The Book of Discipline* will be considered for participation in the Equitable Compensation Fund upon recommendation of the Cabinet.
- O. To facilitate Missional Appointments, certain funds will be made available to the Cabinet to "provide for supplementing base compensation beyond the minimum base compensation schedule." (See par. 624.6, *The Book of Discipline*, 2004)

Regarding Moving Expenses: Charges of 250 members or less which have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

- A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge ½ of the actual moving expenses up to a maximum of \$500.
- B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge ½ of the actual moving expenses up to a maximum of \$300.
- C. If the pastor is moved after three or more years, no assistance shall be available to the charge.
- D. The pastor must be living on the charge in order for the charge to receive such assistance.
- E. Verification of moving expenses shall be made by submitting a copy of the bill to the District Superintendent in whose District the charge is located.
- F. Requests for assistance shall be initiated by the charge, approved by the District Superintendent (in whose District the charge is), then submitted to the Chairperson of the Commission on Equitable Compensation.
- G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Compensation.

RETIRED MINISTERS' HOMES BOARD

The purpose of our report to the Annual Conference each year is to keep our Ministry before the local churches of the Louisiana Conference, which are represented here by their Clergy and Lay Delegates. There are new delegates to the Conference each year that may not know about the Ministry that is performed by our Board.

When Methodist ministers retire, there is no longer a congregation to provide a parsonage for them and they have not been able to build up any equity in a home. Some cannot afford to purchase a home and make monthly house notes from their limited pension income. At the present time, the Board has thirty-nine homes throughout the state with at least one home in each District. Our residents pay a monthly maintenance and insurance fee of nine cents per square foot. For a 1,200 square foot residence, the fee is \$108 per month. There are homes vacant in Bossier City, Natchitoches and Ruston.

Our greatest financial help from Methodist people comes when we receive the donation of a home that we can either use for one of our retirees or sell and invest the proceeds in a new home. The last home we purchased was in Hammond with such funds. We are also open to partnering with a church or an individual in providing a home for a particular

retiree. When funds are available, the Board will provide up to fifty thousand dollars in matching funds.

On Sunday, September 14, 2008, the Annual Conference will observe Retired Ministers' Homes Board Sunday and the Churches are to present this Ministry and receive an offering for this work. Our goal is to be able to fund our entire annual administrative cost from the contributions from this offering. This goal could be reached if every Church in the Conference contributed only 60 cents per member. That's just pocket change.

I was a pastor for over forty years and I did not like to take Special Offerings. I was especially sensitive about Special Offerings that benefited the Clergy. That is why I believe we need the Lay Leaders to step forward and support this ministry for the retired pastors.

LOUISIANA INTERCHURCH CONFERENCE

To Live the Faith We Hold in Common

The Annual Assembly of the LIC held March 3-4, 2008, in Alexandria was recently celebrated with the theme: *Let Justice Roll Down Like Waters*. The keynote speaker was the Rev. David Otto of Centenary College in Shreveport. Mr. Hugh R. Straub of New Orleans was installed as President of the LIC during the Assembly Worship service. A highlight of the Week of Prayer observance was the centennial celebration advancing the theme, *Pray Without Ceasing (2 Thessalonians 5:12)*. In addition the task force on Ecumenical Formation reported two successful conferences held in the past year as part of their goal to recruit and form the next generation of ecumenical leaders. The Membership task force has set goals of enlarging the table of membership and strengthening the ties between existing member churches. The task force on Social Justice and Advocacy is partnering with other faith based groups to conduct an educational seminar on Advocacy in the spring of 2008 and a legislative day at the capital.

The Louisiana Interchurch Conference is funded by the member churches, and we are grateful for the generous support of the United Methodist Church in Louisiana and its commitment to ecumenical relationships. There is a continuing challenge to keep before the churches Christ's vision of unity for us and the impact of that vision on the churches' witness.

The Board of Directors met in New Orleans in September and heard of progress on rebuilding from the member churches and their disaster recovery agencies. The Director reported on visits of Judicatory leaders and other clergy to Jena, Louisiana. The Commission on Stewardship of the Environment continues to conduct workshops on Green Churches. The Commission on Criminal Justice is working closely with state agencies on the implementation of the Juvenile Justice Reform Act. Mrs. Betty Puckett,

our field staff member in addition to personal assistance, represents farmers during meetings, mediation, and appeals with USDA, Farm Service Agency. With funding provided by Farm Aid, she provides a hotline/referral service for distressed farmers.

In the aftermath of Hurricanes Katrina and Rita the Louisiana Interchurch Conference in partnership with Church World Service has been engaged in the formation of a statewide organization to coordinate efforts of the Churches and other communities of faith in the long term recovery. The Louisiana Interfaith Disaster Recovery Network is now registered as a nonprofit agency in Louisiana, and soon it is hoped the federal 501 (C)(3) status will be obtained.

On February 26, 1970, the Louisiana Interchurch Conference (LIC) was organized in response to God's call "to demonstrate the oneness we already share through faith in Jesus Christ as Lord and Savior." Currently the membership includes fifteen member Communions and representation from Church Women United in Louisiana.

C. Dana Krutz, Executive Director

LOUISIANA MISSION ZONE

The Mission Zone began the year under the Manure Plan (Luke 13: 6-9) in which financial support was given to the churches and pastors. Bench marks were established in eight Ministry Areas: Spiritual Growth and Development, Worship Attendance, Financial Giving, New Leaders, New Members, New Relational Groups, New Outreach, and Connectional Support. The bench marks helped the churches cast a vision for their future. Some of the churches decided that merging with another congregation was crucial to their future. Brooks and Shaw Temple United Methodist Churches voted to merge. First and Grace United Methodist Churches voted to merge, and Williams and Ross United Methodist Churches voted to merge. Jefferson United Methodist Church voted to close. Since the Mission Zone began in 2006 with 50 churches in the Greater New Orleans area and Southwest Louisiana Cameron Parish, 6 churches have closed and 6 churches merged for a total lost of 12 churches. We remember and celebrate the ministries of all these churches.

Almost three years after Hurricanes Katrina and Rita, the 38 Mission Zone Churches have been experiencing some exciting but certainly challenging times. The Bench mark reports continue to show an increase in our worship attendance in our churches. However, like most churches and most mainline denominations, our membership growth overall has not increased, although several of our churches are indeed growing. We continue to struggle with the challenges of our church members and other people in the communities who are often overwhelmed and burdened with the need to rebuild their homes, work several jobs, raise children, find affordable housing, among other things, rather than attend worship services and other spiritual development opportunity, let alone join a church. Some of our churches continue to lose families that are leaving the city of New Orleans, marking our third and fourth and even fifth waves of people leaving and relocating elsewhere.

As the churches continue to face many challenges we also celebrate many joys. For example, Luke's House free clinic, a cooperative effort of Mount Zion UMC and Rayne UMC, with support (volunteers, monies, etc.) from the zone churches, was opened on November 13, 2007. A number of MZ Youth Ministries opportunities were provided like, "Hallowed Be Thy Name", an alternative to Halloween, joint sponsored by the Mission Zone and Bethany UMC, as well as MZ youth who traveled to The Missouri Conference Youth Event and shared their stories. As the Greater New Orleans population increases with people of different races and cultures, the Mission Zone Office provided Multicultural Training for our churches. We are excited about the Hispanic Ministries in the Mission Zone. We continue to support and celebrate the ministries of El Mesias UMC as we have expanded the Hispanic/Latino Ministries with the addition of Rev Oscar and Rev. Juanita Ramos, missionaries from the General Board of Global Ministries. This outreach of Bible Studies, English and Spanish Language Classes, pastoral support and much community outreach, has led to the birth of a New Hispanic Ministry Faith Community. We continue to increase the number of churches from across the United States and the world who are becoming Church Partners with our churches in the Mission Zone. Because of Church Partners like First United Methodist Church Baton Rouge, Wakefield UMC in Cameron Parish is receiving contributions for the Wakefield Church to be rebuilt. The Mission Zone Office produces bi-monthly MZ Ministry Highlights which are emailed across the country to tell our story of the need for help to rebuild, our congregations, our ministries, our communities, our lives. These and other ministries are planted and rooted to produce much fruit. Challenging to our ministries is the need for more funding, more time, more people, and more workers. But through it all we rejoice to have the opportunities to touch and changes lives and make disciples for Jesus Christ.

As the Mission Zone continues to move forward, the churches have submitted reports and/or made presentations to the Bishop, Provost, District Superintendent and the Mission Zone Director. One church, Brooks-Shaw Temple, described their progress and their future with hope as "A Fig Tree in Blossom". We are grateful to God for blooming fruit from the manure and efforts of the churches and pastors. We are grateful to God for the clarity of directions for our churches. Each year the Annual Conference faces the difficulty of funding our ministries. We are grateful for the UMC Katrina Bishop's Appeal, The Louisiana Conference Bishop Appeal, contributions from the churches in the Louisiana Conference and across our great connection.

We believe we do have a future with hope.

LOUISIANA MORAL & CIVIC FOUNDATION

Introduction-In 2007, LMCF celebrated its 65th anniversary. Methodist Bishop Dana Dawson issued (August 27, 1942) an official call for a mass meeting of Moral Forces. In response to that historic call, approximately 100 people of all faiths and no faith gathered in Alexandria to begin a work that continues today through the Louisiana Moral & Civic

Foundation. The Louisiana Legislature and other state leaders have recognized LMCF as an organization without peer in their efforts to make Louisiana a better place in which to live. One of the leaders in LMCF's organizational meeting that took place in Alexandria on September 25, 1942, was Dr. Henry Bowden, Sr. from Lake Charles. Dr. Bowden stressed the importance of funding the new organization through an "asking" in the budgets of local churches and from people of means who would feel led to help. During all of this time, LMCF has continued to focus on helping citizens of Louisiana address moral and social concerns. It continues to depend upon the promise made in that historic organizational meeting, that if LMCF would do the work for which it was established; churches would place LMCF in their annual budgets. In addition, as originally envisioned, God has raised up individuals of means who financially support this ministry.

Administration-United Methodist Churches gave approximately \$ 422.00 to LMCF in 2007, up from approximately \$333.00 in 2006. Total budget contributions LMCF received in 2007 from all sources were \$151,863.00. Our asking from the churches of \$1.00 per member per year in 2008 remains the same. LMCF appreciates each United Methodist Church and members who by their contributions, invest in this ministry of morality.

Ministry- LMCF in 2007 ministered through four major programs: Awards (Of special interest to LA Methodists is Dr. Henry Bowden, Sr.'s Preaching Award, that will be presented to Dr. Larry Stafford.) Educational, Legal and Legislative. LMCF's web site www.lmcf.org provides a description of these programs.

Conclusion- Louisiana Methodists in 2008 continue to exercise their influence upon LMCF through past president Rev. Jimmie Pyles and other United Methodist members of the State Advisory Council. Thank you for the opportunity to serve United Methodists.

COMMITTEE ON EPISCOPACY

The Committee on the Episcopacy joins the Louisiana Annual Conference in celebrating the eight years of faithful and effective leadership of our Episcopal family, Bishop William W. Hutchinson and Mrs. Kay Hutchinson. At the 2007 Annual Conference on behalf of the Episcopacy Committee, Bob Burgess, Chair, assisted by Fred Loy, Vice Chair, and Mrs. Carolyn Dove, Secretary, presented our first lady of Louisiana United Methodism with a corsage. Kay in her kind and winsome way expressed thanks and appreciation for all Louisiana United Methodists and their support during the past year(s). Asking Bishop Hutchinson to join Kay, Bob Burgess offered a prayer for the two of them on behalf of the Annual Conference.

The Episcopacy Committee met June 9 to discuss the retirement of Bishop William Hutchinson at the 2008 South Central Jurisdictional Conference and plans for an appropriate celebration. In addition to a special observance during the 2008 Annual Conference, Friday, August 1, 2008 has been set for a retirement dinner which will be held at the Marriott Hotel in Baton Rouge. More information including cost will be shared through the Louisiana Now. Following their retirement they will reside in Los Cruces, New Mexico, and in January Bishop Hutchinson will begin serving as the Episcopal liaison to the Foundation for Evangelism headquartered at Lake Junaluska, North Carolina. God has wonderfully blessed Louisiana with the Hutchinsons these past eight years and we wish them the very best of God's blessings in their years of ministry in retirement.

The committee also considered the needs of our Annual Conference for the next 4 to 8 years which has been shared with the Jurisdictional Episcopacy Committee. A new bishop will be assigned to the Louisiana area at the conclusion of the Jurisdictional Conference in July 2008. The Committee on the Episcopacy asks all United Methodists to keep this matter in your prayers.

Robert L. Burgess, Chair

LEGISLATIVE LIAISON COMMITTEE

The purpose of the Legislative Liaison Committee is to bring the presence of the United Methodist Church into the halls of legislative activity. Particularly the Committee monitors legislation that has relevance for the social fabric of society. Issues such as gambling, taxation, education, and health are of particular concern to the Committee.

The Legislative Liaison Committee welcomes the opportunity to work with the new administration. We encourage all United Methodists to pray for Governor Bobby Jindal and his cabinet. We also ask that United Methodists get to know their representative(s) and senator(s) who serve in the Louisiana Legislature. We suggest writing a note to them expressing appreciation for their public service and assuring them of the prayers of the United Methodist Family.

Two United Methodist legislators have been asked to serve as leaders for the Legislative Liaison Committee for the next four years: Representative Hollis Downs from Ruston and an active member of Trinity United Methodist Church and Senator Willie Mount from Lake Charles and an active member of First United Methodist Church have agreed to provide this leadership.

The Legislative Liaison Committee has supported Governor Jindal's ethics reform package.

The Committee has requested Governor Jindal to renew the "Hate Crime" Law and to endorse statements of the two previous administrations regarding non-discrimination.

The Legislative Liaison Committee welcomes the input, counsel and suggestions of United Methodists in the Louisiana Annual Conference. Please contact Chris Andrews at chris@firstmethodist.org concerning any matter of importance to you in the state legislature.

November 2008

Dear Journal Recipient,

Recently you received a package containing one or more copies of the 2008 Louisiana Annual Conference Journal directories, shipped to you on behalf of the United Methodist Foundation office. As the printing company hired once again to produce and distribute this material for the Annual Conference, Moran Printing Inc. is proud to be involved with Conference officials in the production of this valuable resource for its members.

Moran Printing strives to deliver the best quality product possible, both in appearance and mechanics of each finished book and especially in accuracy of the editorial and statistical content. Due to an error in composition by one of our prepress staff members, which we failed to catch during proofing, this year's Journal was delivered with a section duplicated from last year. In the Statistical Tables near the back of the Journal, in the section headed Lake Charles, pages S-34 through S-41 are printed with last year's tables duplicated from the previous Journal, and thus do not represent current updated figures.

In an effort to rectify the situation, please find the enclosed 8-page addendum, which will serve as replacement pages for S-34 through S-41. We regret the mistake was not realized prior to binding, and apologize for any inconvenience this may cause both now and in future references to the Journal. And to those Lake Charles members that this error impacts directly, we hope that this addendum is an effective solution that will allow you to access the proper Journal information with the least amount of inconvenience.

From the staff at Moran Printing Inc.
